Isabel's Cantina Isabel Cruz,2007 When Isabel Cruz opened her first small restaurant in San Diego, she cooked what she loved to eat: simple Latin comfort food spiced with the Pacific Rim flavors she knew from her old Los Angeles neighborhood. Her trademark blend of Puerto Rican, Cuban, Mexican, Japanese, and Thai cooking allowed her to cut some of the calories and fat so often found in Latin food without ever sacrificing taste. Soon, the nutritious, flavorful, easy-to-prepare meals Isabel had cooked every night for her family took California by storm. In Isabel's Cantina, she shares the deceptively simple recipes that make her five West Coast restaurants so popular, as well as many of her own personal favorites. By relying on the boldly flavored ingredients common to both Latin and Asian cuisines—like mangoes, limes, chiles, mint, ginger, coconut, and cilantro—Isabel's healthful dishes are never bland. She gets things going with starters such as Grilled Vegetable Salad with Sofrito Vinaigrette and Shrimp Bites Wrapped in Greens. There's Grilled Mahi-Mahi with Jalapeño-Ponzu Sauce, Green Chile Posole with Pork, and New York Strip Steak with Baked Plantain Fries. Gone are heavy refried beans and white rice, replaced by Chipotle White Beans and whole-grain Power Rice. In an invaluable chapter, Isabel reveals how to dress up any meal with healthy sauces and salsas, such as Papaya-Mango-Mint Salsa and Avocado Salsa Cruda. Desserts, drinks, and even brunch dishes round out her collection of recipes for every part of the day. Blending fresh flavors with an eye for health, Isabel's signature Latin food with Asian accents is not only good for you but—most important—it's delicious.

Recover in Color Kathleen E Yancosek, 2022-01-15 Recover in Color is a gift to the mental health community. This workbook is a year's worth of rehabilitation that can be completed on your own, with a sponsor or therapist or used in a group therapy setting. Recover in Color contains fifty-two lessons, a coloring page to reinforce each lesson and a weekly journal page with four discussion questions. Using a biblical worldview, Recover in Color contains thirteen lessons in four categories of (1) developing a sense of self, (2) emotional literacy, (3) boundaries and (4) spirituality. There is something here for everyone working a recovery program, whether you are new to recovery or have been traveling the long road for years. This workbook is also beneficial for family members of those in recovery programs. Recover in Color is a fresh approach to rehabilitation that incorporates the classic principles that have passed the test of time. Each lesson is short, to the point and contains a soundbite title to help reinforce the coping strategy for that week. After completing this year-long recovery workbook, you will know yourself better, and you will have new coping strategies to help you deal with the difficult challenges faced in life. Why not recover in color? Holistic and purposeful in design, Recover in Color creates a path to healing and personal rediscovery. When my son died, I became fully detached from this world. Body, soul and spirit—all shattered and scattered into the ether of a heavily weighted, dark, impenetrable haze. When suffering descends upon us from a variety of life experiences, we cannot recover alone—we need the hand of another to guide us. Dr. Yancosek has created a tool to pierce the impenetrable haze and reveals the possibility of God's hand to intervene. -- Charles D. Quick, OTD, CHT, Lieutenant Colonel (retired), United States Army Recover in Color is a fresh take on trusted principles of well-being. The unique style of writing combined with the coloring pages create an incredible workbook that can be completed individually or with the guidance of a

therapist. I recommend this book to people who are pursuing personal growth through increased self-awareness and development. --Amelia Duran-Stanton, PhD, D.Sc., PA-C
With Recover in Color, Dr. Yancosek has done something very rare, but desperately needed: she has made deep truths easily accessible. The human soul can only be nourished and healed with such truths and that is why this book will be a treasure to many.
