

Days Until

Bernardo Feliciano

365 Days Until ... Alexander Catalano; Ahesha Catalano,2011-09-15 Every married couple has their own meaningful tales—and occasionally horror stories—of wedding preparation. Few couples, however, have that time as intricately and intimately documented as Alexander and Ahesha Catalano. *365 Days Until ...: The Journey to Our Wedding* details the year-long journey to the Alexander and Ahesha Catalano's wedding day. Every night, for 365 days prior to their wedding, they recorded everything they did in preparation for the wedding. They chronicled all of the foolishness, the things they learned about each other, and the things they learned about marriage, each in their own journal. They considered everything from mundane details to what it would take for them to reach their golden anniversary. Most importantly, they wrote about all the fun they had coordinating their wedding and how much they truly adore one another. But there's a twist—neither of them read each other's journal until after they were married. Independent of each other, they captured all of their emotions at each step in the process of organizing their most important day. What began as a way for them to keep everything organized for their wedding accidentally turned into something much, much more important. *365 Days Until ...: The Journey to Our Wedding* offered an opportunity for Alex and Esha to share all of their most intimate thoughts and fears about getting married with each other, and it will encourage others in preparation for their own wedding day.

How Many Days Until Tomorrow? Caroline Janover,2012-04-18 Josh is a twelve-year-old with dyslexia who spends the summer on a remote island in Maine with his teasing older brother Simon and grandparents he hardly knows. He spends the worst and the best summer of his life on Seal Island, far out to sea off the coast of Maine.

The Last Days Before Peace Johann Fuchs,2022-10-04 The story follows a young college who is about to graduate when World War II breaks out, and he joins the Navy. He is assigned to the USS Cassin as she is being rebuilt after Pearl Harbor. The story follows Lieutenant Pembroke and the USS Cassin as they journey through the war. The story is how the small warships (destroyers) affected the war but didn't get all the glory. Lieutenant Pembroke is wounded near the end of the war but is able to return home to his wife and daughter.

Days 'Til Living Tegan Veltmeyer,2015-09-20 Noah Nohlesneme is anything but your average seventeen year old; his life depends on falling in love. Life is not quite what he or his two Number One girls have experienced. Living involves breathing but neither three has taken in a sip of air over the last four hundred years. His quest for love and pumping blood brings him more trouble than happiness in the process of choosing. And unlike The Bachelor, choosing the girl of his dreams isn't as simple as handing out a rose. Only nine months until his eighteenth birthday, his deadline lay between midnight and morning and it all seems impossible; which of the girls will have him Falling all over again?

7 Days till Ice Cream Bernardo Feliciano,2020-08-04 It's Sunday—ice cream day! But sometimes the ice cream truck turns down a different street. Can Jerron, A.J., and Cha crack the ice cream man's code? They want him to come their way! Tying into the popular Makers Movement, *Makers Make It Work* is a series of fun easy-to-read stories that focus on problem-solving and hands-on action. This charming story explores the Makers theme of Coding and includes explanatory sidebars and a computer coding-related activity for young makers to try themselves!

Two Days Till Peace Mile Jovicic,2011 This is a fascinating and gripping survival story. The book describes what it was like to live day by day in a city undergoing the beginnings of a terrible civil war where one did not know what was going on from one minute to the next and there was danger at every corner. Neighbors, old friends and colleagues suddenly became enemies and whether you liked it or not you were forced to take sides. The author tells his story with suspense and honesty. He did a remarkable job in keeping the Sarajevo Airport operational against all odds and in doing so was able to help thousands of Sarajevans flee the horrors that quickly overcame the city. A truly fine read. -James Bissett, former Canadian Ambassador to Yugoslavia As the early UN commander in Sarajevo it would have helped a lot if I knew some of the details Mile recounts herein; unfortunately, he was a kilometer away, which during the war was a mighty long and dangerous trip. -Lewis Mackenzie, Canadian Major General (Ret'd) An extraordinary testimony about the early days of the war in Bosnia from a witness at the very heart of events. Jovicic's compelling account sheds light on the chaotic situation in mid-1992 and the many missed opportunities to avoid the bloodshed that ensued. -Nebojsa Malic, columnist, Antiwar.com What a great story, breathtaking! At the Sarajevo Airport the events could have easily spun out of control. The author faithfully recorded many aspects of unreported history that forces us to rethink what really happened in Bosnia. -Kent Johnson, US Air Force Colonel (Ret'd)

Eighteen Days Till Home Shirley Latessa,1997

Three Days Before the Shooting . . . Ralph Ellison,2011-04-26 At his death in 1994, Ralph Ellison left behind several thousand pages of his unfinished second novel, which he had spent nearly four decades writing. Five years later, Random House published *Juneteenth*, drawn from the central narrative of Ellison's epic work in progress. *Three Days Before the Shooting . . .* gathers in one volume all the parts of that planned opus, including three major sequences never before published. Set in the frame of a deathbed vigil, the story is a gripping multigenerational saga centered on the assassination of a controversial, race-baiting U.S. senator who's being tended to by an elderly black jazz musician turned preacher. Presented in their unexpurgated, provisional state, the narrative sequences brim with humor and tension, composed in Ellison's magical jazz-inspired prose style. Beyond its compelling narratives, *Three Days Before the Shooting . . .* is perhaps most notable for its extraordinary insight into the creative process of one of this country's greatest writers, and an essential, fascinating piece of Ralph Ellison's legacy.

