

Diamond Miner

Theodore Reunert

Artisanal Diamond Mining Koen Vlassenroot,Steven Van Bockstael,2008 Effective development of artisanal diamond mining communities must be based on a thorough understanding of the inherent complexities that characterise the sector. This research coordinated by the Egmont Institute and undertaken in support of the KPCS Working Group on Alluvial/Artisanal Producers (currently chaired by Angola), involved many of the leading thinkers in this field. It makes a significant contribution to our knowledge on the sector, laying the foundations for a concerted work programme. This study does not underestimate the challenges this sector poses. However, it emphasises the critical importance of this task because the integrity of the KPCS and all it stands for are dependent upon addressing the developmental dimensions of the diamond trade not just policing it.

A Farmer's Best Friend? Steven van Bockstael,Koen Vlassenroot,2012 The economics of artisanal diamond mining from the Belgian government funded Egmont Artisanal Diamond Mining Project

The Diamond Mines of South Africa Gardner Fred Williams,1902

Capital and Labour on the Kimberley Diamond Fields, 1871-1890 Robert Vicat Turrell,1987-09-17 Based on new documentary sources, this history of diamond mining in Kimberley is a major study of South Africa's mineral revolution and the formation of De Beers Consolidated Mines, one of the most successful African mining companies.

The Heart of the Matter Ian Smillie,Lansana Gberie,Ralph Hazleton,2000 How diamonds have been the cause of widespread death, misery, & destruction for almost a decade in the West African country of Sierra Leone. Through the 1990s, Sierra Leone's rebel war became a tragedy of major humanitarian, political & historic proportions, but the story goes back 60 years, to the discovery of the diamonds. The diamond mining sector has become influenced by organized crime & by the smuggling not just of diamonds, but of guns & drugs, & by vast sums of money in search of a laundry. No peace agree. would be sustainable until the problems of mining & selling diamonds had been addressed, both inside Sierra Leone & internationally. Tables.

Diamond Fields Randall Reneau,2013-05-22 Geologist Trace Brandon has traded mining in Washington State for the sunshine and warm waters of the Cayman Islands. For the past year, his only encounters with crooks have been social, and no one has tried to kill him. But a phone call from Cyrus the Virus McSweeny lures Trace into a dangerous new mining project. This time the quarry is West African alluvial diamonds: rare and extremely valuable...green diamonds. In the steamy backwater city of Monrovia, Trace and his partner, Will Coffee, team up with expat mining engineer Gordon Watson and an Idaho potato-farmer-turned-diamond-miner known as the Mormon. Together, they will make an extraordinary find-what miners call a First Water Stone. When rebels attempt a coup, Trace and his partners are caught up in violence and treachery that threaten to engulf them all...

Barren Lands Kevin Krajick,2016-02-02 First published in 2001, *Barren Lands* is the classic true story of the men who sought—and found—a great diamond mine on the last frontier of the far north. From a bloody 18th-century trek across the Canadian tundra to the daunting natural forces facing protagonists Chuck Fipke and Stewart Blusson as they struggle against the mighty DeBeers cartel, this is the definitive account of one of the world’s great mineral discoveries. Combining geology, science history, raw nature, and high intrigue, it is also a tale of supreme adventure, taking the reader into a magical—and now fast-vanishing—wild landscape. Now in a newly revised and updated edition.

The Diamond Trade Lillian E. Forman,2010 This title gives readers a deeper look at the diamond trade and its surrounding conflicts. Readers will learn the history of the diamond trade, including its social, political, and economic effects. Color photos and informative sidebars accompany easy-to-follow text. Features include a table of contents, timeline, facts, additional resources, web sites, a glossary, a bibliography, and an index. Essential Viewpoints is a series in Essential Library, an imprint of ABDO Publishing Company.

The Ninth Life of a Diamond Miner Grace Tame,2022-09-27 Grace Tame has never walked on middle ground. From a young age, her life was defined by uncertainty - by trauma and strength, sadness and hope, terrible lows and wondrous highs. As a teenager she found the courage to speak up after experiencing awful and ongoing child sexual abuse. This fight to find her voice would not be her last. In 2021 Grace stepped squarely into the public eye as the Australian of the Year, and was the catalyst for a tidal wave of conversation and action. Australians from all walks of life were inspired and moved by her fire and passion. She was using her voice and encouraging others to use theirs too. The Ninth Life of a Diamond Miner is Grace's story, in Grace's words, on Grace's terms. Here she returns, again and again, to the things that have driven and saved her: love, connection and radical, unwavering honesty. Like Grace, this book is sharply intelligent, deeply felt, wildly unexpected and often blisteringly funny. And, as with all her work, it offers a constructive and optimistic vision for a better future for all of us. SHORTLISTED FOR THE INDIE BOOK AWARDS 2023 FOR NON-FICTION SHORTLISTED FOR THE ABIA AUDIOBOOK OF THE YEAR 2023 SHORTLISTED FOR THE ABIA BIOGRAPHY OF THE YEAR 2023 SHORTLISTED FOR THE ABIA THE MATT RICHELL AWARD FOR NEW WRITER OF THE YEAR 2023 LONGLISTED FOR THE BOOKPEOPLE ADULT NON-FICTION BOOK OF THE YEAR 2023 PRAISE FOR THE NINTH LIFE OF A DIAMOND MINER 'Expect The Ninth Life of a Diamond Miner to feature prominently in the next round of book award prize lists. A significant doer has emerged in this memoir as a significant writer too.' Sydney Morning Herald/The Age 'The Ninth Life of a Diamond Miner, an honest, raw and at times harrowing piece of writing, far from being a one-note memoir, also sparkles with wit and artless joy.' The Australian 'Grace Tame's The Ninth Life of a Diamond Miner shifts expectations . . . The book is loosely chronological, but mostly follows the rhythms and shapes of Tame's thoughts. It is held together by a strong, irreverent, irrepressible voice.' The Conversation 'As I finished reading the book, I found myself wishing that everyone would just get out of Tame's way so that she and her foundation can do the crucial work they're undertaking.' The Monthly

