The Unlikeable Demon Hunter: A Devilishly Funny Urban Fantasy Romance

Deborah Wilde, 2017-04-18 Enjoy this urban fantasy series by best-selling author Deborah Wilde. Featuring a snarky heroine, kickass action, and spicy romance, this hilarious adventure sucker-punches you in the heart when you're not looking. The mission: kill demons. The catch: infuriating hot guy. The challenge: don't get the two confused. When Nava Katz half-drunkenly interrupts her twin brother's induction ceremony into a secret supernatural society, she doesn't expect to accidentally torch his life-long dream and steal his destiny. Horrified she's now expected to take his place, Nava is faced with the one thing she swore off forever: a purpose. The all-male squad isn't cool with a woman in their ranks and assigns her to Rohan Mitra: former rock star and their most ruthless hunter. He may be the perfect bad boy fling with no strings attached, but what happens when he won't let her run—not even from herself? That might prove as dangerous as defeating the vengeful demon out for her brother's blood. Odds of her new teammates expecting her to fail? Best not to think about that. Odds of her succeeding out of spite? Dive into this complete urban fantasy series and find out. This sexy, funny, paranormal series is perfect for fans of Kate Daniels, The Hollows, Elemental Assassin, Arcadia Bell, Imp Series, Crossbreed Series, Midnight Empire, and the Guild Codex. "Don't buy it if your offended by bad language, immoral behavior, lose ethics, sassy attitude, hot guys ... cuz it does it all - and its GREAT!!!" She's like Buffy from the wrong side of the tracks. And that's okay with me. - Heroes and Heartbreakers ...a fun, funny, and unapologetically raunchy new urban fantasy series... a clever guilty pleasure at its best. - Fine Print Maybe you don't read romance. Maybe you don't read urban fantasy. Whatever. This book is the wittiest, smartest, most fun novel I've read in a long time. - T. Lush, Reviewer

The Demon Hunter Kevin Emerson, 2014-08-26 It's scary to know the fate of the world lies in your hands—but even scarier to learn that it might be in your brother's. It's the last night of summer and Oliver is hoping to have some fun with his two best friends. Once school starts, he'll be one step closer to receiving his demon . . . and fulfilling the prophecy to open the Nexia Gate. Meanwhile, a series of gruesome animal attacks on humans has threatened to expose the vampire world. The evidence points to Oliver's brother, Bane, who has recently acquired Occupying power—the ability to inhabit animals. Yet Oliver, Emalie, and Dean suspect something else is going on—a sinister plot that involves Oliver's destiny, and possibly the mystery surrounding his human parents. Bane may hold the key to Oliver uncovering his past and changing his future—if the Half-Light Consortium doesn't get to him first.

Demon Hunter's Handbook Abelard Van Helsing, Otto Van Helsing, Steve Bryant, 2006 This is the legacy of Demon Hunter Abelard Van Helsing. It contains the wisdom of a lifetime's fight against the forces of Evil. With no apprentice, Van Helsing hid this book in the hope it would be found by one who could take up his cause. These are the manic scribblings from one who knows that death is at his shoulder. With this knowledge the world can be saved from darkness. Learn about the Hunter's weapons, recognize disguised demons and free curs'd souls. But beware, the path is treacherous. Will you inherit the mantle of the Demon Hunter?

Demon Hunter Fore! Scott Juris, 2005-06 Returning to Mordith, the Demon Hunter Gabrielle had only planned a short rest and to see what the Vampire king Kendrik has been up to. However, those plans are cast aside when she is asked by Kendrik to undertake a voyage to a far away land and discover the fate of several ships and their crews sent to the same land years before. With her Hell spawn servants, the Demon Hunter journeys to the new land and is purposely shipwrecked by the inhabitants of the land. As she recovers from a near drowning, she finds the people she is with are not the same people who stranded her and the ship's crew on this unknown land. What she soon

discovers is beyond her wildest imagination, when she meets the true ruler of the land. When she explains the situation to him, he is ready to punish those who are abusing the trust of his children. But with the aid of the Demon Hunter they hatch a plan to stop the bad guys. There is only one small matter left to be dealt with after that, getting home.

