📖 Dead Girl Found Giles Ekins,2022-03-04 When 19-year-old Julia Jarrett accuses her father Donald of abuse, their relatives and friends are outraged. The problem is, Julia died some months ago from a heroin overdose. Her mother Janet is convinced that the accusing voice, heard during a spiritualist meeting, is that of her daughter. When Donald and Janet are both found dead, DCI Grace Swan is called in to investigate. But she has problems of her own; still grieving the sudden death of her partner and at odds with her superiors. Dead Girl Found is a gripping murder mystery, told from alternating viewpoints. But which side holds the truth? This book contains graphic sex and violence, and is not suitable for readers under the age of 18.

📖 We Bury Our Dead Well Rachael Webb,2022-11-28 We Bury Our Dead Well By: Rachael Webb The very element that binds us to humanity is being used to divide us. Our emotions do not make us unique; they make us human. It is how you got there and what you do once you leave the particular events of your life, this is where your uniqueness comes from. Let's start loving our living with a cup of grace and the emotional bonds of humanity. Follow two public servants who leave it all on the field to help others only to be left destitute and in peril due to the actions of others. Discover how important a support network is as you embrace individuals in a parallel world and discover how we as individuals help to kill each other every day in our actions and our words. In a world where materialist items are valued over human life, let's come back to humanity and start taking care of each other. Validation is your only requirement. It is not for you to judge good or bad. Let's see each other for the possibility, not the trials that we are currently facing alone.

📖 War Diamonds Chrissy Alexandra,2019-02-13 The tragedies and violations of war bring Cara, Dani and Alex to cross paths as they escape from the atrocities and carnage in Beirut. The hand of destiny brings the three together, and an unbreakable bond is forged between them. Together they embark on a journey through Europe, leaving behind them the horrors of war and bloodshed, taking with them the stolen 'War Diamonds'. They are constantly in fear of their lives and of their past catching up with them. Danger and sometimes terror cross their paths as they narrowly escape death on their quest for a new beginning and a better life.

📖 The Dead Don't Boogie Douglas Skelton,2022-01-01 "Absolutely brilliant. A quick-witted and vastly entertaining novel that takes Douglas Skelton into the crime fiction big league." Alex Gray "If you like your humour black and your detective novels hard boiled, The Dead Don't Boogie is a cut above the rest." Theresa Talbot "A white-knuckle, wisecracking thriller." Caro Ramsay A missing teenage girl should be an easy job for Dominic Queste - after all, finding lost souls is what he does best. But sometimes it's better if those souls stay lost. Jenny Deavers is trouble, especially for an ex-cokehead like Queste. Some truly nasty characters are very keen indeed to get to Jenny, and will stop at nothing... including murder. As the bodies pile up, Queste has to use all his street smarts both to protect Jenny and to find out just who wants her dead. The trail leads him to a vicious world of brutal gangsters, merciless hitmen, dark family secrets and an insatiable lust for power in the highest echelons of politics.

📖 The Lonesome Dead Ambrose Ibsen,2018-10-25 Beware the spirits of Lake Manuxet... "Don't look out towards Knob Island at night." That was the warning Douglas' grandfather gave him as a boy. Returning to the shores of Lake Manuxet as a grown man, with his twin sister and their ailing grandmother in tow for a final, nostalgic visit, Douglas begins to experience frightful things in his cherished childhood vacation spot. Just what is it that claws its way out of the lake each night, only to approach their cabin? What mysteries does the remote lake hold? Are the horrors Douglas experiences genuine, or is he simply inheriting the madness that seems to run in his family? What is the true nature of the cryptic warning his grandfather gave him so many years ago about the small island at the center of Lake Manuxet? What begins as a sentimental pilgrimage to a once-enjoyable vacation spot rapidly deteriorates into a fight for survival and sanity.

