American Desi Kitchen Rabail Baig, 2021-07-04 The book *American Desi Kitchen: Bringing Delectable South Asian Fare to American Tables* by Pakistani-American home-chef and author, Rabail Baig, is a collection of recipes local to the South Asian region of North India and Pakistan. A majority of the recipes included in the book date back to the author's childhood and have been passed on for three generations through women-chefs in her family. This book is addressed specially to individuals new to cooking and trying South Asian food. Beginner home-cooks will find the recipes easy to start their South Asian food journey with. What makes the author's recipes unique is the time taken to tweak each recipe in a way that retains all their taste and flavor but requires fewer, more easily acquirable grocery store ingredients and a more simplified method of cooking. While some of the more traditional recipes still require some time and effort to prepare, the remaining can be made quickly and easily. The author believes that food has no boundaries. If anything, it erases them, allowing people to experience flavors from other cultures and places, sitting around their dining tables. This book and the recipes it entails will surely take readers on a flavorful

Hymns from the Soil Vikas Khanna, 2014-11-06 One of Vikas Khanna's favourite places in the world was the garden he and his grandmother planted in their home in Amritsar. It was his very own corner of paradise. Vikas still remembers the thrill of rushing home from school to tend to the aromatic basil, mint, tomatoes and lemons. The garden had a profound effect on the boy who would grow up to become a world-renowned Michelin Star chef. In *Hymns from the Soil: A Vegetarian Saga*, Vikas Khanna writes about the lessons he's learnt from Mother Nature. How the bountiful gifts of changing seasons inspired him to cook; how it taught him to combine flavours and design recipes. Vegetarianism has always been integral to Indian culture and it has become the preferred way of life the world over. In this book, vegetables are the star ingredients. The recipes showcase their natural goodness and hidden complexities. They burst with flavour and colour and retain all their nutritious value. The recipes are flexible, allowing you to substitute the ingredients quite easily, and are guaranteed to put a smile on your face as you prepare these wholesome, comforting meals for all occasions. Vikas brings together traditional time-tested recipes, handed down over generations, and conjures up exciting new ones. There are recipes that will surprise you and those that even children will love. *Hymns of the Soil* will take you back to your roots as you travel down memory lane with Chef Vikas Khanna. It will inspire you and remind you of the joy of cooking-and savouring-the flavours you most cherish.

The Zero-Waste Chef Anne-Marie Bonneau, 2021-04-13 *SHORTLISTED for the 2021 Gourmand World Cookbook Award* *SHORTLISTED for the 2022 Taste Canada Award for Single-Subject Cookbooks* A sustainable lifestyle starts in the kitchen with these use-what-you-have, spend-less-money recipes and tips, from the friendly voice behind @ZeroWasteChef. In her decade of living with as little plastic, food waste, and stuff as possible, Anne-Marie Bonneau, who blogs under the moniker Zero-Waste Chef, has preached that zero-waste is above all an intention, not a hard-and-fast rule. Because, sure, one person eliminating all their waste is great, but thousands of people doing 20 percent better will have a much bigger impact. And you likely already have all the tools you need to begin. In her debut book, Bonneau gives readers the facts to motivate them to do better, the simple (and usually free) fixes to ease them into wasting less, and finally, the recipes and strategies to turn them into self-reliant, money-saving cooks and makers. Rescue a hunk of bread from being sent to the landfill by making Mexican Hot Chocolate Bread Pudding, or revive some sad greens to make a pesto. Save 10 dollars (and the plastic tub) at the supermarket with Yes Whey, You Can Make Ricotta Cheese, then use the cheese in a galette and the leftover whey to make sourdough tortillas. With 75 vegan and vegetarian recipes for cooking with scraps, creating fermented staples, and using up all your groceries before they go bad--including end-of-recipe notes on what to do with your ingredients next--Bonneau lays out an attainable vision for a zero-waste kitchen.

Return to the Warehouse District Richard Segal, 2023-03-20 Return to the Warehouse District is an instalment of rogue avenger's pinball, tales of self-indulgent street art. Come back deaf dumb and blind kid, this is your time. Return to the Warehouse District conveys stories of The Steve and Larry Show, a cerebral band fond of inside jokes also co-founded by Tom, who buys left of center glossy magazines 'for the pictures,' while Larry takes too much time at the supermarket because he shops by the hunt and peck method. The laid back trio of Mugu, Meowmix and their dog Mellow Yellow, but do M&M take the pet out for a walk or does he take them out for a cigarette, given that their contribution to countering the effects of climate change is not smoking in bed? This is not a picaresque novel, but ultimately a battle between good and evil, a conflict between catharsis and retribution, with hopefully one deserving winner.
