Born to Create Theresa Dedmon,2012-04-17 Creatively Supernatural! Offering a launching pad for you to burst into the realm of creative expression—that fun, fantasy world where the Creator is waiting to welcome you. There is a connection between creativity, your identity, the Church, and the world—and it is an important connection. Creativity is tied to all believers’ identity, all who are made in the image of the Creator, all who are born to create! Overflowing with many thrilling, modern-day testimonies, Born to Create emphasizes the magnitude of both craft—practice and excellence—as well as anointing. Many who have been freed to embrace their creative ideas and passions, whether in the art fields, business, or education, share their amazing stories with you. Their freedom allowed them to powerfully release healing, the prophetic, and the knowledge of God’s love into the marketplace. Live creatively, friends. If someone falls into sin, forgivingly restore him, saving your critical comments for yourself. You might be needing forgiveness before the day’s out. Stoop down and reach out to those who are oppressed. Share their burdens, and so complete Christ’s law... (Galatians 6:1 The Message). You will learn how the supernatural can be activated through what you create, and you will explore hindrances from understanding your creative destiny—your true identity.

The Mystic Test Book or the Magic of the Cards Olney H. Richmond,2018-09-13 The publication of this work was, we might say, forced upon us by the demand, before even a page of manuscript was prepared for the press. The demand was caused by members of the Temple, who recognized the necessity of a printed text book, from which they could study the meanings of the cards and their indications under the seven planets. These brothers and sisters naturally wished to perfect themselves in emblem reading as rapidly as possible, and they could not so perfect themselves, without a full and complete set of tables that they could study and refer to at will. The next trouble that arose was the question of expense, as, aside from the printing, engraving, binding, electrotyping and matters of that kind, the author's time was, and is now so valuable that the item far overbalances those mentioned. It was finally decided that the most feasible plan, was to get out enough copies to supply more than our immediate membership and to sell them to outsiders under certain restrictions.
