

Designer Houses

Don Metz,Catherine Tredway,Kenneth R. Tremblay,Lawrence Von Bamford

21st Century Architecture Designer Houses Mark Cleary,2012 47 designer houses from around the world -- features the latest in contemporary architecture and stylish interior design -- complete with plans and colour photography for each project. This latest addition to IMAGES' 21st Century Architecture series brings together 47 of the world's most stylish contemporary houses from around the world. From Australia and New Zealand, to the Adriatic Coast in Greece, to the rugged mountains of Switzerland; from the suburbs of Japan, to the glittering views from the Hollywood Hills, this diverse selection of modern houses have all been designed by some of the best residential architects working today. Complete with stunning professional colour photography, floor plans and enlightening project descriptions, 21st Century Architecture: DESIGNER HOUSES will be of interest to anyone interested in beautiful houses, those who are looking for inspiration and those who like to dream.

Designs for Living Randy M. Correll,Gary L. Brewer,Grant F. Marani,Roger H. Seifter,2014-05-13 In *Designs for Living*, Roger H. Seifter, Randy M. Correll, Grant F. Marani, and Gary L. Brewer, who lead the residential practice at Robert A.M. Stern Architects, present fifteen houses the firm has completed over the past ten years. From contemporary interpretations of the shingle style to robust Mediterranean designs, the houses are stylistically diverse reflecting RAMSA's deep knowledge of history and precedent. Each partner provides insight into the design process and his individual approach to working with clients. Houses are located in dramatic settings from Napa and Sonoma to the spectacular coastline of the Hamptons and New England. Whether overlooking the ocean or nestled into the mountainside, these remarkable houses reveal the architects' emphasis on the importance of context and their dedication to exploring the nature of place and environment. Each house invokes the vernacular architectural heritage particular to its region while gracefully reflecting its natural surroundings. Connecting contemporary lifestyles to traditional American aesthetics, these residences are exceptional both for their timelessness and their ability to evoke a conversation with the past—a dialogue the RAMSA partners believe lies at the heart of architecture.

Designing Hollywood Homes Stephen Shadley,Patrick Pacheco,2020-10-06 An Architectural Digest Hall of Famer and interior designer to the stars showcases his rare and much-admired ability to set the perfect scene. See inside the beautiful homes of Hollywood icons like Jennifer Aniston, Robert Altman, and Ryan Murphy—with stunning full-color photographs and a foreword by Diane Keaton. Designer extraordinaire Stephen Shadley began his working life as a scenic artist at 20th Century Fox. Throughout a celebrated career (landing a coveted spot on the AD100), his work has been marked continually by the glamour of Hollywood as well as by a kind of visual storytelling that is richly informed by the world of the movie screen and by the artifice and allure of film's great cinematographers. Inside, you'll find numerous beautifully designed homes of Hollywood royalty, including: • Diane Keaton's classic Beverly Hills abode • Robert Altman's apartment in the legendary Pythian building on New York's Upper West Side • Jennifer Aniston's luxurious 1970s home in Beverly Hills • Three greenrooms Shadley designed for the Oscars and Emmy Awards • Plus much more in Southern California, New York, and beyond! Notable for their expression of an exquisite sense of style, Shadley's designed homes are all expressions of a masterful sense of scale and an appreciation for understated beauty and refined materials that are ultimately warm, inviting, and serene.

Love Affairs with Houses Bunny Williams,2019-04-16 “Her commentary on the origins, allure, and challenges of each home reads like liner notes to a favorite album . . . she is in a class all her own.” —*Flower* In this story-filled monograph, Bunny Williams presents new work through 15 houses she has decorated and loved. She tells the tale of each “affair,” tracing the style of the spaces, what drew her to the projects, and her approach to decor that evolves with the lives of her clients. She offers personal secrets for choosing classics—and for decorating with flexible pieces that can play more than one role in a design scheme. Along the way, she offers many amazingly chic, but always comfortable, residences whose interiors she has designed during the latest phase of her astounding career. As Bunny tells it, “The best pieces have the best stories,” and in this book, she shows readers a fresh collection of projects that demonstrate just that. “A must-have addition to any interior design enthusiast's library.” —*The Glam Pad*

