Blood Promise Tonya Kerrigan, 2016-10-01 Sacrifice. Vengeance. Murder. Tora Hayden fears she's lost her mind. She's a psych major, and as far as she's concerned, the paranormal doesn't exist. But when she meets a gorgeous stranger who spins a tale of being tasked as her guardian by her deceased great-grandmother, she's not sure what to believe. She's still skeptical even when he confirms traumatic events that happened to her while in foster care and proves he can move faster than the eye can see. After she barely survives a brutal attack by a homicidal fiend with sharp claws and big teeth, she believes the supernatural world exists after all. When the psychotic killer strikes again, she's horrified to discover she's victim number three on a list of who the murderous beast wants dead. When Tora is given the option to ally with a devious daemon in order to stop the murderous beast in its tracks, she battles with the choice to sacrifice herself by giving the daemon a blood promise, or not having the daemon's help and allowing her loved ones to die. How far will she go to keep herself and those close to her alive? Get your copy today to find out why no one should ever make a deal with a daemon. If you enjoy spicy stories in an urban fantasy setting with supernatural creatures, mystery, and intrigue, then this is the book for you! Blood Promise also includes fight scenes, a battle, romantic elements, light horror, and lots of sarcastic humor.

But they also make it vulnerable... When the obituary of legendary computer game architect Matthew Sobol appears online, a previously dormant daemon activates, initiating a chain of events that begins to

unravel our interconnected world. This daemon reads news headlines, recruits human followers, and orders assassinations. With Sobol's secrets buried with him, and as new layers of his daemon are unleashed, it's up to Detective Peter Sebeck to stop a self-replicating virtual killer before it achieves its ultimate purpose—one that goes far beyond anything Sebeck could have imagined...
