📖 **THE MAMBA MENTALITY** KOBE BRYANT,2018-10-23 The Mamba Mentality: How I Play is Kobe Bryant’s personal perspective of his life and career on the basketball court and his exceptional, insightful style of playing the game—a fitting legacy from the late Los Angeles Laker superstar. In the wake of his retirement from professional basketball, Kobe “The Black Mamba” Bryant decided to share his vast knowledge and understanding of the game to take readers on an unprecedented journey to the core of the legendary “Mamba mentality.” Citing an obligation and an opportunity to teach young players, hardcore fans, and devoted students of the game how to play it “the right way,” The Mamba Mentality takes us inside the mind of one of the most intelligent, analytical, and creative basketball players ever. In his own words, Bryant reveals his famously detailed approach and the steps he took to prepare mentally and physically to not just succeed at the game, but to excel. Readers will learn how Bryant studied an opponent, how he channeled his passion for the game, how he played through injuries. They’ll also get fascinating granular detail as he breaks down specific plays and match-ups from throughout his career. Bryant’s detailed accounts are paired with stunning photographs by the Hall of Fame photographer Andrew D. Bernstein. Bernstein, long the Lakers and NBA official photographer, captured Bryant’s very first NBA photo in 1996 and his last in 2016—and hundreds of thousands in between, the record of a unique, twenty-year relationship between one athlete and one photographer. The combination of Bryant’s narrative and Bernstein’s photos make The Mamba Mentality an unprecedented look behind the curtain at the career of one of the world’s most celebrated and fascinating athletes.

📖 **SHATTERED FAMILY** SAVANNAH RAIN,2013-02-07 Shattered Family Shattered Family is the true story of both a direct and extended family and others impacted by a number of real-life sociopath and/or sociopath type predators/abusers. This book describes such predators thought patterns (what is known of them), behaviors, scams, plots and various abuses in detailed form as well as the typical personality traits of both the predators and their victims. Some of this book is presented in journal or memoir form while other portions are in essay and list form. This book is a great asset for victims, support persons for victims, family members and others. This is particularly true since Shattered Family describes forms of abuse most would not be able to comprehend exist, such as the sociopaths predators ability to successfully use law enforcement and others in authority to abuse his victims and exercise complete control over his victim(s) life/lives. This book additionally offers a long real-life movie list as visual aid support. A must read for victims and those who wish to help victims of the sociopath and/or sociopath type abuser. Some reviews: This is a rare book of raw scalding material regarding an unknown reality of abuse and the abuse cycle that occurs within what Savannah Rain refers to as the inner-circle. This honestly is a must read book. G.Y. An imperfect person, as we all are, writes the truth as it truly is. The unheard of yet very real behaviors of sociopaths and what they do behind the scenes. Victims check out this book and see that you are not alone. T.J. Finally! Someone has the guts to tell it like it is! I previewed this book and recommend it for all adults in societies all over the world. The get a clue wake up call is finally here. J.M. A raw book with no sugar coating for the victims of sociopaths. An unusually intuitive directly honest author setting the record straight for many victims of predators who heartlessly commit similar abuses every day. K.R. Its really not the Twilight Zone. These predators do this stuff. Wake up America and smell the garbage so many ignorant and uncaring minions are supporting. Savannah Rain spells it out in graphic detail that is sometimes hard to read and I’m sure impossible to believe unless you’ve lived it and some of us have. So we know it is horrifyingly real. I recommend this book to victims and professionals who come into contact with victims in the worst ongoing moments of those victims lives. What I may have been spared if I’d read this book many years ago. Survivor, no name for the public. I have previewed Rain’s book and found it to be enlightening and scary. I will be keeping my eyes and ears open for the signs and evaluating my life a little more carefully now. Some things have happened to me, in my relationship that never happened before in my 35 years in this world. I thought may have him manipulating things because of what I was told by others. Now I am more sure. No rash moves, but I am thinking about what I have been through, seen and heard. By J.M. This book is a double fist sucker punch-out that never stops hitting and hitting home with every page. The harsh reality of the life of a sociopaths victim profoundly described. C.H. Yay! Kudos to you for reaching out with the truth! If everyone knew about narcissism and sociopaths they would avoid them and maybe the world would be rid of them! By Kat

📖 **MAMBA POINT** KURTIS SCALETTA,2011-09-13 After moving with his family to Liberia, twelve-year-old Linus discovers that he and the deadly black Mamba have a mystical connection, which he is told will give him some of the snake’s characteristics.

