The Life of Madie Hall Xuma Wanda A. Hendricks,2022-10-25 Revered in South Africa as An African American Mother of the Nation, Madie Beatrice Hall Xuma spent her extraordinary life immersed in global women's activism. Wanda A. Hendricks's biography follows Hall Xuma from her upbringing in the Jim Crow South to her leadership role in the African National Congress (ANC) and beyond. Hall Xuma was already known for her social welfare work when she married South African physician and ANC activist Alfred Bitini Xuma. Becoming president of the ANC Women's League put Hall Xuma at the forefront of fighting racial discrimination as South Africa moved toward apartheid. Hendricks provides the long-overlooked context for the events that undergirded Hall Xuma's life and work. As she shows, a confluence of history, ideas, and organizations both shaped Hall Xuma and centered her in the histories of Black women and women's activism, and of South Africa and the United States.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
