The Destinia Apocalypse Raymond Burke,2019-01-31 THE STARGUARDS STAND ON THE BRINK OF ETERNITY Lost and trapped in an apocalyptic future, the Starguards must survive their most brutal ordeal. After all their trials, galactic wanderings, and lost loves, humans, heroes, and demigods face off in the ultimate destiny-defining battle against enemies never thought to have existed.

Sanctuary of the DarkLight Eric B,2023-09-26 The alien invasion is over, and the province of Draegahn is FREE! Or so it seems. Now is late summer of 2461, more than two years since the last of the aliens departed the province of Draegahn and, in fact, planet Earth. Fight for Right has assumed provincial rulership, to help the cities and towns of Draegahn to repair themselves, rebuild their localities and establish new customs and culture for their everyday lives. But within this struggle lives a population that has lost faith in its appointed leaders, believing their motives to be in the service not of the people, but of themselves and the despotic alien rulers who had recently held the province under their boot. For this reason, above all, the people have decided to seek new leadership. In the midst of this era of science and technology – the late 25th century – lives 27-year-old Darius, young wizard leader of an avaricious, amoral cult of dark magic practitioners known as the DarkLight. Darius stands center-stage in order to widen the eyes of countless spectators with his mind-boggling performances emanating from his mastery in the art and craft of spellcasting. The culminating result of years of this is Darius becoming an unwitting icon and leader in the eyes of the people At first merely fun-loving and somewhat narcissistic, a personal tragedy arouses within Darius a desire for vengeance which, in turn, develops into a thirst for power. And this hunger may, in turn, lead the DarkLight to bring upon the people the darkest era of the history of Draegahn! Darius charms the provincial masses with his genuine mystic arts demonstrations, and as his popularity with the masses grows, anarchy and dark religious practices spread, and Fight for Right has an increasingly difficult time maintaining law and order in cities and towns throughout Draegahn. Fortunately for Fight for Right, a crop of light magic practitioners rises out of obscurity to aid them. And, of course, as always, those clad-in-black superheroes known as Night Crusaders come to their aid as well. However, as Darius grows increasingly powerful while he charms the masses, turning them toward the dark side, do even these allied forces of Light stand a chance against Darius?

Los 5 pasos del turismo experiencial Carlos Sánchez Corrales, 2008 El viajero del siglo XXI ya no se mueve por factores materiales, sino por deseos, motivaciones y emociones que hacen que los destinos que elige se conviertan en auténticas marcas de estilo de vida. Un cambio que ha provocado que la economía del turismo apueste por productos innovadores cargados de vivencias y emociones y deconstruya el marketing más innovador de nuestros días. Los 5 pasos del turismo experiencial descubre, a través de una cuidada y original selección de ejemplos y vivencias del autor, cómo promover de forma práctica la innovación en la industria de la felicidad y crear productos turísticos experienciales con historias memorables detrás. Este libro nos enseña los cinco pasos que hay que dar para enamorar al viajero persona. También cómo aplicar el conocimiento del funcionamiento del cerebro -como palanca activadora de las emociones-, el marketing sensorial, la programación neurolingüística o las neurociencias para conseguir que un sector clave para el desarrollo de cualquier país se lleve el gato al agua, añade Sánchez. Además recalca sobre la importancia que los sentimientos y las emociones tienen frente a los pensamientos racionales en la toma de decisiones y de cómo dicho cambio está provocando una gran revolución en industrias maduras como la turística
