Hyperbole and a Half Allie Brosh, 2013-10-29 #1  
New York Times Bestseller "Funny and smart as hell" (Bill Gates), Allie Brosh's Hyperbole and a Half showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog Hyperbole and a Half the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, "The God of Cake," "Dogs Don't Understand Basic Concepts Like Moving," and her astonishing, "Adventures in Depression," and "Depression Part Two," which have been hailed as some of the most insightful meditations on the disease ever written. Brosh's debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound

vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars\* Stories about dogs The secret to eternal happiness\* \*These are lies. Perhaps I have underestimated my sneakiness!

*The Mammoth's Halloween Costume* AQEEL AHMED, 2023-10-29 In the Land of the Dinosaurs: The Mammoth's Halloween Costume is a fun book for kids that takes place in a world full of huge mountains and old forests. Max is a young, curious giant with a heart exactly the size of his body. The

story follows him as he goes on an amazing Halloween journey. Max's loving parents, Manny and Martha, live in a beautiful cave between two huge rocks. With Halloween coming up, Max becomes more interested in the parties and celebrations going on all around him in the dinosaur world. Oscar the pterodactyl and Tina the triceratops tell him about fun costumes, pumpkin lanterns, and tasty treats. Max, who is excited and interested, asks to spend Halloween with his folks. Even though mammoths don't celebrate Halloween, Manny and Martha look at each other with a sly grin and decide to get Max involved. Max then says that he wants to dress up as a scary dinosaur for Halloween, drawing ideas from the animals that like to hang out where he is. Because they love and support him no matter what, Max's folks decide to help him make the dinosaur costume of his dreams. To make the scales on his back and tail, they get vines, twigs, and leaves from the bush. Max is so excited as they work on the outfit together that he can't hold it in. He can't wait to put it on and feel like a real dinosaur. Max gets his finished outfit on Halloween. His parents make a few small changes, and then he is ready to go trick-or-treating with his friends Tina and Oscar. As they leave on their Halloween adventure, they are shocked by the decorations and pumpkin lanterns that have been set up around the old forest. Creatures dressed up in scary costumes are making everyone laugh. After some time, the three of them reach an open area with a Halloween costume contest. Max, Tina, and Oscar are excited to take part, and the judges give them prizes for

their creative outfits. Max is thrilled to have won the prize for the scariest outfit. As the night goes on, Max and his friends enjoy Halloween in ways they never thought possible. They play games, dance, and eat a huge meal. As the night comes to a close, Max goes back to his cozy cave, takes off his dinosaur costume, and thinks about what a great Halloween trip it was. Max loves his family and friends very much because they helped him reach his goal and showed him that with their help, anything is possible, even a baby giant dressed as a dinosaur for Halloween. The story shows how important friendship, dreams, and all the wonderful things in the world are. This is how the story starts: Max was a baby mammoth that lived in a world full of old woods and high peaks a long time ago. This friendly and curious giant had a huge heart, and his kindness was just as big as his size. His cave was safe because it was tucked between two huge, solid rocks. It was always a treat and an honor to be Max. He would go into the vast desert every day at dawn because he was very curious and wanted to see everything there was to see. With every step he took on the beautiful ground, his huge body left a mark on this old area. Max wasn't the only one in the middle of this magical land. His parents, Manny and Martha, are very careful, so they made his basement home a close-knit family. They worked together to make a safe place where they could live through the hard times of ancient times—a warm and loving place in the middle of a harsh environment. Max could feel the excitement building in the air as the seasons changed and the

land went through its normal changes. He became interested in the idea of a party. On its way, Halloween, a one-of-a-kind event, was coming up. Max was interested because his friends and people on the air had been talking about this wonderful event. He had never been to a Halloween party or done anything scary on Halloween before. Max was interested in the accounts of beautiful costumes, glowing pumpkin lanterns, and tasty snacks that filled the room. Max was getting more and more excited about Halloween every day. His friends, Oscar the pterodactyl and Tina the triceratops, told him about the things they did on Halloween. Max was mesmerized by their creative descriptions, which made him think of magical parties and magical disguises. Max chose to make the most of the nice afternoon. He went to his parents, Manny and Martha, with a strong will and told them the truth. Max said, Mom and Dad, I want to celebrate Halloween this year. I want to dress up and have fun with my friends. Manny and Martha smiled along with Max because they could see how happy he was. He asked in a somber voice, Halloween, you say? It is not a custom amongst mammoths, but if it stirs your heart, dear Max, we shall stand by you. Martha agreed and nodded, her eyes shining with love. Max's mind was racing as he imagined his dream costume. We will help you make a wonderful costume, my child. Tell me, what does your heart desire? I just picture myself as a mean dinosaur! he cried with joy. He was thrilled at the thought of spending the night as one of the beautiful animals he had seen for a long time wandering their ancestral lands. Max's folks were happy and

supportive of his choice. They set out to make the best outfit possible. They worked very hard to make scales for his back and tail by weaving together leaves, twigs, and plants from the lush forest.
