*Emanuel Ungaro* Christine Orban,1999 The Greek statue, the Oriental veiled beauty, the Parisienne, the gypsy, the diva - all these incarnations of women and more are captured in the creations of Emanuel Ungaro. Beginning his career in 1958 as an assistant to Balenciaga, Ungaro was to open his first fashion house in Paris seven years later. Since then, he has exhibited both ready-to-wear and couture collections, each of them representing the height of elegant, sophisticated chic. This is an exploration of his work in fashion.

Monica La Diva by Dolce&Gabbana Babeth Djian,2024-09-24 For Dolce&Gabbana, Monica Bellucci embodies the dream of la dolce vita. This book tells the story of a diva and her unique style. Monica Bellucci and Dolce&Gabbana have an unbreakable bond. Their first meeting took place during a casting session for a fashion show, when it was love at first sight. Since then, the muse has continued to inspire the two designers, who are now paying their respects to her wholly Italian sensuality, beauty, and charisma in this volume. The unique style of the contemporary diva is presented in a large-format photo book, as a celebration of the career and beauty of the model, actress, and woman. Babeth Djian, editor of the French magazine Numéro, has curated the art direction of the volume; Jean-Baptiste Mondino has created 12 wonderful portraits of Monica specifically for this project, which will be accompanied by the advertising campaigns, editorials, and most iconic shots in which she posed for the great masters of photography. Two previously unpublished interviews with Monica Bellucci and Domenico Dolce and Stefano Gabbana seal this indissoluble connection forever.

**Palm Beach Chic** Jennifer Ash Rudick,2015-10-06 Palm Beach interiors have long reflected the travels, penchants, and whimsies of the town's worldly inhabitants. But as real estate on this tiny barrier island becomes increasingly valuable, residents are calling upon world-class designers to help fine-tune their visions, giving rise to a fresh tropical design vernacular. Fashion designer Josie Natori, for instance, asked architect Calvin Tsao to transform a standard two-bedroom apartment into an airy retreat with rattan furniture and ethnic accessories that are perfectly suited to Palm Beach's subtropical setting and pay tribute to her Asian heritage. These homes aren't slavish copies of interior design magazines or decorators' dictates but testaments to what can be achieved when inspired by the natural beauty of a unique locale and when imagination is one's only limitation. *Tropical Chic: Palm Beach at Home* captures the enduring charm of newly restored seaside fantasies by Mizner, Fatio and Volk, celebrated for their Cuban coquina courtyards and soaring miradors overlooking tiled pools and arching fountains. Jennifer Ash Rudick, a long-time Palm Beach resident, leads an insider's tour of twenty-five houses, cottages, Moorish casbahs, artists' compounds, and Mad Men-era vintage condos. Jessica Klewicki, a Palm Beach-based photographer, captures extraordinary gardens, verandas, lakeside pavilions, a rustic ranch, and simple pastel Bermudan houses sheltered by dense thickets of Norfolk pines and age-old banyans. It is this eclectic mix of old and new, of Spanish and Caribbean, of contemporary design and sun-faded WASP thrift, that makes Palm Beach chic.

*Freak to Chic* Dominic Janes,2021-07-01 In this unique intervention in the study of queer culture, Dominic Janes highlights that, under the gaze of social conservatism, 'gay' life was hiding in plain sight. Indeed, he argues that the worlds of glamour, fashion, art and countercultural style provided rich opportunities for the construction of queer spectacle in London. Inspired by the legacies of Oscar Wilde, interwar and later 20th-century men such as Cecil Beaton expressed transgressive desires in forms inspired by those labelled 'freaks' and, thereby, made major contributions to the histories of art, design, fashion, sexuality, and celebrity. Janes reinterprets the origins of gay and queer cultures by charting the interactions between marginalized freaks and

chic fashionistas. He establishes a new framework for future analyses of other cities and media, and of the roles of women and diverse identities.

*(Re)Possessing Beauty: Politics, Poetics, Change* Sallie McNamara, 2019-01-04 This volume was first published by Inter-Disciplinary Press in 2014. Ideas of beauty permeate our lives in ways of which we are often unaware, yet they are indicators of identity, transgression, sartorial codes and otherness. While contemporary society sees the dominance of Western hegemonic ideals of beauty, when comparing these to ideals in different cultures at different historical periods, attention is drawn to the instability of 'beauty'. The work in this volume considers the ways individuals question, respond to, articulate reflect, challenge, modify or accept beauty within their lives, to show it can be powerful, destructive and transformative. They show that beauty is not always what it appears and can challenge common-sense preconceptions as to what is beautiful. The range of topics provide an important contribution to ongoing discussions and are testament to both the diversity and complexity of debate the concept engenders across different disciplines.

