You can record the foods and beverages you consume, and you can use this entry for each meal and snack to record grams of carbs, protein, fat, calories, sugar, etc. This lets you see the relationship between food and blood sugar at a glance for each day and week. At the end of each week you have plenty of room to make notes about your blood glucose, sleep, food, exercise, weight, and medication goals for the following week. This small diabetes tracker is professionally bound in a matte finish and made in the US. The convenient small size and flexibility of the soft cover means you can take it with you anywhere.
