Won't He Do It? God Can Do It Just Like That! Ellis O. Henderson EdD MDiv,2020-10-19 This book is not for everyone. It is important that I say that because there is a notion that we are monolithic and everyone has to agree. This book is for those who know who HE is. I am watching Deon Cole who is an actor on the show Black'ish and a comedian. He was doing his stand up and he was joking about Black folk saying, Won't He do it!. During the show he asked a white attendee who was HE and the boy didn't know. Brilliantly, he explained to the white doy who HE he was and told him to reply appropriately. When Black people hear ``Won't He do it, immediately they reply YES HE WILL!. Cole explained this to the white gentlemen, and spoke into the mic and said, Won't HE do it? and the white man replied YES HE WILL!. The audience laughed and applauded. Therefore, this book is for those who know who HE is. This book is for those who know how to reply, YES HE WILL!. More importantly, this book is for those who want to know who HE is and why is that. HE to many people is God. Not that God has to be a man or masuciline but God as the Ultimate authority. The authority in which Mom would say, Wait until you Daddy gets home. He is that authoritative figure that would make things wrong right. He is a Creator, and the God of the Universe and God of all Gods. Won't HE do it is a phrase born out of the expericince of the African American Church. The African American Church is the parent of the current Church worship and style in America. Enslaved African created their own worship, culture, and fellowship that has stood the test of time.

This Day In Comedy Frank Holder,Darryl Littleton,2019-11-04 On This Day in Comedy is not just an encyclopedia, but a celebration of comedy. In humorous prose the book takes readers through the often-neglected subcultures of comedy in America, acknowledging the inclusiveness of the performers as well as shows and films that made this art form so vital to comics of all backgrounds. It's artistically criminal that a search for Native American or Asian comedy information yields a virtually blank slate. Look for Middle Eastern comics and you'll be provided information on the region's comic book revolution, and search results for Latin comedy are confined to a series of outdated articles. This encyclopedia will offer rare and in some cases never-before-seen photos and obscure facts, making it an indispensable comedy essential.

Black Comedians on Black Comedy Darryl Littleton, 2006 (Applause Books). Black Comedians on Black Comedy is the only up-to-date book to examine African-American humor. Comedian Darryl Littleton traces the history and evolution of black comedy in his narrative and through the 125 interviews he conducted with some of the top African-American comedians in the world. Those interviewed include Dick Gregory, Sinbad, Eddie Murphy, Mike Epps, Cedric the Entertainer, Nick Cannon, Bernie Mac, Eddie Griffin, Damon Wayans, Arsenio Hall, Chris Rock, Marla Gibbs, Robert Townsend, and John Witherspoon.

All Jokes Aside Raymond Lambert, Chris Bournea, 2016-01-12 Chris Rock. Jamie Foxx. Steve Harvey. Dave Chappelle. Some of the biggest names in American entertainment today all appeared at Raymond Lambert's club All Jokes Aside, the legendary Chicago showcase for African-American comedy, early in their careers. This insightful memoir follows up on Lambert's critically acclaimed 2012 Showtime documentary, *Phunny Business*, and tells the story of his life as seen through the lens of All Jokes Aside—its successes, failures, and lessons learned. By the late 1980s, Lambert was earning a six-figure salary as an investment banker on Wall Street, but dreamed of starting his own company. With zero experience, an equally committed partner, and a little borrowed money, he opened All Jokes Aside, and before long was helping to launch some of the biggest names in comedy. This is story of Lambert's journey, a behind-the-scenes look at the world of show business, and an inspiring tale for any would-be entrepreneur. Chock-full of cautionary tales both humorous and dramatic, revealing details on the early careers of top performers, and tangible guidance on how to build a business from the ground up, this book is a much-needed recent history of black entertainment and a powerful memoir of entrepreneurial ups and downs.

The Perfect Amount of Wrong Mike Bridenstine, 2023-09-25 In just over a decade, a tiny, do-it-yourself stand-up scene on the North Side of Chicago produced some of the most successful and influential stand-up comedians of their generation. Hannibal Buress, T.J. Miller, Kyle Kinane, Cameron Esposito, Pete Holmes, Beth Stelling, Matt Braunger and Kumail Nanjiani make up a partial list of names of comics who emerged from a scene that had very little industry attention--or even a home club. It was also a scene that took a backseat to the city's vaunted improv institution, and if we're being completely honest, it was a scene where comics mostly performed to drunks in the backs of dingy bars on their off nights. None of it was glamorous. None of it should have worked at all. But somehow, some way, the comedians from this scene have managed to etch their own names into the Chicago comedy pantheon. *The Perfect Amount of Wrong* is the story of that scene, as told by its veterans.

