The Adventures of Alexander Von Humboldt Andrea Wulf, 2019-04-02 A breathtakingly illustrated and brilliantly evocative recounting of Alexander Von Humboldt's five-year expedition in South America—from the author of *Magnificent Rebels* and the New York Times bestseller *The Invention of Nature*. Alexander von Humboldt (1769-1859) was an intrepid explorer and the most famous scientist of his age. His restless life was packed with adventure and discovery, but his most revolutionary idea was a radical vision of nature as a complex and interconnected global force that does not exist for the use of humankind alone. His theories and ideas were profoundly influenced by a five-year exploration of South America. Now Andrea Wulf partners with artist Lillian Melcher to bring this daring expedition to life, complete with excerpts from Humboldt's own diaries, atlases, and publications. She gives us an intimate portrait of the man who predicted human-induced climate change, fashioned poetic narrative out of scientific observation, and influenced iconic figures such as Simón Bolívar, Thomas Jefferson, Charles Darwin, and John Muir. This gorgeous account of the expedition not only shows how Humboldt honed his groundbreaking understanding of the natural world but also illuminates the man and his passion

Seyfert, 2024-05-03 William Thiele is remembered today as the father of the sound film operetta with seminal classics such as *Drei von der Tankstelle* (1930). While often considered among the most accomplished directors of Late Weimar cinema, as an Austrian Jew he was vilified during the onset of the Nazi regime in 1933 and fled to the United States where he continued making films until the end of his career in 1960. *Enchanted by Cinema* closely examines the European musical film pioneer's work and his cross-cultural perspective across forty years of filmography in Berlin and Hollywood to account for his popularity while discussing issues of ethnicity, exile, comedy, music, gender, and race.

Her DNA provider Alvin Butch Hung is in prison and so is his father. Willie and Spike make their way home after their trip to Canada, although delayed by a small series of events, they arrive back at the Canyon just in time for Christmas. The celebrations are soon brought to a halt however by the arrival of a stranger requesting their help and they head back down into the Canyon battling the icy conditions to assist with a life or death situation. It is not long before there is a double jail break and Fanny is out. Where is she? and what is she doing? This time she has a new member in her team who is just as strong and evil as she is, and revenge is what they are out for, but why? Back at the Canyon house however there is so much going on that Jane is finding it a challenge, new characters have arrived and made it their home, some of them are very strong in personality and a few clashes and uprisings take place. Willie takes Spike on a river running trip along the Colorado to give him a thrill and to meet up with their Canyon floor friends again, after a few days of fun and adventure they get news from the rim that Fanny has been spotted, has caused a great deal of trouble at Tombstone and is now on the run again. It is up to Willie to go to Tombstone and make amends to the good folk of the town and show them that not all biscuits are bad. Of course nothing ever goes smoothly or without some sort of event. Billy Whiskers' Adventures Montgomery, Frances Trego,2017-05-25 A favorite of children since the early 20th century, here are the escapades of that mischievous goat, Billy Whiskers. This is a book that children never tire of reading or hearing! All the original familiar illustrations by WH Fry are included: 3 color plates, 21 black-and-white drawings. Frances Trego Montgomery said that she got the ideas for her books by inviting groups of children to her house "between dinner and their bed time." Together they would spin yarns and develop stories. Her book, *The Wonderful Electric Elephant* (1903), is considered the first science fiction novel for children.
