**The Sheer Curtain** Maria Elena Garza,2016-06-17 This short novel is dedicated to my wonderful family: my children, Cathy, Fernando, Phillip; my grandchildren Jozette, Alaena, Phoenix; and my husband, Max. The novel is especially written for an audience of young readers or adults who choose to have a child's imagination. It was such fun for me to develop the characters and scenes of this mystery. It all starts with a woman's silhouette that appears on the third-floor window of this old Victorian mansion. No one in the town of Sneila has ever seen her except when she stands behind the sheer curtain. The children of the town look forward to Halloween every year. The children together walk down the dirt road to the mansion that sits at the edge of town behind enormously tall trees and a black iron fence. Every Halloween, the children know that, in front of the mansion outside the gate, there will be a mysterious white cauldron filled with magic candies for each child. The candies are in baggies with each child's name written on the front of the baggie. How does she know every child's name? Where does this candy come from? The children agree that the candy is very different, like it's out of this world. These are only two of the mysteries that exist in the town of Sneila. Much mystery lives in the town of Sneila. The number of people in this town never changes. When one person dies, another is born. People who die are not buried. The number 8 appears throughout the town. Sometimes you have to add two digits to find the 8. The infinity symbol appears throughout the novel. Magic turtles surface and communicate with the two main characters, Samantha and Victoria. Flickering lights, hidden doors, basement, baskets, spaceships, magic turtles, mysterious bubbles, candles, and fairies create a magical kingdom. Wrinkles and gray hair are witnesses to times past. The surprise ending is sure to give you goose bumps! Other books from the author include the following: Sleepy Tears Laughing Tears Sleepy Tears Miss You Tears God's Love is Real (poetry book) Friends and Angels (poetry book) The Secret Meeting of the Sworceracs

Deep Sea Fishes demonstrates how these fishes living in extremely harsh conditions metabolize, behave, and evolve.

**This Is Water** Kenyon College,2014-05-22 Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in THIS IS WATER. How does one keep from going through their comfortable, prosperous adult life unconsciously? How do we get ourselves out of the foreground of our thoughts and achieve compassion? The speech captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in The Wall Street Journal and the London Times, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

**A Crack in the Sea** H. M. Bouwman,2017-01-03 An enchanting historical fantasy adventure perfect for fans of Thanhha Lai's Newbery Honor-winning Inside Out and Back Again No one comes to the Second World on purpose. The doorway between worlds opens only when least expected. The Raft King is desperate to change that by finding the doorway that will finally take him and the people of Raftworld back home. To do it, he needs Pip, a young boy with an incredible gift—he can speak to fish; and the Raft King is not above kidnapping to get what he wants. Pip's sister Kinchen, though, is determined to rescue her brother and foil the Raft King's plans. This is but the first of three extraordinary stories that collide on the high seas of the Second World. The second story takes us back to the beginning: Venus and Swimmer are twins captured aboard a slave ship bound for Jamaica in 1781. They save themselves and others from a life of enslavement with a risky, magical plan—one that leads them from the shark-infested waters of the first world to the second. Pip and Kinchen will hear all about them before their own story is said and done. So will Thanh and his sister Sang, who we meet in 1978 on a small boat as they try to escape post-war Vietnam. But after a storm and a pirate attack, they're not sure they'll ever see shore again. What brings these three sets of siblings together on an adventure of a lifetime is a little magic, helpful sea monsters and that very special portal, A Crack in the Sea.