May I Come In? Wendy Goodman,2018-09-25 New York magazine's interiors editor shares some of her most memorable house profiles in this stunning and inspiring visual tour. For *May I Come In?*, design editor extraordinaire Wendy Goodman visits seventy homes that express their owners' spirit and passions. In this pantheon, imagination and originality hold sway: Artists and eccentrics are the equals of aristocrats and the mandarins of design. Alba Clemente's closet is a Renaissance theater; Amy Sedaris built a playroom (but not for children); Andrew Solomon houses his guests in an igloo; Richard Avedon's private walls were bulletin boards; Kathy Ruttenberg's house is an animal kingdom; Jay Maisel called a former bank with seventy-two rooms home. Every room has a story to tell and a purpose for being. A self-described design hunter, Goodman spent thirty years seeking extraordinary living spaces. In her long career, she has found three things to be true. The first is that curiosity and never giving up will get you everywhere. The second is what Diana Vreeland stated best when she wrote, “Few things are more fascinating than the opportunity to see how other people live during private hours.” The third is that houses never lie. These principles underscore her search for individuality, human interest, and authenticity in design. *May I Come In?* is profusely illustrated with superb images by leading interior photographers, as well as Goodman's own snapshots and memorabilia related to her quests. It is an irresistible visual record of the art of living by one of its most astute observers. “Page after page reveals interiors that practically vibrate with charisma, while others wax a poetic minimalism that, despite a lack of things, overwhelm with grace.” —*Vogue* “When it comes to the New York design scene, Wendy Goodman is positively an institution.” —*Town & Country*

BIG little house Donna Kacmar,2015-01-09 What are the challenges architects face when designing dwelling spaces of a limited size? And what can these projects tell us about architecture – and architectural principles – in general? In *BIG little house*, award-winning architect Donna Kacmar introduces twenty real-life examples of small houses. Each project is under 1,000 square feet (100 square meters) in size and, brought together, the designs reveal an attitude towards materiality, light, enclosure and accommodation which is unique to minimal dwellings. While part of a trend to address growing concerns about minimising consumption and lack of affordable housing, the book demonstrates that small dwellings are not always simply the result of budget constraints but constitute a deliberate design strategy in their own right. Highly illustrated and in full-colour throughout, each example is based on interviews with the original architect and accompanied by detailed floor plans. This ground-breaking, beautifully designed text offers practical guidance to any professional architect or homeowner interested in small scale projects.

150 New Best of the Best House Ideas Macarena Abascal Valdenebro,2020-11-10 Discover the best of the best in house design with this comprehensive guide in the highly successful 150 Best series, featuring hundreds of inspiring color and black-and-white photographs. 150 New Best of the Best House Ideas is a stunning visual feast that explores the latest in innovative home construction, decoration, and design. This outstanding volume showcases an extensive collection of single-family houses from all over the world, created by distinguished international architects and designers who have worked to achieve practical and functional solutions adapted to the specific needs and particular tastes of their clients. Each of the 150 houses profiled demonstrate the newest trends and various influences on home design, from cottage-type houses to minimalist geometric constructions. Using technological advances in construction and material use, these homes are energy-efficient, have a low environmental impact, and are stunningly attractive, appealing to all tastes and styles. This essential reference encompasses the diversity of current trends in house

design and is an inspirational creative resource for builders, architects, designers, stylists, interior decorators, and students.

Houses Mariette Himes Gomez,2007-10-30 The award-winning designer and author of Rooms showcases inspiring opportunities for the exteriors, interiors, and details of houses in this lavishly photographed book Celebrated designer Mariette Himes Gomez believes that a house becomes a home only when it is infused with personal touches, when its individual parts flow together logically, and when it assumes a warm and welcoming character. In Houses, Gomez begins by inviting readers to consider the many elements that unify a house. She reveals how each detail—from the doors, fireplaces, and staircase, to the more conceptual elements of balance, color, and movement—contribute to the home's overall aesthetic, and how each can be combined to create a certain effect. She provides practical guidelines for building, buying, or renovating to create the perfect home, while illustrating how to instill flow and harmony in your overall design. Subscribing to the philosophy that less is more, Gomez reveals how to create homes of unparalleled beauty and grace. Complementing Gomez's invaluable advice are stunning photographs of the interiors, exteriors, and details of breathtaking houses in a variety of gorgeous settings. An inspirational guide for every design-minded home buyer, builder, or renovator, Houses illuminates the world of possibility that opens up when you create your own home.

40 Years of Fabulous Steven Stolman,2015-06-15 For more than four decades, the Kips Bay Decorator Show House has presented the creations of a stellar roster of interior designers in what is regarded as one of the finest decorator show houses in the world. A fixture on the New York City scene, this glittering expression of high design continues to set the standard for the world of decor. Forty Years of Fabulous provides an insider's look at the history of this much-loved convention of society while revisiting the spectacular rooms by star decorators past and present—rooms that truly defined interior design while setting trends still evident in today's homes. Steven Stolman is the author of Scalamandré: Haute Décor. He divides his time among homes in Palm Beach, New York and Milwaukee.

