The Wheel of Death Philip Kapleau,2013-05-13 Originally published in 1972, this anthology examines death through the eyes of great Buddhist, Taoist, Hindu and Western masters. Instructions and specific rites are set forth to enable people to guide the mind of the dying through death and the Intermediate stage which follows. The sections of Rebirth and Karma deal succinctly with these complex and often mis-understood doctrines.

Life Is a Wheel Bruce Weber,2015-03-17 Based on his popular series in the New York Times chronicling his cross-country bicycle trip, bestselling author Bruce Weber shares his adventures from his solo ride across the USA. Riding a bicycle across the US is one of those bucket-list goals that many dream about but few achieve. Bestselling author and New York Times reporter Bruce Weber made the trip, solo, over the summer and fall of 2011--at the age of fifty-seven. Expanding upon his popular series published in The New York Times, Life Is a Wheel is the witty and inspiring account of his journey, where he extols the pleasures of cycling and reflects on what happened on his adventure, in the world, in the country, and in his life. The story begins on the Oregon coast with a middle-aged man wondering what he's gotten himself into and ends in triumph on the George Washington Bridge, wondering how soon he might try it again. Part travelogue, part memoir, part paean to the bicycle as a simple and elegant mode of both mobility and self-expression--and part wry and panicky account of a fifty-seven-year-old man's attempt to stave off mortality--Life Is a Wheel is an elegant and entertaining escape for any armchair traveler--

The Zen of Living and Dying Philip Kapleau,1998-04-14 To live life fully and die serenely--surely we all share these goals, so inextricably entwined. Yet a spiritual dimension is too often lacking in the attitudes, circumstances, and rites of death in modern society. Kapleau explores the subject of death and dying on a deeply personal level, interweaving the writings of Western religions with insights from his own Zen practice, and offers practical advice for the dying and their families.

The Wheel of Life and Death Roshi P. Kapleau,

Wheel of Death Patricia Rockwell,2018-12 When Glory Lockhart is prodded into going on a blind date by her friend Connie, no one could have predicted the strange and terrifying turn of events that would take place when her gentleman caller Tom Rankin takes her for a romantic ride on a Ferris wheel at a county fair. But when the wheel returns to the ground, Glory finds Tom dead--shot in the back. Immediately, questions course through Glory's mind--why was Tom killed and who killed him? She had barely met this man, but now she feels connected to him in the most permanent and horrible way possible. As the widow of a former local police officer, Glory's head is soon humming with plans to solve the mystery surrounding this man and his gruesome demise on the wheel of death.

Samsara - The Wheel of Birth, Death and Rebirth Rebecca Harrison,2019-10-30 Along comes a global pandemic coronavirus, COVID-19, and our world is turned upside down. Can the idea of samsara shed any light on all this terrible

suffering, turmoil and change? Are we all travelling around the ever-turning cycle of samsara, being born, dying, then reborn - again, and again, and again? Does our life, the things that happen to us, and our death, have any meaning? What do Hinduism, Buddhism, and samsara tell us about suffering, life and death? Could spiritual dimensions exist or do we live in a purely material universe? What is consciousness and does it die when our bodies die? Are rebirth or reincarnation even possible? Can we have spirituality without religion? What, if anything, might spirituality or religion mean in a turbulent and unpredictable twenty-first century? Do mysticism, psychedelics, science and quantum physics offer clues to any of these questions? Take a journey with the author through the fascinating cultures of Nepal, India, Bali and Cambodia and explore their rich traditions of Hinduism, Buddhism and samsara. Part exploration of spirituality and religion, part travel adventure to places of astonishing diversity, this book will get you thinking about your own beliefs, life and death, and where those might fit in to a bigger picture.
