Japanese Cinema and Otherness Mika Ko, 2013-05-13 Over the last 20 years, ethnic minority groups have been increasingly featured in Japanese Films. However, the way these groups are presented has not been a subject of investigation. This study examines the representation of so-called Others – foreigners, ethnic minorities, and Okinawans – in Japanese cinema. By combining textual and contextual analysis, this book analyses the narrative and visual style of films of contemporary Japanese cinema in relation to their social and historical context of production and reception. Mika Ko considers the ways in which 'multicultural' sentiments have emerged in contemporary Japanese cinema. In this respect, Japanese films may be seen not simply to have 'reflected' more general trends within Japanese society but to have played an active role in constructing and communicating different versions of multiculturalism. In particular, the book is concerned with how representations of 'otherness' in contemporary Japanese cinema may be identified as reinforcing or subverting dominant discourses of 'Japaneseness'. The author book also illuminates the ways in which Japanese films have engaged in the dramatisation and elaboration of ideas and attitudes surrounding contemporary Japanese nationalism and multiculturalism. By locating contemporary Japanese cinema in a social and political context, *Japanese Cinema and Otherness* makes an original contribution to scholarship on Japanese film study but also to bridging the gap between Japanese studies and film studies.

Summer's Shadow Anna Wilson, 2014-07-03 Her mother's will states that Summer's legal guardian is her uncle Tristan: a man Summer has never even heard of before. Forced to leave her life in London, Summer moves to Tristan's creepy, ancient house in Cornwall. There she is met with indifference from him, open hostility from her cousin, and an aunt who has chosen to leave rather than to tolerate her presence. Soon Summer comes to believe that the house may be haunted. But is it haunted by ghosts, or by the shadows of her family's past? Scared and lonely, Summer begins to spend more and more time in the beautiful sheltered cove she discovers nearby. But she's not alone. A local boy frequents it too. Can Summer find first love and the answers to the mysteries of her new home with this good-looking boy who appears to be too perfect to be true?

The Japanese Cinema Book Hideaki Fujiki, Alastair Phillips, 2020-04-02 The Japanese Cinema Book provides a new and comprehensive survey of one of the world's most fascinating and widely admired filmmaking regions. In terms of its historical coverage, broad thematic approach and the significant international range of its authors, it is the largest and most wide-ranging publication of its kind to date. Ranging from renowned directors such as Akira Kurosawa to neglected popular genres such as the film musical and encompassing topics such as ecology, spectatorship, home-movies, colonial history and relations with Hollywood and Europe, *The Japanese Cinema Book* presents a set of new, and

often surprising, perspectives on Japanese film. With its plural range of interdisciplinary perspectives based on the expertise of established and emerging scholars and critics, The Japanese Cinema Book provides a groundbreaking picture of the different ways in which Japanese cinema may be understood as a local, regional, national, transnational and global phenomenon. The book's innovative structure combines general surveys of a particular historical topic or critical approach with various micro-level case studies. It argues there is no single fixed Japanese cinema, but instead a fluid and varied field of Japanese filmmaking cultures that continue to exist in a dynamic relationship with other cinemas, media and regions. The Japanese Cinema Book is divided into seven inter-related sections: · Theories and Approaches · * Institutions and Industry · * Film Style · * Genre · * Times and Spaces of Representation · * Social Contexts · * Flows and Interactions

Summer never imagined that footloose David could ever become so steadfast—or that she'd be willing to give up everything that had seemed important for something that mattered far more....