The Fell Matthew Thrush, Adam Dark, 2019-04-11 From the bestselling authors comes the third installment in the Demon Hunter series. What happens when your demon-hunting skills get noticed by the world's oldest, most efficiently hidden secret society? Ben Robinson has no idea, and it's driving him nuts. When the anonymous benefactor who's been sending Ben and his friends packaged artifacts invites them to a meet and greet, he reveals the secret society that's been watching them kick demon butt for months. It shouldn't be possible, but this ancient league already knows about Ian's undead spirit cohabiting in Ben's body, which makes Ben a commodity they will do anything to bring into their ranks. On top of all this, things with April haven't gotten that much friendlier, Peter's getting way too sensitive about secrets, and Ben has to literally blackmail Chase just to keep him from ... well, being himself. Plus, this secret society has made them an offer they can't refuse, but Ben's not quite sure his conscience will let him accept. Demon Hunter Series Simon Says (Book 0) Knock Knock (Book .5) Chosen (Book 1) Born Again (Book 2) The Fell (Book 3)

Demon Hunter Terry Spear, 2018-01-22 Hunter is half a Matusa demon, determined to help his human-raised demon friends return to the demon world to find their families. And to help Alana learn a way to keep portals from pulling her to them, and getting herself into all kinds of trouble. Not that she can't handle some of the trouble on her own. She's a half demon too, and half witch. Jared is looking for his parents. Celeste is looking for hers. Samson is there to protect Alana, though Hunter keeps reminding him Alana is his to protect. It was a simple mission, but nothing for the demon guardians is ever simple. Between dealing with a demon who is organizing demon hunters—who go after Hunter and his friends, a major train wreck, and all sorts of havoc, it's no wonder the demon gate guardians end up calling in reinforcements this time. As long as Hunter can get Alana to agree to be his mate, he can save the world. Alana will never give up her hot demon, but she believes he should work a little harder to prove he is the one for her. And he's not going to give up trying to convince her either. But they still have one little problem: staying alive long enough to do it.

Demon Hunter Me Three Scott Juris, 2004-06 Having recently returned to the Hunters Legion, the Demon Hunter Gabrielle is soon to return to her duties. Events soon delay, then accelerate her doing so, when news arrives that a village has been destroyed and a Dragon may be to blame. All eyes turn to the Dragon who has allied himself with Kendrik, the Vampire King. But only the Demon Hunter believes the Dragon, who she has come to know, was not responsible. Things go from bad to worse with the arrival of elves, who have come to kill the Dragon for destroying an elfin town and army. But things are worse still, when the Dragon finally hears of all this, and takes off in search of the Dragon who has invaded his territory. The elfin army, still out for revenge, goes after the Dragon. The Demon Hunter enters the fray to keep things from getting any worse. But when the Dragon finds the other Dragon, and the elfin army catches up, another player joins the party. An old foe and one time ally of the Demon Hunter, this new member reveals something that catches everyone by surprise. Leaving the Demon Hunter to take charge, in ways only she can.

The Unlikeable Demon Hunter: Fall: A Devilishly Funny Urban Fantasy Romance Deborah Wilde, 2018-08-27 Enjoy this urban fantasy series by best-selling author Deborah Wilde. Featuring a snarky heroine, kickass action, and spicy romance, this hilarious adventure sucker-punches you in the heart when you're not looking. Playtime's over. With the Brotherhood and certain witches gunning for Nava, people are taking bets on who will kill her first. Not to

mention that the shambles of her relationship have just been thrust into the spotlight for a mission to take down one of the deadliest demons she's faced yet. A demon who'll force her and Rohan to confront their own inner demons once and for all. Nava heads to Los Angeles to make her bold play-on all fronts-but can she stop her foes before they destroy her for good? And who else will have to die? Go big or go home, baby. This sexy, funny, paranormal series is perfect for fans of Kate Daniels, The Hollows, Elemental Assassin, Arcadia Bell, Imp Series, Crossbreed Series, Midnight Empire, and the Guild Codex. Binge this complete series now! There's so much depth in how Deborah Wilde writes not just Nava, but in all of the characters and it's a pleasure to read each of the books, like greeting old friends and you can see how they've changed and grown over the course of the series so far. - Milli

Demon Hunters 4: Premonition Avril Sabine, 2016-04-16 Genre: Young Adult Urban Fantasy/Horror (with elements of romance). Word Count: 52092 Emily Hunter has had the same dream every night for the past six months, one that made her quit being a demon hunter. It's a nightmare she wishes never to have again. When she finally dreams of something else, it doesn't help, only has her fearing for her sanity and her life. To survive, she needs to face all she's tried to avoid. If she fails it'll mean not only her life is over, but also the life of a boy from her dreams. She knows only too well that when demons are involved, nightmares can come true. This story was written by an Australian author using Australian spelling. Keywords: teen/young adult, horror, demons, hell, contemporary sword fighting, romance, strong female character, Queensland Australia setting, occult and religious references and themes, psychic.