*New York Magazine*, 1992-11-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**Framing French Culture** Ben McCann, 2015 Throughout this book, the concept of framing is used to look at art, photography, scientific drawings and cinema as visually constituted, spatially bounded productions. The way these genres relate to that which exists beyond the frame, by means of plastic, chemically transposed, pencil-sketched or moving images allows us to decipher the particular language of the visual and at the same time circumscribe the dialectic between presence and absence that is proper to all visual media. Yet, these kinds of re-framing owe their existence to the ruptures and upheavals that marked the demise of certain discursive systems in the past, announcing the emergence of others that were in turn overturned.

**The Fashionista Files** Karen Robinovitz, Melissa de la Cruz, 2007-12-18 A fashionista is a girl who always looks current and cutting edge, even when her clothes are vintage 1975. A fashionista can tell her Pucci from her Gucci and her Blahniks from her Choos, but she's as comfortable in Kmart as she is in Chanel. She wears what she likes and always looks fantastic. She's a clothing chameleon: a sharp tweed suit and ladylike driving gloves one moment, a punk rock T-shirt and studded belt the next. She's a gypsy, a princess, and a diva. She's fashion-forward, shopping-addicted, and full of fun. And you can be her, no matter your size, style, or budget. Authors Melissa de la Cruz and Karen Robinovitz are fashionistas who share a love for impractical shoes, small dogs that fit in designer handbags, and wearing white after Labor Day. They eat, sleep, and breathe fashion. And they'll teach you how to • Make a whole new wardrobe out of the awful duds that lurk in the back of your closet • Use the words "postmodern" and "ironic" to fake your way through pseudo-intellectual cocktail conversation (really—it's easy, and so postmodern and ironic!) • Score big with chic and cheap finds at thrift stores, consignment shops, and discount designer outlets • Live like a socialite on a shoestring budget In two weeks or less, you'll be living the lush life, from the brim of your Eugenia Kim fedora to the tip of your pointy Christian Louboutin pumps!

Lost Wyoming Debra Snider, 2016-08-01 A bright and thoughtful, yet thoroughly disillusioned heroine discovers how family shapes who we are, who we aren't, and who we have the potential to become. When a family crisis jolts Maggie Winslow out of her quarter-life malaise, she takes charge and rethinks the choices and convictions that have kept her from living the life she always envisioned. A heartbreaking, unflinchingly honest, and ultimately uplifting tale about the puzzles we must solve for ourselves.

And That's a Wrap! Shannon Mullett-Bowlsby, 2011-11 Feel movie-star fabulous every day while wearing one of Shannon Mullett-Bowlsby's wrap-style fashions. From a chic one-sleeved shrug to a string-tied tunic, these five patterns take crochet beyond anyone's expectations. Put on a flared and flirty vest, drape yourself in a dreamy

ruana, or settle an elegant stole around your pampered shoulders. Each garment will amaze and delight the diva in you!

*Material Girls* Elaine Dimopoulos, 2015 Teens Ivy Wilde and Marla Klein, both minor celebrities, face major lifestyle changes as pop-star Ivy questions the rampant consumerism required to maintain her image, and fashionista Marla sees first-hand the appalling working conditions that allowed her to be a trend-setter. Simultaneous eBook. 20,000 first printing.

**New York Magazine**, 1989-12-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**Grace Meets Grit** Daina Middleton, 2016-10-14 There is no mistaking that inequality in the workplace is still prevalent in the form of salary inequity and unequal representation in leadership and board positions. Too often conversations about inequality can lead to men and women believing they are alike. Women and men are not the same, biologically or psychologically, and these differences lead to significant dissimilarities in how each approaches leadership situations. *Grace Meets Grit* navigates the previously unexplored subject of gender differences in the workplace specifically applied to critical leadership behaviors. Leadership behaviors are what make us all successful in the workplace. They are how we are evaluated against our peers and what we use to solve problems when working in teams. We also know that the most effective organizations work diligently to optimize these leadership behaviors. Through stories of extraordinary, courageous women, *Grace Meets Grit* shows how to compensate for your innate style by dialing up leadership qualities you may not naturally possess. Middleton empowers women, in particular, to embrace their innate qualities and anticipate and apply behaviors expected of their male counterparts to help level the playing field. The end result is fewer misunderstandings in the workplace and higher performance from both individual leaders and teams.