📖 **BLACK MAMBA WHITE SETTLER** KEN TILBURY,📖 **TO KHAYA WITH LOVE** SAMARA ZIMMEL,2013-02 To Khaya With Love is an open letter to Khaya the granddaughter who is born away from the land of the family ancestry. This book gives a description of the family members in a humorous fiction like fashion while describing the real people who really exist and incidences that did happen. Ideally Khaya is taught about her origins, ancestors and their habits, behaviours and beliefs in the country of her origins those precious old times. You will enjoy this book, it transports to the era totally different to the present. This family daily interaction and belief is portrayed as integral part of their existence. It’s a short book, you may read it in one sitting and yet it will stay within your heart many days indeed Khaya is being introduced to her family.

📖 **THE RISE: KOBE BRYANT AND THE PURSUIT OF IMMORTALITY** MIKE SIELSKI,2022-01-11 A compelling origin story of a time that really wasn’t so long ago but through the lens of tragedy feels like forever. Kobe-ologists will devour this book, reveling in the anecdotes about his intensity & the engaging game recaps. —Associated Press “Every superhero needs an origin story.” —Jeff Pearlman The inside look at one of the most captivating and consequential figures in our culture—with never-before-heard interviews. Kobe Bryant’s death in January 2020 did more than rattle the worlds of sports and celebrity. The tragedy of that helicopter crash, which also took the life of his daughter Gianna, unveiled the full breadth and depth of his influence on our culture, and by tracing and telling the oft-forgotten and lesser-known story of his early life, The Rise promises to provide an insight into Kobe that no other analysis has. In The Rise, readers will travel from the neighborhood streets of Southwest Philadelphia—where Kobe’s father, Joe, became a local basketball standout—to the Bryant family’s isolation in Italy, where Kobe spent his formative years, to the leafy suburbs of Lower Merion, where Kobe’s legend was born. The story will trace his career and life at Lower Merion—he led the Aces to the 1995-96 Pennsylvania State Championship, a dramatic underdog run for a team with just one star player—and the run-up to the 1996 NBA draft, where Kobe’s dream of playing pro basketball culminated in his acquisition by the Los Angeles Lakers. In researching and writing The Rise, Mike Sielski had a terrific advantage over other writers who have attempted to chronicle Kobe’s life: access to a series of never-before-released interviews with him during his senior season and early days in the NBA. For a quarter century, these tapes and transcripts preserved Kobe’s thoughts, dreams, and goals from his teenage years, and they contained insights into and told stories about him that have never been revealed before. This is more than a basketball book. This is an exploration of the identity and making of an icon and the effect of his development on those around him—the essence of the man before he truly became a man.

📖 **FROM THE MOUTH OF THE MAMBA** WILLIAM STEGALL,2002-04 This operations is based upon author’s knowledge of how a bio-terrorist operation, with direct leads to the Al Qaeda terrorist organization, could have happened. Indeed, there are certain truths mixed in with this story, but it would have been considered classified by both the government of the United States and the Secretary General of the United Nations. 11 September 2001 de-classified this story which began in Nazi Germany and continued into a small remote village in the Congo. There are strong ties into the Vatican, the World Health Organization, and a highly placed terrorist mastermind. The ultimate plot is to spread a deadly disease around the world with almost instant death to the people infected. This trail of terror and the pursuit of those involved will lead from New York City to Africa, Geneva, and culminate in the Caribbean island of Curacao.

