Pirate Curse Kai Meyer, 2007-04-10 The pirates of the Caribbean have a name for kids who can walk on water -- they call them polliwogs. As far as 14-year-old Jolly knows, she's the last polliwog still alive. She is valuable to the pirate captain who raised her, for she can sneak up on an enemy ship by walking over the waves. When someone sets a trap for Jolly's ship, Jolly alone escapes. She is washed up on a tiny island inhabited by a farming family -- and the ghosts who labor for them. The farmers have a son, Munk, who has been raised almost in hiding. Munk longs to go to sea, but his parents say that they are afraid of pirates, and they have forbidden Munk to reveal his true identity -- he, too, is a polliwog. But pirates are not the only threat in the Caribbean. Evil forces are stirring, and a demon from the sea attacks and murders Munk's parents. Was the demon really after Munk? And Jolly, too? Why are the polliwogs so valuable, and who wants them enough to kill for them? Jolly and Munk must sail with a strange crew of outcasts, led by the mysterious Ghost Trader, to avenge their loved ones and try to stop an ancient, malevolent force known as the Maelstrom. What it will cost both teens, no one can tell -- in this thrilling, swashbuckling fantasy from the extraordinary Kai Meyer.

Another Damned Darling Myka Bound, 2023-08-11 Torn out of my world, captured by a pirate, and fighting for my life was not how I planned on spending my week. Never Darling! grew up believing my great-grandmother's tales were mostly fiction. Sure, a few scraps were true, but those dark pieces didn't make it into the pretty fantasy the rest of the world knows. I don't have time for fantasy. Not when I have bills to pay and a teenage brother to get through his last year of high school. Until he goes missing, and I wind up trapped on a pirate ship in an enchanted realm. Everything I thought I knew about Wendy's stories was wrong. Including Pan, who is less of a flying boy and more of a soul-stealing demon that has made my brother his next target. I'll burn this realm to the ground before I let that happen. But first, I have to figure out how to get off this damned ship and away from the infuriating pirate who's holding me captive. Hook Keep the demon trapped on the cursed island. That has been my mission - my sentence - for millennia. So, when I receive word the creature's devious shadow has lured another human boy to my world, it's all hands on deck to find him before the demon does what it does best. There is one unexpected hurdle, however. A woman. A mouthy, stubborn,

dangerously tempting woman who ruffles my immortal feathers. And that's before I discover who she really is...At best, she's a distraction.At worst, she's a DarlingEither way, I'm in trouble.- - - -Another Damned Darling is a spicy and twisted tale featuring a strong, foul-mouthed heroine and a broody pirate captain. This is an enemies-to-lovers story, intended for readers 18+. It's the first of a series and ends on a cliffhanger.

The Pirate's Curse Betsey Kulakowski,2023-05-16 Lauren Grayson has investigated Bigfoot, the Mayan apocalypse, even UFOs. But she never expected to find herself at the mercy of pirates... When the Oceanic Channel's newest research vessel, the Explorer of the Deep, goes missing on its maiden voyage to the Bermuda Triangle, television investigator Dr. Lauren Grayson and the Veritas Codex Crew are asked to investigate. Paired with oceanographer Trevor Thorpe and his crew from sister-show Expedition: Nautilus, they set off to find the network's missing million-dollar ship. Soon after they embark, a mysterious storm descends and the Nautilus is fired upon by what appears to be a seventeenth-century pirate ship. Lauren is taken prisoner by the infamous Captain James Jackdaw Childers—who looks disturbingly like her husband. But there couldn't be any connection between this wicked monster and her husband. Right? Lauren learns that the ship and its crew have been damned by powerful forces that blame Childers for the abduction of a beloved mermaid—and want revenge.

Can Lauren survive the pirate's curse? Or will she be lost in the Bermuda Triangle forever? "In the sixth book of the Veritas Codex series, *The Pirates Curse*, author Betsey Kulakowski takes her readers and her characters to times and places they have never been before. The perils of time travel have never been so vivid or fraught with consequences. Even the nicest gods have a limited amount of patience with humans infringing in their domain, and the other kind can be downright nasty. Find a safe place to cuddle up and read this fascinating and frightening adventure. I might even suggest a cup of hot tea to complete the experience— with or without brandy." Rick Ludwig, author of *Eyes of the Beholder* "The Pirate's Curse is a thoroughly enjoyable addition to the Veritas Code series. I have enjoyed reading each book in the series, and the author does a wonderful job of building on previous stories without the repetitive retelling of the series' story arcs. Lauren and Rowan Pierce's family continues to grow, and with it, each member plays a part in their next adventure. And if you like pirate stories, this is a nice one with plenty of twists and turns, plus the protagonists must take significant risks to come back together as a family—great story, a great author, and highly recommended. I'm looking forward to the next." Mark Edward Jones, author of *Peculiar Activities and Shadowed Souls*
