Janis Adams

Going Solo Robert Beeson, 2018-04-03 This first-hand account of a single father teaches single parents to practice five helpful habits and three Healing Principles as they adjust to their new life. It also provides hope that God can lead struggling single parents to a new perspective on life, as well as to healing and restoration.

Single Mom Is not A Disease Precious Gloria, 2021-02-14 Believe it or not, being a single mom is challenging. Whether you are a teenager, a thirty-something entrepreneur, a divorced mom of three, or perhaps, a high-powered executive being a single mom comes with many troubles. Supporting your kid all by yourself with a meager salary seems to be hopeless, not to mention other expenses arising from household maintenance and other emergency expenses. There is, however, a way to get out of this situation. *Single Mom Is Not A Disease*, will show you how not to let being a single mom run you ragged. You will learn how not to allow single parenting affect you wrongly. You will discover how to create time for yourself, handle your finances, deal with kids, and other people around. Here is a sneak peek of what you should expect when you buy the *Single Mom Is Not A Disease* book: $\frac{3}{4}$ Being A Single Mom $\frac{3}{4}$ The Day That Turned Your Lives Upside Down $\frac{3}{4}$ Creating A New Story $\frac{3}{4}$ Fixing Your Finance Life $\frac{3}{4}$ Hobbies for Single Moms $\frac{3}{4}$ Dating As A Single Mom $\frac{3}{4}$ Getting Through the Tunnel $\frac{3}{4}$ Dealing with Common Single Moms' Primary Issues $\frac{3}{4}$ Top Questions About Being A Single Mom $\frac{3}{4}$ The 21st Century Single Mom To be in a situation where you've to play the role of both a mother and father all at an equivalent time isn't easy. Tons of single mothers can relate to how hard it's to travel through life being the only parent for your child. Nonetheless, many successful single moms were ready to raise their children without having a partner on their side. This is often not to suggest that it is better to let children grow in families where just one parent is present. As a single mom, you are a lovely citizenry. You deserve to be happy and live stress-free. The *Single Mom Is Not A Disease* guide will help you experience a shift in your attitude and perspective; then, you'll confirm you usually have time for self-care. It is a necessity. Do not hesitate to grab a copy of *Single Mom Is Not A Disease* today!

A Complete Guide for Single Moms Janis Adams, 2011 Recent statistics from the U.S. Census Bureau show there are 9.9 million single mothers in the United States. This number is up from only 3.4 million in 1970, showing that single motherhood is more common than ever. For every mother recently finding herself single, or new moms learning how to raise their first child by themselves, there are countless things any mother will need to know. Single motherhood presents innumerable situations that are much harder to handle without the helping hands of a second parent nearby. But one of the best ways to prepare yourself for success as a single mother is to arm yourself with knowledge about what to expect with single parenting. *A Complete Guide for Single Moms: Everything You Need to Know About Raising Healthy, Happy Children on Your Own* is for every mother who is learning how to raise children on her own. Regardless of how you came to be a single mom whether it was through divorce, the end of a relationship, surrogacy, adoption, unplanned pregnancy, or by the death of a spouse this book will walk you through the information you need to know to help you and your child adjust to a new lifestyle. The book covers what to do when pregnant and single and how to rely on your family and friends for support and help. You will

learn the basics of early childcare, including what a child needs in its first year, from breastfeeding and nappies, to clothing and travel. You will learn what to expect as your child grows, including the early years of school and the problematic teenage years. This book teaches you how to take care of yourself in addition to your children, which includes knowing how to find rest and work your way back into dating. You will learn how to prepare yourself for the sacrifices you will be forced to make and how to handle financial matters while raising a child alone. Even the difficult topics are covered, such as the first times you must discuss with your child why his or her father is not present. You will learn when you can fill in as a father figure, when you cannot, and what you can do to provide the male influence and support children need during those formative years. If your child's father is involved, this book will teach you how to work with him. You will learn how to raise a boy as a single mother and find positive role models for your children. We have conducted multiple interviews with successful single mothers, as well as with experts in child care, to provide a comprehensive outlook on everything you can expect as a single parent on your own from the first few weeks of stress to the later years of toilet training, proper diet, allergies, health care, and learning to talk. From conception to graduation, the life of a single mother is a trying, challenging road to travel. With this guide in hand, you will have what you need to raise a healthy, happy family.

