5 Days to a Clutter-Free House Sandra Felton,Marsha Sims,2013-02-01 While most of us aren't hoarders we can all benefit from assessing and reducing the clutter in our homes--and then organizing what's left. Many things stop us from succeeding: the sheer scope of the project, the tendency to lose momentum if the job takes too long, and the fact that we're always acquiring new clutter. But what if it really took only a week to de-clutter the whole house, and then you even had the weekend to relax and enjoy your new clutter-free space? Could it really be that simple? Organizing and time management experts Sandra Felton and Marsha Sims show how with the right game plan and a healthy dose of adrenaline, anyone can de-clutter their home in just five days. With this systematic, team-based approach, even the most overwhelming de-cluttering job becomes doable. The authors' enthusiasm and energy keep readers pushing forward to the goal, and their time-tested tips and habits help readers maintain their hard-won gains. The authors even show how to deal with common obstacles to achieving and keeping a clutter-free house, like filing, storage needs, health issues, space restrictions, the car, and even family sabotage!

Declutter Your Home: 30 Days to a Clutter Free Life Tara Dristall,2015-08-29 Here's how to follow through on your good intentions and create a clutter-free living space in only 30 days. Instead of using up precious time off work for a decluttering marathon, this book shows how to clear out the clutter one bite at a time. The book shows how short, efficient decluttering sessions using time after work and brief interludes of free time on weekends can be more effective than a frontal assault on clutter. These short sessions, often carried out with the help of friends and family, keep stress and frustration at a minimum, and produce immediate results that you can see. As you progress through the four-week plan in the book, you'll gain momentum that will propel you through the process and leave you clutter free at last. The author deals with both the physical and emotional aspects of clutter and gives tips for maintaining your freedom from clutter after the 30 days are up. Take charge, free yourself from clutter, and find greater satisfaction with your home and life

Smoke-Free in 30 Days Daniel F. Seidman,2009-12-29 I'M TOO STRESSED TO STOP. I'LL GAIN WEIGHT IF I QUIT. I'VE TRIED AND FAILED TOO MANY TIMES TO COUNT. Why are you still smoking, even though you want to quit? Based on twenty years of research and hands-on work with countless smokers in his clinics at Columbia University and New York Presbyterian Hospital, Dr. Daniel F. Seidman understands that people smoke -- and quit -- for different reasons and what works for one smoker might not work for another. • Are you a Situational Smoker? Monitoring your reactions in different situations is a step toward permanently losing interest in cigarettes. • Are you a Worried-about-Weight Smoker? Properly using treatments like Nicotine Replacement Therapy (NRT) can help you quit and get healthy in all aspects of your life. • Are you an Emotion-Triggered Smoker? Scheduling your smoking breaks and sticking to a rigid smoking schedule helps break the link between stressful situations and craving cigarettes. In a comprehensive, 30-day program, Dr. Seidman explains how to retrain your brain, take advantage of all the tools at your disposal, and end the month smoke-free and feeling stronger than ever!

90 Days to Stress-Free Jami Amerine,2023-06-13 Encourages women on a day-by-day journey to find their way back to peace Too often, women feel like their only hope for reducing stress is to push through and pray to make it to the other side. Well-intended projects to help the family, events to support the community, and ministries for church swirl into a cluttered, chaotic schedule. Yet worry is eating them alive from within. Being stressed isn't the abundant life Christ wants for his people. Artist and author Jami Amerine knows the heaviness of expectations--both internal and external. And she has discovered how to retrain the mind against the framework worry lays down. In easily digestible daily readings, she shares what she's learned and offers the right tools for the job. Through her witty, friendly words, vibrant original art, and rock-solid scriptural truth, Jami invites readers to join her on a journey to declutter the mind and uncover a spirit freshly renovated into a truly worry-free existence.

Free Days With George Colin Campbell,2016-05-03 A heartwarming, true story about George, a rescue dog who helps his owner rediscover love and happiness. Marley & Me meets Tuesdays with Morrie and The Art of Racing in the Rain--get your tissues ready, animal lovers! After Colin Campbell went on a short business trip abroad, he returned home to discover his wife of many years had moved out. No explanations. No second chances. She was gone and wasn’t coming back. Shocked and heartbroken, Colin fell into a spiral of depression and loneliness. Soon after, a friend told Colin about a dog in need of rescue—a neglected 140-pound Newfoundland Landseer, a breed renowned for its friendly nature and remarkable swimming abilities. Colin adopted the traumatized dog, brought him home and named him George. Both man and dog were heartbroken and lacking trust, but together, they learned how to share a space, how to socialize, and most of all, how to overcome their bad experiences. At the same time, Colin relived childhood memories of his beloved grandfather, a decorated war hero and a man who gave him hope when he needed it most. Then everything changed. Colin was offered a great new job in Los Angeles, California. He took George with him and the pair began a new life together on the sunny beaches around L.A. George became a fixture in his Hermosa Beach neighborhood, attracting attention and giving affection to everyone he met, warming hearts both young and old. Meanwhile, Colin headed to the beach to rekindle his love for surfing, but when George encountered the ocean and a surfboard for the first time, he did a surprising thing—he jumped right on the board. Through surfing, George and Colin began a life-altering adventure and a deep healing process that brought them back to life. As their story took them to exciting new heights, Colin learned how to follow George’s lead, discovering that he may have rescued George but that in the end, it was George who rescued him. Free Days with George is an uplifting, inspirational story about the healing power of animals, and about leaving the past behind to embrace love, hope and happiness.