A Shadowed Beginning Alice J. Black, 2017-11-14

Demon Hunter Too Scott Juris, 2004 The fate of the Demon Hunter Gabrielle has finally been decided. This time however, it has nothing to do with Kendrik, the Vampire king of Mordith. For her loyal service, and dedication to her duty, she is being expelled from the Hunters League, all because of her two loyal Hell spawn servants. Only a miracle, or something equally large, will allow her to remain a Hunter. Setting out for what is likely to be her last time as a Hunter, she is handed just the miracle she needs, as something equally large, in the form of a dragon, finds her. She makes a deal with the dragon, that only a fool would make, after the dragon reveals a secret which few are privy to. Before she can make use of the miracle handed her, she first has to recover the dragon's stolen gold, and recruits two unlikely and unwilling volunteers, one a thief, the other a witch. As the Demon Hunter's story continues, and she makes both friends and enemies, the only thing she can count on are her loyal servants, and that things are not always as they appear.

The Demon Hunter Saga Cynthia Vespia, 2017-01-31 Three complete novels in an exclusive hardcover edition. The acclaimed fantasy series comes together in one epic saga. What happens when the life you thought you knew turns out to be a lie? This is the tale of the heroes journey where a man finds out he is fated to be the next great hunter of demons to save all of human kind...whether he wants to or not. The story of a nobody who becomes a somebody in the bloodiest of ways! Follow Costa Calabrese as he begins his journey as demon hunter in *The Chosen One*; with his companions Talisa and Paralay as they take on the high seas in *Seek & Destroy*; and as Costa uncovers the truth about his past in *Heroes Call*. A classic adventure tale that weaves together a tapestry of fantasy, horror, romance and more!

John Sinclair: Demon Hunter Volume 5 (English Edition) Jason Dark, 2021-12-29 Demon hunting might be dangerous work, but it comes with travel benefits! John Sinclair and Suko travel to Greece in pursuit of a mysterious magician and the secrets of Atlantis! But even the Mediterranean depths are full of threats... Bound by a promise, the gang return to Britain to slay a vampire coven, before taking flight for New York! But with the meter running on a cursed taxi, will Sinclair make it to Romania in time to

prevent Dracula's descendants from rising again - or will a certain Impaler beat him to it?

Demon Hunter Scott Juris, 2003-09 A Hunter's life is not for everyone. Those few who do take up the duty are in for an interesting life, filled with constant travel, boredom, and loneliness; punctuated by moments of sheer terror--terror severe enough to send the strongest of men running for his mommy. That is the way it's supposed to be, but no one told the Demon Hunter Gabrielle, that she would meet a Vampire whose fate she sees. She also finds two wayward female Hell spawn whose service she gains for all of eternity. This is just the beginning of her story, as she deals with thieves, bandits, and drunkard witches, before being drawn into a prophecy that tells of the coming of a great evil, and her part in stopping it. There is just the simple matter of keeping her Hell spawn servants out of trouble, as well as out of the cross hairs of other Hunters. And that Vampire will not leave her mind--she cannot forget what she saw, as she knows what fate that holds for her

Demon Hunter Ate Scott M Juris, 2007-05 Back to her duties, the Demon Hunter Gabrielle certainly doesn't expect to have to jump right in right away, but she does so with both feet when her faithful Hell spawn servants, Blaze and Scarlet, are accused of burning an Inn to the ground. However, after they are cleared, the Demon Hunter cannot help but investigate the fire on her own and in doing so encounters a minor mystery, a Shadowy messenger, and captures the real culprit in the fire. It doesn't end there, as the minor mystery becomes a major problem for the Demon Hunter and her servants, while the Shadowy messenger has friends who become increasingly dangerous as they grow in numbers, when the Demon Hunter looks into the what happened to the Pirate Queen and her crew.

Demon Hunter Vee Eye Scott Juris, 2006 They are the most feared, reviled, despised, hated creatures in all the world, and those are their good points. But they aren't the Demon Hunter Gabrielle's Hell spawn servants, just their pet Gremlin. When the Girls, Blaze and Scarlet, begin to miss the baby dragons they cared for, and more so after taking care of a Demon Dog, the Demon Hunter reluctantly, very reluctantly, agrees to permit them to have a Gremlin for a pet. But with so little known about them, except for the fact that outside of nature, Gremlin are the most destructive force there is, the Demon Hunter is understandably concerned. Yet, as the Girls tend their pet while they ride and the Demon Hunter performs her duties, Gabrielle is beginning to think there is much more the Gremlin. Something that may be far worse.

