Pride Ryan Hills,2020-10-19 Pride: The Inside Story of Derby County in the 21st Century is the

fascinating story of one of Britain's most tumultuous football teams, as told by the people at the heart of the club. Ryan Hills gained exclusive access to almost 50 former players, managers and board members to bring you the Rams' modern history. The move to Pride Park in 1997 was supposed to mark an exciting new chapter for the club. But despite initial success, things started to go wrong. Relegation from the Premier League caused huge financial strife, leading to the arrest of three board members. On the pitch, a single promotion brought the worst season in Derby's history and a 362-day wait for a win. Since that fateful season, the club have been on a cyclical and so far fruitless mission to return to the Premier League, while dressing-room turmoil, car crashes and a man named Bobby have stood in their way. Pride gives you the inside track on a football club that refuses to accept obscurity, as revealed by those who know it best.

The Derby County Programme Guide Andy Ellis,2017-09 Whether you collect stamps, coins, Crown Derby pottery or Lowry paintings the thrill of obtaining a new item drives you on to the next one. The same applies to programme collecting - chasing that last remaining programme from a season, finding a rarity amongst a box of papers or being given a special issue by a relative. The problem is that apart from the league and cup matches how do you know you have a complete set or wasting your time chasing something that doesn't exist. You need a checklist of those programmes that have been issued. This is what this book provides - a season by season listing of all the fixtures since 1940 where programmes have been issued and being a book, it is fully portable. The 2017 edition also contains an illustrated history of the Derby County match programme from the earliest know card through to the re-designed programme in 2017.

We Are the Damned United Phil Rostron, 2011-04-01 Brian Clough's forty-four-day tenure as manager of Leeds United in 1974 is one of the most infamous episodes in British football history. While the bestselling *The Damned United* was a fictional account of Clough's short-lived but controversial reign at the club, *We Are the Damned United* reveals the true story, as told by the players he managed at the time. It includes candid contributions from legendary names such as Peter Lorimer, Eddie Gray and Terry Yorath, who reveal what it was like to make the transition from the relatively smooth management style of Don Revie to a constant crossing of swords with the outspoken Clough, who left the club flailing at the foot of the league upon his premature departure. *We Are the Damned United* tells it how it really was rather than how it might have been.