The Kickass Single Mom Emma Johnson, 2017-10-17 When Emma Johnson's marriage ended she found herself broke, pregnant, and alone with a toddler. Searching for the advice she needed to navigate her new life as a single professional woman and parent, she discovered there was very little sage wisdom available. In response, Johnson launched the popular blog Wealthysinglemommy.com to speak to other women who, like herself, wanted to not just survive but thrive as single moms. Now, in this complete guide to single motherhood, Johnson guides women in confronting the naysayers in their lives (and in their own minds) to build a thriving career, achieve financial security, and to reignite their romantic life—all while being a kickass parent to their kids. *The Kickass Single Mom* shows readers how to:

- Build a new life that is entirely on their own terms.
- Find the time to devote to health, hobbies, friendships, faith, community and travel.
- Be a joyful, present and fun mom, and proud role model to your kids.

Full of practical advice and inspiration from Emma's life, as well as other successful single moms, this is a must-have resource for any single mom.

The Complete Single Mother Andrea Engber, Leah Klunness, 2006-03-08 Your best resource now completely revised and

updated! Being a single mother isn't easy--but with *The Complete Single Mother*, Third Edition, it just got easier. Long the most popular source of encouragement and advice for single moms, this engaging, enlightening guide explores such important issues as: Finances Dealing with the absent father Custody Dating and remarriage With a new chapter devoted to children with special needs, as well as inspirational sidebars about famous single mothers, this updated classic is the supportive, one-stop handbook you'll turn to again and again!

Single Mothers are for Grown Men, ONLY! Derrick Jaxn,2017-09-07 Our understanding of single mothers is broken. Not like, The x-ray came back and you may need a cast, broken; but, It's time to evacuate. The levy has been demolished, broken.Mentally, our streets are flooded with ignorance, yet we simply paddle along as if this is the way things are going to be. All things common sense seem to be immersed under the murky waters of, She should've known better, She should've been married first, and It's her fault he ran out. She's the one who chose him. It's bizarre that in a world where cars can drive themselves and phones can recognize thumb prints, we're still committed to such ignorance, but that's about to change.For the last few years I've posted articles, memes, poems, and even viral videos with tens of millions of views on this subject, but like sandbags to an ocean, they've gotten swallowed whole without us, as a society, moving forward one inch. So, I've decided to take things up a notch with *Single Mothers are for Grown Men, ONLY!* and drain the preconceived notions, biases, and stereotypes once and for all, particularly as they pertain to dating and relationships.This is not some pity-ridden manual about how single moms should feel sorry for themselves. They have nothing to feel sorry about. In fact, they should be feeling the exact opposite if despite what they have to put up with, they're still able to hold their heads up and put one foot in front of the other. This is 130 pages of facts, analogies, and practical examples of how single mothers have been framed for moral crimes they've never committed, and underappreciated for the should-be obvious positive qualities they possess. It's time for a perspective adjustment. If you agree, then you've found the right book. If you don't, then challenge me to change your mind, and yes, I accept.

If I Had a Parenting Do-Over Jonathan McKee,2017-02-01 Ever wish parenting came with a do-over button? “Here’s where I messed up. . . Whenever I say those words during my parenting workshops, you can hear a pin drop. Parents are on the edges of their seats. “And here’s what I’d do differently next time. . . That’s when every pen in the room begins writing furiously. Let’s face it. Hindsight is 20/20. If you ever find yourself saying I wish I had a do-over. . . You're not alone! Join author and youth culture expert, Jonathan McKee, as he shares from his own personal parenting experiences of raising three kids, while making purposeful, effective tweaks along the way. Delivered with a refreshing blend of humor and vulnerability, the author's candid style and real-world application will equip you with solid, helpful practices you can actually use in your own home. With chapters like Let It Go, Press Pause, and Tip the Scales, McKee provides the honest answers you're seeking as you parent your kids.

