**Paul Menner**

Devil Hunter Barney T. Giddens,2012-02-06 Believers have complete authority over Lucifer with the WORD AND OBEDIENCE to CHRIST !

*Tales of Nebulous* Charlie McMahon,2021-10-18 Across the stars in a distant galaxy, a collection of various species banded together to create one people. They called themselves, The Hunters. Follow the Hunter prince, AJ, on his journey to save his people, and finally discover the true identity of.... The Devil Hunter.

**Devil Hunter** Micheal Okrent,2021-01-24 This book series lasted almost five whole days once I got my hands on it. I thought I understood power. My parents taught me that magic attracts equal danger, and everything I've seen since becoming a demon contractor confirms it. I've witnessed how power twists and corrupts--and I've tasted power no human should wield. I thought I knew greed. Ambition and avarice drove my family into hiding. My parents died for someone else's greed. I've never hunted anything in my life, but now I'm hunting their killer--with my demon's help. I thought I'd seen evil. But with each step closer to my parents' murderer, I'm uncovering a different sort of evil, piece by hidden piece. I've stumbled into an insidious web that silently, secretly ensnares everything it touches. My demon and I came as the hunters... ...but I think we might be the prey.

*The Demon Hunter* Kevin Emerson,2014-08-26 It's scary to know the fate of the world lies in your hands—but even scarier to learn that it might be in your brother's. It's the last night of summer and Oliver is hoping to have some fun with his two best friends. Once school starts, he'll be one step closer to receiving his demon . . . and fulfilling the prophecy to open the Nexia Gate. Meanwhile, a series of gruesome animal attacks on humans has threatened to expose the vampire world. The evidence points to Oliver's brother, Bane, who has recently acquired Occupying power—the ability to inhabit animals. Yet Oliver, Emalie, and Dean suspect something else is going on—a sinister plot that involves Oliver's destiny, and possibly the mystery surrounding his human parents. Bane may hold the key to Oliver uncovering his past and changing his future—if the Half-Light Consortium doesn't get to him first.

**Yamada Monogatori: Demon Hunter** Richard Parks,2013-01-06 In an ancient Japan where the incursions of gods, ghosts, and demons into the living world is an everyday event, an impoverished nobleman named Yamada no Goji makes his living as a demon hunter for hire. With the occasional assistance of the reprobate exorcist Kenji, whatever the difficulty—ogres, demons, fox-spirits—for a price Yamada will do what needs to be done, even and especially if the solution to the problem isn't as simple as the edge of a sword. Yet, no matter how many monsters he has to face, or how powerful and terrible they may be, the demons Yamada fears the most are his own.

**Devil Hunters** Rick Gualtieri,2018-05-15 Deep in the woods, mankind is the endangered species. Derek Jenner, the Crypto-Hunter, is back! Something is terrorizing the inhabitants of the Garden State, leaving a trail of missing persons and mutilated bodies in its wake. All signs point to the Jersey Devil, a creature long considered a hoax even in the cryptozoological community. Desperate for answers, the authorities summon Derek and his team to investigate. Now, the hunters are about to become the hunted because what lurks in the forest is more horrifying than they could ever imagine - a nightmare of man's own making that's about to set its sights in their direction. Sadly for them, a corrupt government official will do

everything in his power to cover up the terrible secret that lies at the heart of the Pine Barrens ... even if it means sacrificing Derek's team to a fate worse than death.

**The Jersey Devil** Hunter Shea, 2016-08-30 "Old school horror." —Jonathan Maberry THE LEGEND LIVES Everyone knows the legend of the Jersey Devil. Some believe it is an abomination of nature, a hybrid winged beast from hell that stalks the Pine Barrens of southern New Jersey searching for prey. Others believe it is a hoax, a campfire story designed to scare children. But one man knows the truth... THE DEVIL AWAKES Sixty years ago, Boompa Willet came face to face with the Devil—and lived to tell the tale. Now, the creature's stomping grounds are alive once again with strange sightings, disappearances, and worse. After all these years, Boompa must return to the Barrens, not to prove the legend is real but to wipe it off the face of the earth... THE BEAST MUST DIE It'll take more than just courage to defeat the Devil. It will take four generations of the Willet clan, a lifetime of survivalist training, and all the firepower they can carry. But timing is critical. A summer music festival has attracted crowds of teenagers. The woods are filled with tender young prey. But this time, the Devil is not alone. The evil has grown into an unholy horde of mutant monstrosities. And hell has come home to New Jersey... "Shea delivers a tense and intriguing work of escalating tension splattered with a clever, extensive cast of bystanders turned victims...An otherwise excellent, tightly delivered plot...Fans of cryptid creatures are likely to revel in this love letter to a legendary menace."- Publishers Weekly Raves for The Montauk Monster "A lot of splattery fun."—Publishers Weekly "Frightening, gripping."—Night Owl Reviews

