A Gentle Reminder Bianca Sparacino, 2020-11 A gentle reminder, for the days you feel light in this world, and for the days in which the sun rises a little slower. A gentle reminder for when your heart is full of hope, and for when you are learning how to heal it. A gentle reminder for when you finally begin to trust in the goodness, and for when you need the kind of words that hug your broken pieces back together. A gentle reminder for when growth hangs heavy in the air, for when you need to tuck your strength into your bones just to make it to tomorrow. A gentle reminder for when you are balancing the messiness, and the beauty, of what it means to be human, when you are teaching yourself that it is okay to be both happy and sad, that you are real, not perfect. A gentle reminder for when you seek the words you needed when you were younger. A gentle reminder for when you need to hear that you deserve to be loved the way you love others. A gentle reminder for when you need to recognize that you are not your past, that you are not your faults. A gentle reminder for when you need to believe in staying soft, in continuing

to be the kind of person who cares. A gentle reminder for when you need to believe in loving deeply in a world that sometimes fails to do so. A gentle reminder to keep going. A gentle reminder to hope--

That is the beauty of this great journal! This journal is undated, so start today to record the most important event of the day. Then move to the next page tomorrow, and continue on forward until you have completed 365 (or 366 for leap year) days! Then, you just loop back and start all over in the second year's area, to record what is going on in the new year! This handy 6 X 9 journal is easy to carry around, and you have room on each page for the day's most important events you want to remember. This is a great, fun gift, or can be used for serious record-keeping of things like blood sugar, weight, or other medical issues, as well as results in school, sports, work or any other activity you want to engage in. This book will be particularly useful to teachers

and others who repeat activities year over year. Get one today for you, and several to give to your friends. You'll love every minute of using it, especially when you get to go back and see what you did on this day 2, 3, 4, and 5 years ago!