Demon Hunter a Handful Scott Juris, 2005-10 If one dragon is a handful, imagine the trouble dealing with twelve dragons! That is the situation that befalls the Demon Hunter, Gabrielle, when the mother Dragon seemingly and without explanation abandons her eggs, that are on the verge of hatching. When they do hatch, the baby dragons believe Gabrielle is their mother. Now being a single mother to baby dragons is a daunting task, even with the aid of her faithful Hell spawn servants, and that is before the baby dragons even learn to fly and breathe fire. When a great evil threatens the kingdom of Mordith and all the lands beyond, the Demon Hunter must head north to do battle with a dark and powerful foe. The Demon Hunter won't have to face the threat alone--as much as she would prefer otherwise--for in addition to her servants, the baby dragons won't let their mother leave them, even if some or all of them might not be coming back.

John Sinclair: Demon Hunter Volume 1 (English Edition) Gabriel Conroy, 2021-05-21 1977 is a strange year. Things beyond human understanding have begun to surface, threatening the peace and leaving behind an endless trail of blood. When such incidents arise, it is down to Scotland Yard's Special Division and their Demon Hunter in residence, John Sinclair, to set things right. But Sinclair is haunted by demons of his own, ones which rival the dark forces attacking innocents around him. Can he conquer one to vanquish the other?

The Unlikeable Demon Hunter: Need: A Devilishly Funny Urban Fantasy Romance Deborah Wilde, 2017-08-18 Enjoy this urban fantasy series by best-selling author Deborah Wilde. Featuring a snarky heroine, kickass action, and spicy romance, this hilarious adventure sucker-punches you in the heart when you're not looking. Nava Katz has a lot on her plate: Brotherhood: unmask. Demons: slaughter. Guy problems: terminate with extreme prejudice. Nava is hot on the heels of a demonic serial killer and finally working with her brother. The assignment should be a dream come true, not a nightmarish power struggle made worse by her twin's refusal to believe there's corruption within the Brotherhood. She's determined to find proof of their dirty dealings, even as she risks irrefutably breaking her sibling bond. And speaking of clocking annoying males upside the head... Nava is also totally over smoking hot rock star and fellow hunter Rohan Mitra. There is a veritable buffet of boy options out there, and this girl is now all-you-can-eat. So when her demon hunt brings her first love, Cole, back into her life, her revenge fantasies for closure—on all fronts—are a go. Except neither her old wounds nor her new ones are as healed as she believes. It's less Hopelessly Devoted, more Worse Things I Could Do. This sexy, funny, paranormal series is perfect for fans of Kate Daniels, The Hollows, Elemental Assassin, Arcadia Bell, Imp Series, Crossbreed Series, Midnight Empire, and the Guild Codex. Binge this complete series now! "This series is one of the most fun to read. All because of Deb's writing style, her fast wit and - let's face it - her overdeveloped imagination. I'll read anything she'll write..." - Eleanor, The Book Hammock "Sprinkled with pop culture/music/you name it references, witty banter, dry and hilarious narrative, realistic situations that make it actually feel plausible that demons do exist, and ohmahgawd chemistry and steam and swoons. In a market saturated with all different kinds of PNR flavours, these definitely stand out." - HJ

Scythe Tommy Davis, 2013-10 Enter a medieval world where the demons of Hell stalk the earth in grotesque fleshly form. They are here to wreak havoc on the world of men, but a secret Order has formed to oppose them. These demon hunters are tracking down the hellions and, one by one, with daring skill and sharpened blades they are dispatching the damned-ones back to the Pit of Darkness. Named after the weapon he uses to deadly affect, the hunter Scythe leads a four-man team of demon slayers known as the Dreadlock. Instead of horses, Scythe and his men ride into battle on the backs of the wildish and brutal Gargoyles. But the Dreadlock is young and unorthodox--refusing to conform to the methods of their fellow huntsmen--which makes them suspect in the eyes of other members of the tradition-bound Order. Each break with tradition casts more suspicion upon the Dreadlock until... Scythe and the Dreadlock are accused of being in league with the very hellions they have sworn to destroy! Betrayal is at hand. Because they fell in love with the same beautiful girl, Scythe finds himself betrayed by he who was once his closest friend but is now Scythe's most dangerous enemy, Arric of the Rock. Now Scythe and his comrades must find a way to clear their names and at the same time deliver a devastating blow to the gathering forces of evil. Swords will be blooded, bones will be severed, fur will fly and the battle cry of Hell will pierce the night as men and demons clash to determine who will emerge the masters of the Holy Ground. Can the reckless courage of the Dreadlock save mankind, or will these young demon hunters themselves be overcome and destroyed by the powers of darkness? Join Scythe and the Dreadlock in this epic struggle of Light and Darkness!

Demon Hunter Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books

and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Demon Hunter PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Demon Hunter PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Demon Hunter free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
