The Affordable Flight Guide Jen Ruiz,2018-03-03

Take More Vacations Scott Keyes,2021-05-11 ** USAToday Bestseller ** The founder of Scott's Cheap Flights explains why we're searching for airfare all wrong, shares the strategies that have saved his two million newsletter subscribers a collective \$500 million on airfare, and presents a bold new approach for how to see the world while never overpaying for flights again. When Scott Keyes booked flights to Italy for \$130 roundtrip and Japan for \$169 roundtrip, he didn't just uncover amazing fares; it was the beginning of a new approach that makes travel possible for anyone who has dreamed of seeing the world. What's stopping us all from traveling more? The confusion of buying airfare—not knowing when to book, where to buy, or what to pay. Take More Vacations is the guidebook for anyone hoping to turn one annual vacation into three. Readers will discover why the traditional way of planning vacations undercuts our ability to enjoy them, and how a new strategy can lead to cheaper fares and more trips. Why cheap flights never have to be inconvenient flights, and all the steps you can take to get a good fare even when you don't have flexibility. The surprising best week for international travel, and how small airports actually get the best deals. Keyes challenges the conventional wisdom that it costs thousands of dollars to fly overseas and shows readers how to make previously unthinkable trips possible.

A Siberian Winter's Tale - Cycling to the Edge of Insanity and the End of the World Helen Lloyd,2015-12-16 A Journey of Discovery driven by the Call of the Wild. In the depth of winter, Helen Lloyd spent three months cycling solo across one of the most remote, coldest inhabited regions of the planet - Siberia. In temperatures down to -50 C, she battled against the cold, overcoming her fear of wolves and falling through the ice of a frozen lake. Alone in a hibernating land with little to stimulate the senses, the biggest challenges were with her mind as she struggled with the solitude. With flashes of humour and riveting, graphic descriptions that will have you living each moment with her, Helen Lloyd describes the fear, uncertainty and joy of riding through a frozen, icy world. Yet, A Siberian Winter's Tale is a touching story full of warm-hearted moments that are gifted to Helen by strangers along the Road of Bones.