📖 Dead Catch T.F. Muir,2019-02-07 When Joe Christie's fishing boat is swept onto Tentsmuir beach during a fierce storm, a man's mutilated body is found in the hold. DCI Andy Gilchrist of St Andrews CID is called in to investigate. But his murder investigation deepens when he learns that Joe Christie and his boat have been missing for three years. The police pathologist, Dr Rebecca Cooper, retrieves a five pound note from the dead man's throat. Is this the killer's calling card? And whatever happened to Joe Christie? Cooper offers Gilchrist a clue to the dead man's identity - a scar from a recent operation to repair a bone shattered by a bullet. The dead man is found to have been on the payroll of Big Jock Shepherd, Scotland's premier crime patriarch, and when three more of Shepherd's men turn up brutally murdered, Gilchrist fears a tectonic shift in the criminal underworld. Gilchrist and his partner, DS Jessie Janes, set off along a murderous trail where they uncover a plot involving drug shipments and police corruption, and come face to face with a man for whom human life means nothing. Praise for T.F. Muir: 'Rebus did it for Edinburgh. Laidlaw did it for Glasgow. Gilchrist might just be the bloke to put St Andrews on the crime fiction map.' Daily Record 'A truly gripping read, with all the makings of a classic series.' Mick Herron 'Gripping and grisly, with plenty of twists and turns that race along with black humour.' Craig Robertson 'DCI Gilchrist gets under your skin. Though, determined, and a bit vulnerable, this character will stay with you long after the last page.' Anna Smith 'Gripping!' The first instalment of a gripping new thriller series set in Chicago and featuring a young sibling sleuth-duo and their working dogs. Siblings Cory and Crystal Pratt are still trying to get their lives together after a tragic accident which killed their parents years ago. The only thing that distracts them now is their jobs. With Crystal working as a newly minted detective at the Chicago Police Department and Cory owning a dog training academy with two human remains detection dogs of his own, their professional paths cross every now and then. Crime, and especially murder, in Chicago is nothing new, but when a string of killings happen that seem to be connected to a Netflix docuseries and its cast and crew, Cory and Crystal are called in to stop the number of bodies from piling any higher. 📖 Walking On Water Tim Seeber,2023-12-11 Faith is more than a series of facts or answers. It is a gift that touches each and every part of our lives. A school bus, bird feeder, or even a beagle can become an opportunity for clarity about God's presence in the ordinary. As he did in his first book Life Crossings, Seeber takes normal moments of life such as trash, parakeets, or a broken wood carving to unwrap the practical nature and power of faith. Surprises and disappointments can become wonderful moments to feel God's presence in practical ways. Seeber's insightful use of such moments encourages his readers to take advantage of similar opportunities in their own lives of faith.

📖 The Billion Dollar Spy David E. Hoffman,2016-05-10 NATIONAL BESTSELLER • A Washington Post Notable Book of the Year • Drawing on previously classified CIA documents and on interviews with firsthand participants, The Billion Dollar Spy is a brilliant feat of reporting and a riveting true story of intrigue in the final years of the Cold War. It was the height of the Cold War, and a dangerous time to be stationed in the Soviet Union. One evening, while the chief of the CIA's Moscow station was filling his gas tank, a stranger approached and dropped a note into the car. The chief, suspicious of a KGB trap, ignored the overture. But the man had made up his mind. His attempts to establish contact with the CIA would be rebuffed four times before he thrust upon them an envelope whose contents would stun U.S. intelligence. In the years that followed, that man, Adolf Tolkachev, became one of the most valuable spies ever for the U.S. But these activities posed an enormous personal threat to Tolkachev and his American handlers. They had clandestine meetings in parks and on street corners, and used spy cameras, props, and private codes, eluding the ever-present KGB in its own backyard—until a shocking betrayal put them all at risk.

📖 Where Phantoms Tread Paul John Hausleben,2023-04-22 Murder Mystery! Detective Series! Crime-drama and who-done-it? Homicide Detective Lyle Odell is Mohawk City, New York's finest homicide detective. He also is the old city's only homicide detective. He chain-smokes cigarettes, and his diet consists of pizza, black coffee, and too much Irish whiskey. Odell is disheveled, eccentric, and absentminded. Often, he is teetering and tottering on his drunkenness while being haunted by his enemies and by the horror of homicide. Despite his flaws, Odell is a super-genius. Beyond brilliant. Odell is a modern-day Sherlock Holmes that does not miss a trick. His enemies dismiss him as a has-been—an alcoholic shadow of his former self. That is their second mistake. Their first mistake is committing what seems to be the perfect crime in Odell's city. A city where Odell treads along with the phantoms. In gritty Mohawk City in upstate New York, there has been yet another death. A wealthy and beautiful young socialite from one of the richest families in Mohawk City turns up dead on a weekday night in a hotel room in the fanciest hotel in the old city. It seems as if she is the victim of her hard partying-lifestyle and her promiscuous and risky past and present. Outwardly, her sad passing is a cut and dry case of mixing drugs and alcohol . . . a terrible tragedy. Adding to the tragedy and the intrigue, the young woman works in Washington D.C. for the popular federal senator from New York. A senator who is a rising star in politics with his goals set upon the White House. Yet, is it a cut and dry? Or is there more to it? Homicide Detective Lyle Odell knows all too well the horrors of Mohawk City, and he knows how and why it earned the nickname of "Sin City." The phantoms of crime, evil, and death haunt