Seven Days Before Richmond Rudolph J. Schroeder, III,2009-03-11 Combining meticulous research with a unique perspective, *Seven Days Before Richmond* examines the 1862 Peninsula Campaign of Union General George McClellan and the profound effects it had on the lives of McClellan and Confederate General Robert E. Lee, as well as its lasting impact on the war itself. Rudolph Schroeder's twenty-five year military career and combat experience bring added depth to his analysis of the Peninsula Campaign, offering new insight and revelation to the subject of Civil War battle history. Schroeder analyzes this crucial campaign from its genesis to its lasting consequences on both sides. Featuring a detailed bibliography and a glossary of terms, this work contains the most complete Order of Battle of the Peninsula Campaign ever compiled, and it also includes the identification of commanders down to the regiment level. In addition, this groundbreaking volume includes several highly-detailed maps that trace the Peninsula Campaign and recreate this pivotal moment in the Civil War. Impeccably detailed and masterfully told, *Seven Days Before Richmond* is an essential addition to Civil War scholarship. Schroeder artfully enables us to glimpse the innermost thoughts and motivations of the combatants and makes history truly come alive.

25 Days 'til Christmas Poppy Alexander,2018-11-01 'a fabulous uplifting, festive, feel-good, joyous read that will leave you smiling from ear to ear.' Netgalley reviewer Christmas is a time to get together... Kate Thompson used to love Christmas. But that was before her husband went away with the army and didn't come home. Now she can hardly stand the festive season. But Kate knows there is more to life than this, and her son Jack needs a Christmas to remember. What she needs is a Christmas miracle, and if there isn't one on its way, she'll just have to make her own. So begins Kate's advent countdown to the best Christmas ever. She has it all planned out, but you can't plan for the

unexpected, and when her life starts to unravel can her friends and the community around her help her save Christmas for all of them...? Curl up and countdown to Christmas with a heart-warming festive romance, perfect for fans of Jenny Colgan, Debbie Johnson, and Holly Martin. 'A great Christmas read' Netgalley reviewer

1,260 Days Before the Return of Christ Pastor Donald Jones,2018-11-21 1,260 Days Before the Return of Christ By: Pastor Donald Jones 1,260 Days Before the Return of Christ is about five last day biblical events that will occur within 1,260 days before Jesus Christ returns to reign over the earth. It was written to inspire the awareness of these events and their occurrences before Christ returns to the earth. It is the author's hope that the reader believes that these events will occur and accept the salvation of God which is by faith in His Son Jesus Christ.

Shelving category: Certification Covers: CompTIA A+ 220-901 and 220-902 www.pearsonitcertification.com

Three Days Before the Sun Warren LeRoi Johns,2014-11-06 Three Days Before the Sun explores our origin, purpose and destiny in an eternity of time and an infinity of space! The holes and flaws acknowledged by Darwin in his evolution theory are precisely targeted with academic precision in a format designed for the general public. The scrupulously documented title dismantles the chance hypothesis, point-by-point, as a lawyer presents evidence to a jury. The 296-page, illustrated title comes salted with homey colloquialisms, methodically exposing unproven assumptions. But more than an exposé of flawed conjecture masquerading as science. Three Days Before the Sun offers a generic Christian glimpse of the raging origins controversy. The book compliments the faith of Christian communities who believe the Genesis account of the creation miracle while asserting the Creator of the universe is the Author of science.

10 Days Until Forever David Peterson,2011 An adopted son counts the days until he is sealed to his adoptive family in the Mormon temple.

How Many Days Until Tomorrow? Caroline Janover,2000 Josh, who has dyslexia, spends the summer on an island off the coast of Maine and finds that he has much to prove to his gruff grandfather and his older brother.

Days Before History Harry Reginald Hall,2020-09-28 I KNOW a boy called Dick. He is nine, and he lives near London. Last spring Dick's father and mother moved house. All their furniture and things were taken in the vans, and Dick and his father and mother went in a cab. When they got to the house, Dick ran in at once to explore. It was not really a new house, because people had lived in it before; but Dick was disappointed to find it very much the same as the house they had just left. There was the drawing-room on one side of the hall and the dining-room on the other, and all the rooms upstairs, and the bath-room, and the box-room, just the same as in their other house; and there was a garden with walls round the three sides, very like their last one. And Dick was sorry that there was nothing new to see. So he said to his father that he did not like the new house because it was just like the old one. But his father said: "You must not grumble at that. Lots of houses are very much alike, of course. There are so many people in these days who want the same sort of house built for them." That summer Dick went to pay a visit to his uncle, a long way off in the country. Dick's uncle lived in a very old house; part of it was more than four hundred years old, and Dick had never been in such an old house in his life. His uncle took him all round it, and showed him many strange things. The oldest part of the house was a square tower with very thick walls and long, very narrow windows. Dick's uncle told him that the windows were made like slits so that the men inside the tower could shoot their arrows out at their enemies; while the enemies would find it very hard to shoot their arrows in and hit the men inside. And he said, also, that in the old days before people could make glass for windows, it was better to have little windows than big ones in very cold weather. And Dick's uncle took him to the top of the tower and showed him the remains of an open fireplace, in which the men of the tower used to light a beacon fire to give the alarm to people in the villages and towns when enemies were coming. And outside the tower he showed him part of a deep ditch, and told him that once this ditch went right round the house and was called a moat, only that now it was nearly all filled up with earth and stones. But at one time it was always full of water, so that no one could get at the tower without crossing the moat. And the people in the tower used to let down a bridge, called the drawbridge, because it was drawn up and down by means of chains. So that when they or their friends wanted to go out or come in, the drawbridge used to be let down for them, and pulled up afterwards.

31 Days Before Your CCNA Routing and Switching Exam Allan Johnson,2014-04-18 31 Days Before Your CCNA Routing and Switching Exam offers you a personable and practical way to understand the certification process, commit to taking the 200-101 Interconnecting Cisco Networking Devices Part 2 (ICND2) certification exam, and finish your preparation using a variety of Primary and Supplemental study resources.