📖 **THREE-RING CIRCUS** JEFF PEARLMAN,2020 From 1996 through 2004, Kobe Bryant and Shaquille O’Neal combined-- and collided-- to help bring the Lakers three straight championships and restore the franchise as a powerhouse. From public sniping and sparring, to physical altercations and the repeated threats of trade, it was warfare. The eight years of infighting and hostility were by turns mediated and encouraged by coach Phil Jackson. Pearlman shows how the Shaq-Kobe duo resulted in one of the most enduring, and ever-evolving, teams in NBA history. -- ADAPTED FROM JACKET

📖 **BLACK MAMBA BOY** NADIFA MOHAMED,2010-08-03 Yemen, 1935. Jama is a market boy, a half-feral child scavenging with his friends in the dusty streets of a great seaport. For Jama, life is a thrilling carnival, at least when he can fill his belly. When his mother—alternately raging and loving—dies young, she leaves him only an amulet stuffed with one hundred rupees. Jama decides to spend her life’s meager savings on a search for his never-seen father; the rumors that travel along clan lines report that he is a driver for the British somewhere in the north. So begins Jama’s extraordinary journey of more than a thousand miles north all the way to Egypt, by camel, by truck, by train, but mostly on foot. He slings himself from one perilous city to another, fiercely enjoying life on the road and relying on his vast clan network to shelter him and point the way to his father, who always seems just a day or two out of reach. In his travels, Jama will witness scenes of great humanity and brutality; he will be caught up in the indifferent, grinding machine of war; he will crisscross the Red Sea in search of working papers and a ship. M.A.M.B.A. It is the most powerful terrorist organization ever created, headed by some of the greatest criminal minds in history.” Conner said, “Why choose to be a criminal?” The strong, telling rhetoric of Jack Duffy’s books bring us into a world of suspense and surprise, where chance, fate, and coincidence lure. His latest gem, the B.L.A.C.K. M.A.M.B.A. delivers—the pages fly! Dr. Phil Van Auken “Author Jack Duffy has hit a literary grand slam with the outstanding spy novel B.L.A.C.K. M.A.M.B.A., a thrilling roller coaster ride that grabs you by the throat and refuses to let go! Very well written, enthralling and quite a page turner, I found B.L.A.C.K. M.A.M.B.A. very hard to put down. It reads like an excellent Hollywood script. Agents Clint Conner and Nikolai Aleksandrov come to life in the pages of this finely crafted novel grounded in contemporary times and reality. What makes B.L.A.C.K. M.A.M.B.A. extra special is the feeling that these events have actually occurred. Highly recommended!” Vince Palamara, author of five books including Honest Answers About the Murder of President John F. Kennedy: A New Look at the JFK Assassination

📖 **The Poisonwood Bible** BARBARA KINGSOLVER,2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah’s Book Club Selection “Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review The Poisonwood Bible, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family’s tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo’s fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the story of her evangelist husband’s part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father’s intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

📖 **THE MASK OF MASCULINITY** LEWIS HOWES,2017-10-31 At 30 years old, Lewis Howes was outwardly thriving but unfulfilled inside. He was a successful athlete and businessman, achieving goals beyond his wildest dreams, but he felt empty, angry, frustrated, and always chasing something that was never enough. His whole identity had been built on misguided beliefs about what masculinity was. Howes began a personal journey to find inner peace and to uncover the many masks that men – young and old – wear. In The Mask of Masculinity, Howes exposes the ultimate emptiness of the material mask, the man who chases wealth above all things; the cowering vulnerability that hides behind the joker and stoic masks of men who never show real emotion; and the destructiveness of the invincible and aggressive masks worn by men who take insane risks or can never back down from a fight. He teaches men how to break through the walls that hold them back and shows women how they can better understand the men in their lives. It’s not easy, but if you want to love, be loved and live a great life, then it’s an odyssey of self-discovery that all modern men must make. This book is a must-read for every man – and for every woman who loves a man.
