By the faint light of your cheap flashlights, you see the stairs to the upper floor, its railings gnarled and broken like crooked teeth. Their curve makes the stairs seem almost like a hungry grin, and you wonder if their age will support your weight. Still, you must go in. The only question is who will go first? In *Kids on Bikes*, you'll take on the roles of everyday people grappling with strange, terrifying, and very, very powerful forces that they cannot defeat, control, or even fully understand. The only way to face them is to work together, use your strengths, and know when you just have to run as fast as you can. --
