A note to job seekers from nationally syndicated careerscolumnist and author or Job Search Letters For Dummies,Joyce Lain Kennedy: Welcome aboard, job seekers! Thanks for checking out this firstguide to communications-supported job search and careergrowth in relentlessly changing technological times. The right messaging — what you say, why you say it,and when you say it — is as important today to youremployment goals as it has been at any time since Leonardo da Vinciwrote the first professional resume in 1482. Consider recent job–finding history: In 1986 fax machines and postal mail were the most popular waysto send resumes and cover letters. In the 1990s the Internet boom kicked in with new tools toconnect jobs and people: e-mail, websites, cell phones, mailinglists, and online bulletin boards. In the 21st century the double-time march of recruitingtechnology skyrocketed, building a techno-swamp populated withendless ideas of how to connect work and people throughsmartphones, wonder tablets, apps, and social media for virtualnetworking. You're competing in a new world of work out there.If your job search is treading water — or evendrowning— there's a better way. Make a splash! Engagehiring authorities through a communications-centered campaign withsmart content.

The Oxford Handbook of Job Loss and Job Search Ute-Christine Klehe PhD,Edwin van Hooft PhD,2018-05-08 Job search is and always has been an integral part of people's working lives. Whether one is brand new to the labor market or considered a mature, experienced worker, job seekers are regularly met with new challenges in a variety of organizational settings. Edited by Ute-Christine Klehe and Edwin A.J. van Hooft, The Oxford Handbook of Job Loss and Job Search provides readers with one of the first comprehensive overviews of the latest research and empirical knowledge in the areas of job loss and job search. Multidisciplinary in nature, Klehe, van Hooft, and their contributing authors offer fascinating insight into the diverse theoretical and methodological perspectives from which job loss and job search have been studied, such as psychology, sociology, labor studies, and economics. Discussing the antecedents and consequences of job loss, as well as outside circumstances that may necessitate a more rigorous job hunt, this Handbook presents in-depth and up-to-date knowledge on the methods and processes of this important time in one's life. Further, it examines the unique circumstances faced by different populations during their job search, such as those working job-to-job, the unemployed, mature job seekers, international job seekers, and temporary employed workers. Job loss and unemployment are among the worst stressors individuals can encounter during their lifetimes. As a result, this Handbook concludes with a discussion of the various types of interventions developed to aid the unemployed. Further, it offers readers important insights and identifies best practices for both scholars and practitioners working in the areas of job loss, unemployment, career transitions, outplacement, and job search.
