Hunter's Choice (McCall Mountain) Trent Reedy,2021-03-02 This propulsive adventure takes readers on a first hunt in the American wilderness—and face to face with the choice to kill or not to kill. Twelve-year-old Hunter Higgins has been dreaming about his first hunting trip for as long as he can remember. He’s taken the classes, earned his license, and become one of the best marksmen in his family. Now he’s old enough to join his father, grandfather, and uncle at their cabin for the first weekend of hunting season. There’s only one problem: Hunter isn’t sure he can kill an animal. To make things more complicated, when they arrive at the cabin, his cousin Yumi is there with her friend Annette, who Hunter secretly has a crush on. Anxious about the hunt and the humiliation of possibly failing, Hunter grapples with what it means to have the power of life and death in his hands, and must decide what role he wishes to play in his relationship to nature and to wildlife.

Touching the Wild Joe Hutto,2016-09-20 In Illumination in the Flatwoods, Joe Hutto unveiled the secret lives of wild turkeys to great critical acclaim, which resulted in the Emmy Award–winning PSB documentary My Life as a Turkey. Now Hutto has done it again. Touching the Wild is the enchanting story about one man who has lived with a herd of mule deer in the Rockies for almost seven years. Due to the intense curiosity of one groundbreaking deer, and the resulting introduction to an entire herd, Joe Hutto has been allowed unprecedented access and insight into the minds and behavior of this special animal. Spending every day embedded among the herd, he develops an uncanny connection with the deer, witnessing individual and group dynamics never

before observed and recorded, unveiling just how much we have in common with these delicate beings. Each season brings joy as fawns are born, and heartache as hunters, predators, development, and a pollution all take their toll. The mule deer of the West are in trouble, and Hutto is their most fervent advocate. Touching the Wild is proof that we have so much to learn from wild animals about their world, ourselves, and the fragile planet we share. Full color photos throughout.

Blaze Orange Travis Dewitz,2014-08-27 In Blaze Orange, photographer Travis Dewitz captures the joy, excitement, and camaraderie of deer hunting in Wisconsin. A lone hunter in a tree stand as dawn arrives. A girl and her grandfather scanning a field in the fresh snow. Tired hunters laughing around the evening fire back at camp. These are snapshots of a culture touchstone. With more than 600,000 hunters taking to the fields and woods of the state each year, the whitetail deer season is by far Wisconsin’s largest sporting event. Dewitz documents the hunt and more as he rides along with hunters and a game warden, visits local mom-and-pop stores where hunters gather, and records the industries that operate alongside the deer season—a taxidermist and knife maker, butchers and sausage makers. The result is a stunning and keen-eyed chronicle of one season of the Wisconsin deer hunt.

Life Isn't Always Good... Sometimes It's Crap! Ray E. Murray,2011-07-08 There are millions of choices for a reader to select while browsing in a book store. I hope that the title Life Isn't Always Good . . . Sometimes It's CRAP caught your eye and sparked your interest to leaf through the contents of this book. When the book has been read in its entirety, you will realize that I do not believe Life is Crap. On the contrary, I believe that Life is Good. In the wilderness, Crap can creep in when least expected. At that very moment it can make you feel that Life is Crap. Trapped on a mountain during a lightning storm is one of those moments. Tossed out of a kayak into a raging river alone and paddle less, qualifies as a Life is Crap moment. Driving along on an ATV can go from great to Crap in the blink of an eye. These are

true events that have happened along the way. They are funny, sad, and some of them are blatantly dangerous. If you are planning an outdoor excursion, be aware that there are risks. Prepare yourself as well as possible, and hopefully you have planned out the CRAP.

The Working Poor David K. Shipler,2008-11-12 NATIONAL BESTSELLER • From the author of the Pulitzer Prize–winning Arab and Jew, an intimate portrait unfolds of working American families struggling against insurmountable odds to escape poverty. This is clearly one of those seminal books that every American should read and read now. —The New York Times Book Review As David K. Shipler makes clear in this powerful, humane study, the invisible poor are engaged in the activity most respected in American ideology—hard, honest work. But their version of the American Dream is a nightmare: low-paying, dead-end jobs; the profound failure of government to improve upon decaying housing, health care, and education; the failure of families to break the patterns of child abuse and substance abuse. Shipler exposes the interlocking problems by taking us into the sorrowful, infuriating, courageous lives of the poor—white and black, Asian and Latino, citizens and immigrants. We encounter them every day, for they do jobs essential to the American economy. This impassioned book not only dissects the problems, but makes pointed, informed recommendations for change. It is a book that stands to make a difference.

Work Doesn't Work David K. Shipler,2018-10-02 At the bottom of America's working world, millions live in the shadow of prosperity, in the twilight of poverty and prosperity. Many are trapped for life in a perilous zone of low-wage work that keeps middle-class comforts and necessities forever beyond their reach despite the often long and hard hours they put in at their jobs, as bank tellers, food service employees, copyeditors, car washers and others. In his authoritative study of how our country has consistently and still is failing its working poor with low wages, diminished benefits and rampant instability, bestselling and Pulitzer Prize-winning author David K. Shipler draws on researched facts and scores of personal testimonies to paint a bleak of the short shrift that so many of us, even in a booming economy, are bound by. A Vintage Shorts Selection. An ebook short.
