Snow Globe Wishes Erin Dealey,2019-09-15 As the worst snow storm of the year rolls in, one family hunkers down together in a cozy blanket fort for the night. A little girl makes a wish on a snow globe and, in the morning, the sun rises on a winter wonderland--beckoning all outside. And what if, on this snow-filled day, families shake their busy lives and everyone goes out to play? A lyrical holiday story about wishes and community and snow--lots and lots of snow.

The Snow Globe Family Jane O'Connor,2006-09-07 Oh, when will it snow again? wonders the little family who lives in the snow globe. They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . . Will the snow globe family at last get a chance to go sledding too? As readers follow the parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.

The Snow Globe Faith Engle,2018-12-23 When Bethany opened an unmarked package left on her doorstep, she had no idea it would take her on a course where the lines between reality and fantasy would collide. Little did she know that the deepest secrets of her heart would come tumbling to the surface and unfold into a winter wonderland.

Snow Globe Dreams Jennifer Lassalle Edwards,2019-05-18 When Elodie becomes stuck in a snow storm in a secluded cabin, strange occurrences begin. She's not sure what's real or not, but one thing becomes sure. Dreams are the magic that saves us all. A short story of magic, fairy tale, and dreams. This is a redux of a 3000 word short that I had written for an anthology. I decided to change it up, re-imagine it, but still keep it on the shorter side so it could be read along the lines of a bedtime story or fairy tale.

Wishing On A Dream Michele Notaro,2019-11-21 I can't really complain about my life; I have a job I love and a best friend that fills the void of my nonexistent family, but sometimes I'm lonelier than I

like to admit. Especially with the holiday season approaching, I can't help but wish I had someone special to share it with. My friend gives me a snow globe with a man and a snowy owl inside, and for some bizarre reason, this man starts showing up every night when I close my eyes. It's... not real, but I can't seem to get the guy out of my head. It probably shouldn't surprise me that my brain conjures up the perfect man in my dreams... well, almost perfect if he'd stop claiming to be a warlock. But the crazy thing is that all of it-that he-feels so real. When I start falling for the man, the warlock, I can't help but wish that what we have in my dreams could be a reality. I know it can't, but at least when I'm asleep, I can be with him-with Alaric. Although this book is part of A Snow Globe Christmas series, it is a complete stand alone and it isn't a requirement that you read the previous books to follow along. We wish everyone a happy holiday season.