**Dance With the Devil** Sherrilyn Kenyon, 2010-04-01 Zarek's Point of View: Dark-Hunter: A soulless guardian who stands between mankind and those who would see mankind destroyed. Yeah, right. The only part of that Code of Honor I got was eternity and solitude. Insanity: A condition many say I suffer from after being alone for so long. But I don't suffer from my insanity-I enjoy every minute of it. Trust: I can't trust anyone...not even myself. The only thing I trust in is my ability to do the wrong thing in any situation and to hurt anyone who gets in my way. Truth: I endured a lifetime as a Roman slave, and 900 years as an exiled Dark-Hunter. Now I'm tired of enduring. I want the truth about what happened the night I was exiled-I have nothing to lose and everything to gain. Astrid (Greek, meaning star): An exceptional woman who can see straight to the truth. Brave and strong, she is a point of light in the darkness. She touches me and I tremble. She smiles and my cold heart shatters. Zarek: They say even the most damned man can be forgiven. I never believed that until the night Astrid opened her door to me and made this feral beast want to be human again. Made me want to love and be loved. But how can an ex-slave whose soul is owned by a Greek goddess ever dream of touching, let alone holding, a fiery star?

**Devil Hunters** Rick Gualtieri, 2019-02-19 Deep in the woods, mankind is the endangered species. Derek Jenner, the Crypto-Hunter, is back! Something is terrorizing the inhabitants of the Garden State, leaving a trail of missing persons and mutilated bodies in its wake. All signs point to the Jersey Devil, a creature long considered a hoax even in the cryptozoological community. Desperate for answers, the authorities summon Derek and his team to investigate. Now, the hunters are about to become the hunted because what lurks in the forest is more horrifying than they could ever imagine - a nightmare of man's own making that's about to set its sights in their direction. Sadly for them, a corrupt government official will do everything in his power to cover up the terrible secret that lies at the heart of the Pine Barrens ... even if it means sacrificing Derek's team to a fate worse than death. ----- Devil Hunters is the terrifying sequel to Bigfoot Hunters, the thrilling novel of backwoods terror by Rick Gualtieri.

**Demon Hunter** Joseph J. Bailey, 2020-09-13 Chet has a problem. A few of them in fact. He's been kicked out of his order of holy knights. He's depressed, he's let himself go, and he has something of an inferiority complex. Mostly because he wields holy socks to fight demons while his friends use flaming swords, shimmering spears, and holy hand grenades. Now Sigil, the order of holy knights that threw him out, wants him back because its members are dying and no one can figure out why. Can Chet pick himself up off the couch long enough to do what other demon hunters can't? Only

time, and lots of pizza, will tell. Demon Hunter is a quirky noblebright urban sword and sorcery adventure fantasy of roughly 45,000 words.

Devil May Cry Sherrilyn Kenyon, 2007-08-07 As an ancient Sumerian god, Sin was one of the most powerful among his pantheon. . . Until the night Artemis brutally stole his godhood and left him for dead. For millennia, this ex-god turned Dark-Hunter has dreamed only of regaining his powers and seeking revenge on Artemis. If only life were that simple. Unfortunately he has bigger fish--or in Sin's case--demons, to fry. The lethal gallu that were buried by his pantheon are now stirring and they are hungry for human flesh. Their goal is to destroy mankind and anyone else who gets in their way. Sin is the only one who can stop them—that is if a certain woman doesn't kill him first. Unfortunately, Sin discovers that now he must rely on her or witness an annihilation of biblical proportions. Enemies have always made strange bedfellows, but never more so than when the fate of the world hangs in the balance. Now a man who knows only betrayal must trust the one person most likely to hand him to the demons. Artemis may have stolen his godhood, but this one has stolen his heart. The only question is will she keep it or feed it to the ones who want him dead?

**Demon Hunter Fore!** Scott Juris, 2005-06 Returning to Mordith, the Demon Hunter Gabrielle had only planned a short rest and to see what the Vampire king Kendrik has been up to. However, those plans are cast aside when she is asked by Kendrik to undertake a voyage to a far away land and discover the fate of several ships and their crews sent to the same land years before. With her Hell spawn servants, the Demon Hunter journeys to the new land and is purposely shipwrecked by the inhabitants of the land. As she recovers from a near drowning, she finds the people she is with are not the same people who stranded her and the ship's crew on this unknown land. What she soon discovers is beyond her wildest imagination, when she meets the true ruler of the land. When she explains the situation to him, he is ready to punish those who are abusing the trust of his children. But with the aid of the Demon Hunter they hatch a plan to stop the bad guys. There is only one small matter left to be dealt with after that, getting home.

Demon Hunter Ate Scott M Juris, 2007-05 Back to her duties, the Demon Hunter Gabrielle certainly doesn't expect to have to jump right in right away, but she does so with both feet when her faithful Hell spawn servants, Blaze and Scarlet, are accused of burning an Inn to the ground. However, after they are cleared, the Demon Hunter cannot help but investigate the fire on her own and in doing so encounters a minor mystery, a Shadowy messenger, and captures the real culprit in the fire. It doesn't end there, as the minor mystery becomes a major problem for the Demon Hunter and her servants, while the Shadowy messenger has friends who become increasingly dangerous as they grow in numbers, when the Demon Hunter looks into the what happened to the Pirate Queen and her crew.