The Last Single Mom Annica Törneryd,MS Annica C Torneryd Act,2015-03-25 No child wants to grow up with only one parent. And under normal circumstances, an adult wants to share parenting with their partner, to better support

and educate their child and enjoy family life. Making the right choices for ourselves will have a great impact on our health, happiness and overall life experience. Improving low self-esteem can support us in many situations in life, and in particular the one of wisely choosing our partner to create a family. Bringing up a child in today's society is a challenge, as we're faced with twisted values and the normalization of unhealthy role models when it comes to fashion and beauty standards, the music industry, toys and electronic gadgets for children. Single parent statistics are very high and in many countries as many as half of all marriages end in divorce after a few years. The struggle, heartache and complexity of single parenthood is well worth a global effort. By buying the book, you contribute to The Last Single Mom Fund - supporting single mothers!

Overwhelmed Jennifer Barnes Maggio, 2010-07 Follows the author's journey from homeless teenage mother to successful corporate executive.

Scenes From A Single Mom, Volume II Erica Day, 2019-06-17 We don't grow alone, and this book ensures you don't have to. *Scenes From A Single Mom* is your squad of sisterfriends cheering you on by transparently sharing their experiences with love, loss and legacy to encourage you as you grow through to become the mother and woman you were created to be. You'll be empowered to forgive yourself and others, confront and conquer your past, then dance through the storms and stigmas as you welcome your sunshine and successes. Prepare to laugh, cry and nod in agreement as you delve into the personal journey through love, loss and legacy. As a mother, mother-to-be, grandmother or if you've never considered motherhood, you'll be sure to connect with these stories at your core: Love: Our desire to love and to be loved unconditionally creates divine connection Loss: Our determination to use our setbacks as motivation for major comeback is undeniable Legacy: Our resolve to create lasting change and impact in our homes and communities is unmatched No matter where you find yourself on your motherhood journey, equipped with this book you'll know you're not alone. *Scenes From A Single Mom* started as a blog in 2011 by Tiffany Huff when she wanted to share her journey of being more than just a single mom. She shared transparent, up close and personal insight into her journey to balance the lies of the single mother, baby mama drama stigma with the reality of being a successful single mom on her own terms. The blog soon grew into a community of not only single moms, but women across the country challenged to find and feel love, refusing to be defined by their losses, and determined to create lasting legacies for themselves and their families.

The Single Parent Linda Ranson Jacobs, 2019-07-02 Whether you became a single parent through divorce, death, adoption, or some other situation, you've probably wondered what the future holds for you and your children. Will you be able to provide the emotional, financial, and spiritual support your family needs? *The Single Parent* will encourage you in your journey and help avert problems before they arise. It is filled with wise counsel, biblical truth, and real-life stories--the author's own as well as those of the many single moms and dads who have come across her path through the years. It will help you bolster your abilities in such areas as · improving your child's behavior · negotiating boundaries · graciously seeking and accepting help from others · trusting God in the process God cares for the single parent and will provide for you and your children. Let this book give you the

tools you need as you walk with him in this journey.

Motherhood Mary B. Handel, 2016-07-12 Motherhood: Educational tips on being a successful single mom Single moms are faced with different challenges and parenting situations that many others might not understand because of course they are not Single Moms. Imagine being awake all day to take care of your daughter except when she naps and staying awake all night to work online; at the same time watch her while she slept. Single Mamahood Kelly Williams, 1998 Featuring real stories of single mamas, this down-to-earth, sister-to-sister guide teaches women that by realistically challenging the obstacles before them, they can raise children who are self-assured, happy, and healthy. The book includes suggestions on how to deal with work, school, child support, dating again, and more.

Single Motherhood D. C. Spencer, 2009-09 Single motherhood is a book you must read if you want to fully understand the world of a single mother. It's direct and very truthful. You will learn what the author and other single mothers have to overcome in life. Spencer takes readers from choices of single mothers to the system, which strives to break them. She depicts baby daddies who belittle and brain wash them and everything from dating to responsibility to self-doubt--Jacket
