**The History of the Bureau of Diplomatic Security of the Us Department of State** Us Department of State,2011-10-03 U.S. Ambassador to Afghanistan Adolph Dubs was commuting from his residence to the U.S. Embassy in Kabul on February 14, 1979, when four men abducted him. A man dressed as a policeman stopped the Ambassador's car and said that he had orders to search it. Aiming a gun at the chauffeur's head, the "policeman" ordered the chauffeur to remain still while he and three men got into the car. At gunpoint, the chauffeur drove to the Kabul Hotel, arriving at about 8:50 a.m. The kidnappers ordered Dubs out of the car and took him to a second floor room. The chauffeur was instructed to go to the U.S. Embassy and inform the Americans of the situation. A large number of Afghan police, military, and fire department personnel quickly surrounded the hotel. Three Foreign Service Officers (FSOs) from the U.S. Embassy arrived, as did four Soviet officials. During the next four hours, U.S. Officials repeatedly urged Afghan officials to exercise restraint to ensure the Ambassador's safety. According to FSOs on site, the four Soviet officials held repeated discussions with Afghan authorities and appeared to serve as advisors. At 12:50 p.m. Afghan forces stormed the second-floor room, and Ambassador Dubs was killed during the ensuing gunfire.The abduction and death of Ambassador Dubs highlighted the importance of diplomatic security and prompted U.S. Department of State officials to reexamine the security measures that they had in place. The United States has always had some form of diplomatic security, yet the threats to U.S. diplomacy and the measures that the Department of State has employed to counter them have changed considerably over time. This history explores how diplomatic security at the Department of State has evolved from the American Revolution to the post- Cold War era.The Bureau of Diplomatic Security (DS) is the security and law enforcement arm of the U.S. Department of State. DS is a world leader in international investigations, threat analysis, cyber security, counterterrorism, security technology, and protection of people, property, and information.The Bureau of Diplomatic Security is responsible for providing a safe and secure environment for the conduct of U.S. foreign policy. Every diplomatic mission in the world operates under a security program designed and maintained by Diplomatic Security. In the United States, Diplomatic Security personnel protect the Secretary of State and high-ranking foreign dignitaries and officials visiting the United States, investigates passport and visa fraud, and conducts personnel security investigations. Operating from a global platform in 25 U.S. cities and 159 foreign countries, DS ensures that America can conduct diplomacy safely and securely. DS plays a vital role in protecting U.S. embassies and personnel overseas, securing critical information systems, investigating passport and visa fraud, and fighting the war on terror.
