**Upheaval** Jared Diamond, 2019-05-07 A riveting and illuminating Bill Gates Summer Reading pick about how and why some nations recover from trauma and others don't (Yuval Noah Harari), by the Pulitzer Prize-winning author of the landmark bestseller *Guns, Germs, and Steel*. In his international bestsellers *Guns, Germs and Steel* and *Collapse*, Jared Diamond transformed our understanding of what makes civilizations rise and fall. Now, in his third book in this monumental trilogy, he reveals how successful nations recover from crises while adopting selective changes -- a coping mechanism more commonly associated with individuals recovering from personal crises. Diamond compares how six countries have survived recent upheavals -- ranging from the forced opening of Japan by U.S. Commodore Perry's fleet, to the Soviet Union's attack on Finland, to a murderous coup or countercoup in Chile and Indonesia, to the transformations of Germany and Austria after World War Two. Because Diamond has lived and spoken the language in five of these six countries, he can present gut-wrenching histories experienced firsthand. These nations coped, to varying degrees, through mechanisms such as acknowledgment of responsibility, painfully honest self-appraisal, and learning from models of other nations. Looking to the future, Diamond examines whether the United States, Japan, and the whole world are successfully coping with the grave crises they currently face. Can we learn from lessons of the past? Adding a psychological dimension to the in-depth history, geography, biology, and anthropology that mark all of Diamond's books, *Upheaval* reveals factors influencing how both whole nations and individual people can respond to big challenges. The result is a book epic in scope, but also his most personal yet.

**Live to the Network** Jeffrey L. Diamond, 2019-10-03 Spinning toward a devastating confrontation with his boss, the mercurial anchorman of *The Weekly Reporter*, Ethan Benson stumbles upon a story about the tabloid murders of three runaway girls that have dominated the headlines in New York City. At first, the assignment appears to be just another lurid crime story that Ethan has no interest in pursuing, but as he launches his investigation digging up the police reports, securing the court records, meeting with confidential sources, and staking out some of the most crime-infested neighborhoods in the city, he discovers that the murders are just the tip of the iceberg, that the dead girls represent the last chapter in a despicable world, where women are degraded in the most inhumane of ways. Peppered with car chases, gun battles, and contract hit men, Ethan takes the reader on a wild ride of payoffs, corruption, and deceit as he discovers the devious link between an assistant district attorney and the head of the Chinese mob in Lower Manhattan, whose clandestine alliance compromises a law enforcement task force investigating the crimes. A thriller in the classic sense of the term, *Live to the Network* brings the reader into the mysterious world of television news with all the infighting and backstabbing endemic to the real world of broadcasting. An unforgettable character, Ethan Benson is an award-winning senior producer, a hero, husband, father, and raging alcoholic who's driven by inner demons to discover the truth and tell the story behind the story. The novel is a classic murder mystery with love and violence, surprise and suspense, and a cast of unforgettable characters set in a milieu rarely explored in other works of fiction.