Diamonds in the Rough Human Rights Watch (Organization),2009 This 62-page report documents how, following the discovery of diamonds in Marange in June 2006, the police and army have used brutal force to control access to the diamond fields and to take over unlicensed diamond mining and trading. Some income from the fields has been funneled to high-level party members of ZANU-PF, which is now part of a power-sharing government that urgently needs revenue as the country faces a dire economic crisis. In February 2009, Human Rights Watch researchers conducted more than 100 one-on-one interviews with witnesses, local miners, police officers, soldiers, local community leaders, victims and relatives, medical staff, human rights lawyers, and activists in Harare, Mutare, and Marange district in eastern Zimbabwe.--Publisher description.

Refracted Economies Rebecca Jane Hall,2022 Refracted Economies examines the gendered impact of the diamond industry in the Canadian Northwest Territories.

The Diamond Mines of South Africa Gardner Fred Williams,1905

Stones of Contention Todd Cleveland,2014-05-26 Africa supplies the majority of the world’s diamonds, yet consumers generally know little about the origins and history of these precious stones beyond sensationalized media accounts of so-called blood diamonds. Stones of Contention explores the major developments in the remarkable history of Africa’s diamonds, from the earliest stirrings of international interest in the continent’s mineral wealth in the

first millennium A.D. to the present day. In the European colonial period, the discovery of diamonds in South Africa ushered in an era of unprecedented greed during which monopolistic enterprises exploited both the mineral resources and the indigenous workforce. In the aftermath of World War II, the governments of newly independent African states, both democratic and despotic, joined industry giant De Beers and other corporations to oversee and profit from mining activity on the continent. The book also considers the experiences of a wide array of Africans—from informal artisanal miners, company mineworkers, and indigenous authorities to armed rebels, mining executives, and premiers of mineral-rich states—and their relationships to the stones that have the power to bring both wealth and misery. With photos and maps, *Stones of Contention* illustrates the scope and complexity of the African diamond trade as well as its impact on individuals and societies.

West African Diamonds, 1919-1983 P. A. L. Greenhalgh,1985 Study of the history of the diamond mining industry and trade in West Africa - reviews the world diamond industry; examines the role of European foreign enterprise incl. Land concessions, labour supply, wages, labour relations, profitability and productivity; comments on African indigenization of digging concessions and operations, growth of the African diamond industry and the production factors; discusses the impact of government policies, (taxation, public ownership), and diamond marketing in Western Europe and within the region. Bibliography, graph, maps, statistical tables.

Diamonds and Gold in South Africa Theodore Reunert,1893

Argyle Stuart Kells,2021-03 The remote Kimberley region of Western Australia has a rich history and unique geography. In the 1960s De Beers, the world's largest diamond company, sent gem-hunters to the area but they came away empty-handed. It was a vast region to survey, and they'd overlooked something vital. A few years later, a team of Australian geologists with a tiny budget searched for even tinier mineral clues. Those clues led them to the earth's largest diamond deposit and the world's richest source of rare pink diamonds. Based on in-depth research and interviews-including with Alan King Jones, Bill Leslie and 'the father of Australian diamonds', Ewen Tyler-Argyle: The Impossible Story of Australian Diamonds details the almost overwhelming challenges with realising a diamond mining venture in Australia, shows how these obstacles were overcome, and explores the mine's impact and legacy.

The Global Diamond Industry Roman Grynberg,Letsema Mbayi,2015-09-27 The Global Diamond Industry: Economics and Development brings together a collection of papers covering various aspects of the diamond industry including economics, law, history, sociology and development across two volumes.

Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of</p>

knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Diamond Miner books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Diamond Miner books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Diamond Miner versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Diamond Miner books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Diamond Miner books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Diamond Miner books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Diamond Miner books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Diamond Miner books and manuals for download and embark on your journey of knowledge?

FAQs About Diamond Miner Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Diamond Miner is one of the best book in our library for free trial. We provide copy of Diamond Miner in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Diamond Miner. Where to download Diamond Miner online for free? Are you looking for Diamond Miner PDF? This is definitely going to save you time and cash in something you should think about.
