When he was done, Don Hall of the WNEP Theater Foundation decided to produce them. All of them. In June of 2010, Don and Joe gathered together over 200 Chicago actors and directors and over eleven nights presented 26 shows each featuring two weeks worth of sketches (although one has 15 scenes). Yep. Crazy. All 365 comedy sketches are collected in this book along

with a complete list of directors and actors from the Strawdog shows. Joe teaches comedy writing at The Second City and Columbia College.

This makes it easier than ever to keep track of your rhythm and to show kids how long each musical note is! Volume II includes sheet music for: Sally the Camel, Lightly Row, Muffin Man, London Bridge, The Itsy Bitsy Spider, Lil' Liza Jane, I'm a Nut, You Are My Sunshine, 5 Little Pumpkins, I'm a Little Teapot, The Wheels on the Bus & Happy Birthday!

The Easiest Songbook. 58 Simple Songs without Musical Notes for Boomwhackers®, Bells, Chimes, Pipes Helen Winter, We call this series "I don't read music" since we are targeting beginners of all ages: children, teens, parents, grandparents. Folk music traditionally is not learned from sheet music or notes. Instead, it is learned by repetition and from being passed from generation to generation. We believe in this method of teaching, which is easier and more enjoyable. This book includes 58 familiar and easy-to-play folk songs and melodies. Each song here is written with color circles and letter notes inside. All songs have been simplified and transposed for one octave. Since this book is aimed at the absolute beginner without any knowledge of reading music, we do not use here the classical music staff and do not show the note duration. You can experiment with the duration on your own. If you have very little music experience, playing by note can be difficult. It is easier to follow color-coded circles with note letters. By simply following the color circles, you will sound like an experienced musician. We use here the Boomwhackers® color system commonly used by American music teachers. We call this series "I don't read music" since we are targeting beginners of all ages: children, teens, parents, grandparents. Folk music traditionally is not learned from sheet music or notes. Instead, it is learned by repetition and from being passed from generation to generation. We believe in this method of teaching, which is easier and more enjoyable. Our simple method using circles as an aid allows the flexibility that existed in traditional ways of teaching. We recommend finding each of these songs on YouTube and listening to the rhythm before beginning to play. Our sheet music is only a guide. The most important thing is to listen and repeat what is heard in the recordings. Just Like Rube Goldberg Sarah Aronson, 2019-03-12 Discover how Rube Goldberg followed his dreams to become an award-winning cartoonist, inventor, and even an adjective in the dictionary in this inspiring and funny biographical picture book. Want to become an award-winning cartoonist and inventor? Follow your dreams, just like Rube Goldberg! From a young age, Rube Goldberg had a talent for art. But his father, a German immigrant, wanted Rube to have a secure job. So, Rube went to college and became an engineer. But Rube didn't want to spend his life mapping sewer pipes. He wanted to follow his passion, so Rube got a low-level job at a newspaper, and from there, he worked his way up, creating cartoons that made people laugh and tickled the imagination. He became known for his fantastic Rube Goldberg machines—complicated contraptions with many parts that performed a simple task in an elaborate and farfetched way. Eventually, his cartoons earned him a Pulitzer Prize and his own adjective in the dictionary. This moving biography is sure to encourage young artists and inventors to pursue their passions.

The Irish Within Us C. A. Logan, 2023-03-07 Strange things happen in Ballybeg when three distant cousins come together as the summer solstice approaches. In the spring of 2016, newly retired Kara leaves her home in Canada on a genealogical quest to rediscover her grandfather's ancestral village on the north coast of Ireland. She is quickly captivated by Ballybeg's rural beauty; the idiosyncratic locals; the Giant's Causeway and the traditional myths and legends. David arrives in the village with his eyes fixed on a huge development deal, which would wipe out the area's charm - if only his streak of bad luck would stop. Imogen is a conservationist who keeps herself apart from the villagers because of an old family scandal, but new circumstances may draw her back. The three clash over a reputedly enchanted grove on the townland of Lisnasidhe that generations have left untouched out of respect for the fairy inhabitants. In Ballybeg, everyone has their opinion and no trouble in sharing it. Even the land has her own perspective of history. Then there's the greedy speculators, the unsuspecting lovers, yarnbombers, and a quirky local storyteller who may hold all the answers. And Irish fairies? Well, that depends...