**Demon Hunter Vee Eye** Scott Juris, 2006 They are the most feared, reviled, despised, hated creatures in all the world, and those are their good points. But they aren't the Demon Hunter Gabrielle's Hell spawn servants, just their pet Gremlin. When the Girls, Blaze and Scarlet, begin to miss the baby dragons they cared for, and more so after taking care of a Demon Dog, the Demon Hunter reluctantly, very reluctantly, agrees to permit them to have a Gremlin for a pet. But with so little known about them, except for the fact that outside of nature, Gremlins are the most destructive force there is, the Demon Hunter is understandably concerned. Yet, as the Girls tend their pet while they ride and the Demon Hunter performs her duties, Gabrielle is beginning to think there is much more the Gremlin. Something that may be far worse.

**Demon Hunter** Scott Juris, 2003-09 A Hunter's life is not for everyone. Those few who do take up the duty are in for an interesting life, filled with constant travel, boredom, and loneliness; punctuated by moments of sheer terror--terror severe enough to send the strongest of men running for his mommy. That is the way it's supposed to be, but no one told the Demon Hunter Gabrielle, that she would meet a Vampire whose fate she sees. She also finds two wayward female Hell spawn whose service she gains for all of eternity. This is just the beginning of her story, as she deals with thieves, bandits, and drunkard witches, before being drawn into a prophecy that tells of the coming of a great evil, and her part in stopping it. There

is just the simple matter of keeping her Hell spawn servants out of trouble, as well as out of the cross hairs of other Hunters. And that Vampire will not leave her mind--she cannot forget what she saw, as she knows what fate that holds for her

**Demon Hunter Too** Scott Juris,2004 The fate of the Demon Hunter Gabrielle has finally been decided. This time however, it has nothing to do with Kendrik, the Vampire king of Mordith. For her loyal service, and dedication to her duty, she is being expelled from the Hunters League, all because of her two loyal Hell spawn servants. Only a miracle, or something equally large, will allow her to remain a Hunter. Setting out for what is likely to be her last time as a Hunter, she is handed just the miracle she needs, as something equally large, in the form of a dragon, finds her. She makes a deal with the dragon, that only a fool would make, after the dragon reveals a secret which few are privy to. Before she can make use of the miracle handed her, she first has to recover the dragon's stolen gold, and recruits two unlikely and unwilling volunteers, one a thief, the other a witch. As the Demon Hunter's story continues, and she makes both friends and enemies, the only thing she can count on are her loyal servants, and that things are not always as they appear.

**Demon Hunter Me Three** Scott Juris,2004-06 Having recently returned to the Hunters Legion, the Demon Hunter Gabrielle is soon to return to her duties. Events soon delay, then accelerate her doing so, when news arrives that a village has been destroyed and a Dragon may be to blame. All eyes turn to the Dragon who has allied himself with Kendrik, the Vampire King. But only the Demon Hunter believes the Dragon, who she has come to know, was not responsible. Things go from bad to worse with the arrival of elves, who have come to kill the Dragon for destroying an elfin town and army. But things are worse still, when the Dragon finally hears of all this, and takes off in search of the Dragon who has invaded his territory. The elfin army, still out for revenge, goes after the Dragon. The Demon Hunter enters the fray to keep things from getting any worse. But when the Dragon finds the other Dragon, and the elfin army catches up, another player joins the party. An old foe and one time ally of the Demon Hunter, this new member reveals something that catches everyone by surprise. Leaving the Demon Hunter to take charge, in ways only she can.

*The Fell* Matthew Thrush,Adam Dark,2019-04-11 From the bestselling authors comes the third installment in the Demon Hunter series. What happens when your demon-hunting skills get noticed by the world's oldest, most efficiently hidden secret society? Ben Robinson has no idea, and it's driving him nuts. When the anonymous benefactor who's been sending Ben and his friends packaged artifacts invites them to a meet and greet, he reveals the secret society that's been watching them kick demon butt for months. It shouldn't be possible, but this ancient league already knows about Ian's undead spirit cohabiting in Ben's body, which makes Ben a commodity they will do anything to bring into their ranks. On top of all this, things with April haven't gotten that much friendlier, Peter's getting way too sensitive about secrets, and Ben has to literally blackmail Chase just to keep him from ... well, being himself. Plus, this secret society has made them an offer they can't refuse, but Ben's not quite sure his conscience will let him accept. Demon Hunter Series Simon Says (Book 0) Knock Knock (Book .5) Chosen (Book 1) Born Again (Book 2) The Fell (Book 3)

*John Sinclair: Demon Hunter Volume 4 (English Edition)* Jason Dark,2021-10-01 It doesn't take long in the demon hunting business to realise that not everything is as it seems. When a madman is found wandering the woods in Spessart, John Sinclair finds himself at a fairy-tale castle promising its patrons a night they'll never forget. Little does he know, something far more sinister lurks behind closed doors. An unholy plan to unleash the horrors of a long-lost continent leads Sinclair to team up with his partner Suko, but time is of the essence. Can the infamous Demon Hunter take on the unstoppable force that is the Black Death, or will he lose his head along the way?