Seeing Others Michèle Lamont, 2023-09-12 Acclaimed Harvard sociologist makes the case for reexamining what we value to prioritize recognition—the quest for respect—in an age that has been defined by growing inequality and the obsolescence of the American dream. In this capstone work, Michèle Lamont unpacks the power of recognition—rendering others as visible and valued—by drawing on nearly forty years of research and new interviews with young adults, and with cultural icons and change agents who intentionally practice recognition—from Nikole Hannah Jones and Cornel West to Michael Schur and Roxane Gay. She shows how new narratives are essential for everyone to feel respect and assert their dignity. Decades of neoliberalism have negatively impacted our sense of self-worth, up and down the income ladder, just as the American dream has become out of reach for most people. By prioritizing material and professional success, we have judged ourselves and others in terms of self-reliance, competition, and diplomas. The foregrounding of these attributes of the upper-middle class in our values system feeds into the marginalization of workers, people of color, LGBTQIA+ individuals, and minority groups. The solution, Lamont argues, is to shift our focus towards what we have in common while actively working to recognize the diverse ways one can live a life. Building on Lamont's lifetime of expertise and revelatory connections between broad-ranging issues, *Seeing Others* delivers realistic sources of hope: By reducing stigma, we put change within reach. Just as Robert Putnam's *Bowling Alone* did for a previous generation, *Seeing Others* strikes at the heart of our modern struggles and illuminates an inclusive path forward with new ways for understanding our world.

Fifth Ward to Fourth Quarter Delvin Williams, 2022-11-15 After his release from the Green Bay Packers, realizing that his football career was abruptly over, Delvin Williams asked himself some hard

questions: What happened to the game he fell in love with as a kid? What is a retired football player supposed to do? Where did he fit in? Nothing had prepared him for life after football. From his childhood in inner-city Houston and school days at all-Black Kashmere High School, Williams tells the story of a young boy who realized that football filled some of the empty places in his spirit left by an absent father, a poverty-stricken childhood, and the ongoing sting of racism. His determination carried him through a four-year degree at the University of Kansas and, ultimately, an All-Pro career with the San Francisco 49ers and Miami Dolphins. Football afforded him an education and a good living. But it also had an impact on his body and soul beyond anything he could have imagined. In *Fifth Ward to Fourth Quarter: Football's Impact on an NFL Player's Body and Soul*, Delvin Williams brings readers on the long journey from Houston's Fifth Ward to the packed stadiums of the NFL, continuing with his decades-long fight for the compensation due an athlete who sustained injuries on the job. Here, Williams recounts the circumstances that motivated him to meet challenges at every level, exceeding his own expectations, telling the story of a career that produced a head-on collision between a starry-eyed kid from the tough streets of Houston and the industry of football.

Working While Black LaToya T. Brackett, 2021-02-08 In recent years, there has been a rise in diverse racial representation on television. In particular, Black characters have become more actualized and have started extending beyond racial stereotypes. In this collection of essays, the representation of Black characters in professionally defined careers is examined. Commentary is also provided on the portrayal of Black people in relation to stereotypes alongside the importance of Black representation on screen. This work also introduces the idea of Black-collar, a category which highlights the Black experience in white-collar jobs. The essays are divided into six parts based on themes, including profession, and focuses on a select number of Black characters on TV since the 1990s.

Black TV Bethonie Butler, 2023-12-05 With iconic imagery and engrossing text, *Black TV* is the first book of its kind to celebrate the groundbreaking, influential, and often under-appreciated shows centered on Black people and their experiences from the last fifty years. Over the past decade, television has seen an explosion of acclaimed and influential debut storytellers including Issa Rae (*Insecure*), Donald Glover (*Atlanta*), and Michaela Coel (*I May Destroy You*). This golden age of Black television would not be possible without the actors, showrunners, and writers that worked for decades to give voice to the Black experience in America. Written by veteran TV reporter Bethonie Butler, *Black TV* tells the stories behind the pioneering series that led to this moment, celebrating the laughs, the drama, and the performances we've loved over the last fifty years. Beginning with *Julia*, the groundbreaking sitcom that made Diahann Carroll the first Black woman to lead a prime-time network series as something other than a servant, she explores the 1960s and 1970s as an era of unprecedented representation, with shows like *Soul Train*, *Roots*, and *The Jeffersons*. She unpacks the increasingly nuanced comedies of the 1980s from *227* to *A Different World*, and how they paved the way for the '90s Black-sitcom boom that gave us *The Fresh Prince of Bel-Air* and *Living Single*. Butler also looks at the visionary comedians—from Flip Wilson to the Wayans siblings to Dave Chappelle—and connects all these achievements to the latest breakthroughs in television with showrunners like Shonda Rhimes, Ava DuVernay, and Quinta Brunson leading the charge. With dozens of photographs reminding readers of memorable moments and scenes, Butler revisits breakout performances and important guest appearances, delivering some overdue accolades along the way. So, put on your Hillman sweatshirt, make some popcorn, and get ready for a dyn-o-mite retrospective of the most

groundbreaking and entertaining shows in television history.