A House by the Sea Bunny Williams,2016-09-13 Author and renowned designer Bunny Williams has been at the top of the interior design world for more than 40 years. Her new book invites readers to explore La Colina, Williams's lovely Caribbean retreat tucked into lush, tropical gardens by the sea. The book explores every facet of the property—from outdoor rooms and garden plantings and design to the delightful, island-living luxury of the villa's interiors, furnishings, and collections. Woven into each chapter are essays written by friends who have visited the property: Gil Schafer details the villa's architecture; Page Dickey tours the gardens; Roxana Robinson offers a peek at a weekend stay; Angus Wilkie discusses the delights of collecting; and Jane Garmey revels in the pleasures of cooking, food, and friends. Also available from Bunny Williams: An Affair with a House and Bunny Williams On Garden Style.

Arthur Elrod Adele Cygelman,2019-02-12 Arthur Elrod was the most successful interior designer working in Palm Springs from 1954 to 1974. His forward-thinking midcentury design appeared in primary homes, second houses, spec houses, country clubs, and experimental houses—in the desert and across the US. He was charming, handsome, and worked tirelessly for his A-list clientele.

- Encompasses a range of styles, from coastal to cottage, classic to contemporary

- Innovative room-by-room ideas for color, storage solutions, fabric choices, and more

James Hoban Anthology ,2022-02

Eight Homes: Clements Design Kathleen Clements,Tommy Clements,2021-09-28 The mother-and-son founders of powerhouse interior design firm Clements Design have mastered interiors of a spare yet sumptuous sophistication mixed with California ease that are highly sought after by a star-studded clientele, including Ellen DeGeneres, Adam Levine, Bruno Mars, Kendall Jenner, and Jennifer Lawrence. In their first book, Clements Design showcases eight outstanding residences that embody the Clements style: understated elegance, sensuous austerity, Zen-like simplicity, easy glamour, and grand intimacy. Clements creates rarefied environments that are ultra-luxurious but never pretentious. Instead, their pared-down rooms are remarkably cozy and relaxed due to the blend of natural materials, muted colors, and matte surfaces and textures, especially from wood, stone, and nubby textiles—perfect for the indoor-outdoor lifestyle of their clients. A Clements home is the perfect backdrop for jaw-dropping art collections that may include Picasso, Morandi, Warhol, and Twombly, and for entertaining in spacious, expansive rooms populated by Rick Owens daybeds, Prouvé chairs, Giacometti light fixtures, Asian sculptures, and Persian rugs in pale shades, all blended with exceptional antiques carefully placed about the spaces. Serenity reigns over all, filling the viewer with a peaceful calm that is priceless. Personal accounts of working with Clements Design and living in their interiors from, among others, Ellen DeGeneres and Adam Levine, complement the glorious photography. Eight Houses: Clements Design offers a simple life set in an environment of exceeding high style and taste.

Best-Selling House Plans, 4th Edition Editors of Creative Homeowner,2021-10-25 Best-Selling House Plans offers readers more than 360 of the most successful and sought-after home designs from the top architects and designers across North America. CAD files are made available for every home and are easily customizable. Completely updated and revised, this new edition offers new home plans and pricing, special sections on home automation, home design trends, curb appeal tips, and more.

The Decoration of Houses Edith Wharton,Ogden Codman,2015-04-07 Thousands of books on interior design have come and gone since the 1897 publication of this pioneering manual, but The Decoration of Houses remains, thanks to the insightful and inspiring advice of its co-authors. Before she became the Pulitzer Prize-winning author of The Age of Innocence, Edith Wharton was a society matron, remodeling a summer home in Newport, Rhode Island. With the able assistance of architect Ogden Codman, Jr., Wharton assembled this corrective to the rampant vulgarity of her nouveau riche neighbors. Wharton and Codman defied the excesses of the Gilded Age, counseling readers to reject the popular penchant for clutter in favor of simplicity and balance. More than an engaging item of period charm, this historic guide offers examples of design rooted in architectural principles. Black-and-white photographs illustrate the authors' ideals of classic beauty, depicting grand ballrooms and spacious boudoirs as well as the elements common to homes of every size and era: doors and windows, walls and ceilings, floors, halls, and stairs. One of the genre's most important and influential titles, this volume sparked a Renaissance in American interior design, and its sound advice and practical approach remain forever in style.

Recognizing the showing off ways to acquire this book **Designer Houses** is additionally useful. You have remained in right site to start getting this info. acquire the Designer Houses member that we meet the expense of here and check out the link.

The ability to download Designer Houses has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking

research papers, the option to download Designer Houses has opened up a world of possibilities. Downloading Designer Houses provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Designer Houses has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Designer Houses. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Designer Houses. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Designer Houses, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Designer Houses has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Designer Houses Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Designer Houses is one of the best book in our library for free trial. We provide copy of Designer Houses in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Designer Houses. Where to download Designer Houses online for free? Are you looking for Designer Houses PDF? This is definitely going to save you time and cash in something you should think about.
