C Street Jeff Sharlet,2010 'A gripping political thriller, a masterpiece of investigative journalism' Peter Manseau, author of Rag and Bone The secretive Christian fundamentalist group known as 'The Family' is leading a new crusade for 'God-led government'.Jeff Sharlet, authorThe Family (more than 100,000 copies sold worldwide), is the only journalist to have reported from inside the organisation. The Family garnered intense media coverage in 2009 when their townhouse on Washington's C Street was central to three Republican sex scandals. Now Sharlet uncovers the covert efforts of C Street to transform the very fabric of Western democracy, with the Family, steeped in the influence and corruption usually associated with the notorious lobbying industry, fueling political fundamentalism from within government. When Barack Obama took office, headlines declared the age of culture wars over. In C Street, Sharlet show why these conflicts endure and why they matter now-from Uganda, where culture warriors are determined to eradicate homosexuality, to the battle for the soul of America's armed forces. Reporting with exclusive sources and explosive documents, Sharlet reveals the terrifying new front-lines of fundamentalism. PRAISE FOR THE FAMILY 'This expose of the hidden face of Christian fundamentalism is authoritative and alarming.' The Age 'One of the most compelling and brilliantly researched exposes you'll ever read.' Barbara Ehrenreich, author of Smile or Die

Cybersecurity Nuclear Summit in Warrington, UK 2016. Originally, I intended to use some of the same techniques to target a nuclear power plant or someone in a nuclear regulatory capacity. After submitting my original talk idea. Daesh, otherwise known as ISIS, began publicly threatening the European nuclear industry. Due to the threats, we decided it wasn't in anyone's best interest to give a how to target nuclear installations and changed the target instead to the law firm behind the Panama Papers fiasco. The project expanded to include additional targets with mostly a political slant. 2016 was a very tumultuous year in politics. Brexit, Trump, and the rise of the interesting politics and coups in Turkey, Netherlands, Germany, Russia, Bulgaria and the Philippines. It's a lot more fun to learn about a topic in an empowering way. Also, only politicians like politicians. They make a fun target. Learning a new technique is easier when it's fun. I chose targets and case studies which gave me a happy hacker smile.

Theresa May Rosa Prince, 2017-10-03 Twenty days after Britain's dramatic vote to leave the European Union, with the government still reeling from the political aftershock, a new Prime Minister captured Downing Street. Few were more surprised by this unexpected turn of events than Theresa May herself. David Cameron's sudden resignation unleashed a leadership contest like no other – and

saw the showier rivals for his crown fall one by one with dizzying speed. So how did the daughter of an Oxfordshire vicar rise to the top job with such ease? In this fascinating biography, Rosa Prince explores the self-styled unflashy politician whose commitment to public service was instilled in her from childhood. More than a decade after she warned stunned Conservatives of their 'nasty' image, May has become the champion of Middle England and, for the time being, united her riven party. Theresa May: The Enigmatic Prime Minister maps the rise of Britain's second female premier, a woman who had to fight against the odds to become an MP, who remained overlooked and undervalued during much of her time in Parliament, yet who went on to become a formidable Home Secretary and, now, the leader of her country as it faces its greatest challenge since the Second World War.

Claretta R. J. B. Bosworth, 2017-02-21 A master historian illuminates the tumultuous relationship of Il Duce and his young lover Claretta, whose extraordinarily intimate diaries only recently have become available Few deaths are as gruesome and infamous as those of Benito Mussolini, Italy's fascist dictator, and Claretta (or Clara) Petacci, his much-younger lover. Shot dead by Italian partisans after attempting to flee the country in 1945, the couple's bodies were then hanged upside down in Milan's main square in ignominious public display. This provocative book is the first to mine Clara's extensive diaries, family correspondence, and other sources to discover how the last in Mussolini's long line of lovers became his intimate and how she came to her violent fate at his side. R. J. B. Bosworth explores the social climbing of Claretta's family, her naïve and self-interested commitment to fascism, her diary's graphically detailed accounts of sexual life with Mussolini, and much more. Brimful of new and arresting information, the book sheds intimate light not only on an ordinary-extraordinary woman living at the heart of Italy's totalitarian fascist state but also on Mussolini himself.
