Everyday English Michelle Finlay,2011-06-30 A poor command of English is a considerable obstacle in almost every walk of life, from conducting business to dealing with everyday problems. This book takes you back to the basics; the simple rules and tricks that will help anyone to master the language. Rather than a guide to everything you would ever want to know about the English language, it is a basic companion to the nuts and bolts - designed to help native and non-native speakers alike to speak and write correct and unambiguous English in any situation, business or personal. The book offers advice on many different areas including the writing of letters, reports and other texts, where it is often vital to convey meaning and purpose simply and clearly. It also includes sections on sentences, parts of speech, punctuation, and common pitfalls to avoid.

The Red Church Or the Art of Pennsylvania German Braucherei C. R. Bilardi, 2009-04 A comprehensive guide to the history, theory and practice of Pow Wow, this book draws upon historical documentation, traditional methods, and a life of personal experience. Pow Wow, or Braucherei, as it is known by its practitioners, is a system of folk magic that has its roots in Christian and Pre-Christian Germany, but its character is wholly American - the quintessential American magical system. Drawing on quotes from the Bible, qabalistic principles and old grimoires, it is empowered by the Holy Trinity, and most practitioners consider themselves to be Christian, much

like the Cunning Folk of England. The final chapter, about Doctor Santee, references material and uses a photograph that is copyright GLHoke, and used with permission. The Red Church: The Art of Pennsylvania German Braucherei is the finest book on German magic to be seen in decades. Comprehensive in its historical, philosophical and cultural roots, The Red Church is a book that will be appreciated by academics and modern practitioners of not just folk and ceremonial magic alike, but also energetic and faith healing, symbolism, and cultural psychology. Extensively researched and documented, no one interested in the survival of Medieval and Renaissance magic into the modern era should be without a copy of it within easy reach. - Mark Stavish, Director of Studies, Institute for Hermetic Studies, author of, The Path of Alchemy, Freemasonry - Rituals, Symbols and History of the Secret Society, and Between the Gates: Lucid Dreaming, Astral Projection and the Body of Light.

Really!?! Marc Freden,2010-10-14 REALLY!?! is the story of privilege and purgatory . . . and the

road traveled to both. Told as a series of uniquely lampooning and insightful anecdotal observations, Marc Freden quite literally travels the world, as the host of a British television series, to find out just where and who he is in the world. REALLY!?! takes on such lauded institutions as Hollywood, Catholicism, the British Monarchy and fame while exploring Freden's personal vulnerability in dealing with homosexuality, depression, molestation and relationships. It's written with his unique blend of raw, self-deprecating humor and honesty—the same winning combination that made him a true international television personality.
