Hyperbole and a Half Allie Brosh, 2013-10-29 #1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh’s *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

The ABCs of My Feelings and Music Scott Edgar, Stephanie Edgar, 2021-03 Music and art can help us feel and express deep emotions. We can be happy or sad, but that is only the beginning. This beautiful book explores the powerful link between art, music, and emotion, and is ideal for deepening Social Emotional Learning (SEL) and building a fuller emotional vocabulary. Built on the principles of SEL, each page of *The ABCs of My Feelings and Music* offers an emotion word in a piece of colorful artwork, one for each letter of the alphabet. Below each illustration are three classical music suggestions to listen to while observing the art. Use the provided questions and a link to playlists to help unpack what children are seeing and feeling. The questions can also jumpstart meaningful discussions about how art and music can affect and help us express our emotions. This book is for children as well as teachers, parents, social workers, counselors, music therapists--anyone who works with children and understands the power of art and music. We hope this book helps you and your children/students expand their emotional vocabulary, have meaningful discussions about emotions, and think more deeply about how music and art makes us feel!

Disgrace J. M. Coetzee, 2017-01-03 J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. Set in post-apartheid South Africa, J. M. Coetzee’s searing novel tells the story of David Lurie, a twice divorced, 52-year-old professor of communications and Romantic Poetry at Cape Technical University. Lurie believes he has created a comfortable, if somewhat passionless, life for himself. He lives within his financial and emotional means. Though his position at the university has been reduced, he teaches his classes dutifully;

and while age has diminished his attractiveness, weekly visits to a prostitute satisfy his sexual needs. He considers himself happy. But when Lurie seduces one of his students, he sets in motion a chain of events that will shatter his complacency and leave him utterly disgraced. Lurie pursues his relationship with the young Melanie—whom he describes as having hips “as slim as a twelve-year-old’s”—obsessively and narcissistically, ignoring, on one occasion, her wish not to have sex. When Melanie and her father lodge a complaint against him, Lurie is brought before an academic committee where he admits he is guilty of all the charges but refuses to express any repentance for his acts. In the furor of the scandal, jeered at by students, threatened by Melanie’s boyfriend, ridiculed by his ex-wife, Lurie is forced to resign and flees Cape Town for his daughter Lucy’s smallholding in the country. There he struggles to rekindle his relationship with Lucy and to understand the changing relations of blacks and whites in the new South Africa. But when three black strangers appear at their house asking to make a phone call, a harrowing afternoon of violence follows which leaves both of them badly shaken and further estranged from one another. After a brief return to Cape Town, where Lurie discovers his home has also been vandalized, he decides to stay on with his daughter, who is pregnant with the child of one of her attackers. Now thoroughly humiliated, Lurie devotes himself to volunteering at the animal clinic, where he helps put down diseased and unwanted dogs. It is here, Coetzee seems to suggest, that Lurie gains a redeeming sense of compassion absent from his life up to this point. Written with the austere clarity that has made J. M. Coetzee the winner of two Booker Prizes, *Disgrace* explores the downfall of one man and dramatizes, with unforgettable, at times almost unbearable, vividness the plight of a country caught in the chaotic aftermath of centuries of racial oppression.

Noise, Water, Meat Douglas Kahn,2001-08-24 An examination of the role of sound in twentieth-century arts. This interdisciplinary history and theory of sound in the arts reads the twentieth century by listening to it—to the emphatic and exceptional sounds of modernism and those on the cusp of postmodernism, recorded sound, noise, silence, the fluid sounds of immersion and dripping, and the meat voices of viruses, screams, and bestial cries. Focusing on Europe in the first half of the century and the United States in the postwar years, Douglas Kahn explores aural activities in literature, music, visual arts, theater, and film. Placing aurality at the center of the history of the arts, he revisits key artistic questions, listening to the sounds that drown out the politics and poetics that generated them. Artists discussed include Antonin Artaud, George Brecht, William Burroughs, John Cage, Sergei Eisenstein, Fluxus, Allan Kaprow, Michael McClure, Yoko Ono, Jackson Pollock, Luigi Russolo, and Dziga Vertov.

Blade of Tyshalle Matthew Woodring Stover,2008-12-09 Twenty-seven years ago, they said Hari Michaelson didn't have a chance. He was just a loser, a street criminal from a disgraced family. He'd never make anything of himself. They were wrong. He made himself into Caine: Killer. Superstar. Hero . . . THE BLADE OF TYSHALLE Six years ago, Ma'elkoth--a god of Overworld--held Pallas Ril in his merciless grip. Earth's ruling elite wanted her dead. Caine swore he would save her. They said he didn't have a chance. They were wrong. He sacrificed his career as Caine to crush Pallas Ril's enemies and bring her home. Now Hari Michaelson is the only man who stands between the soulless corporate masters of Earth and the green hills of Overworld. Caine's victory over Ma'elKoth opened a door between the worlds, and the faceless masses of Earth are killing everything he loves. Enemies old and new array themselves against him. And Hari's not even Caine anymore. He's just one man--alone, half-crippled, powerless. They say he doesn't have a chance. They are wrong . . .
