High Art Lite Julian Stallabrass,2020-05-05 This searing book has become the authoritative account of the new British art of the 1990s, its legacy in the 21st century, and what it tells us about the fate of high art in contemporary society. High Art Lite provides a sustained analysis of the phenomenal success of YBA, young British artists obsessed with commerce, mass media and the cult of personality - Damien Hirst, Tracey Emin, Jake and Dinos Chapman, Marcus Harvey, Sarah Lucas, among others. In this fully revised and expanded edition, Julian Stallabrass explores how YBA lost its critical immunity in the new millennium, and looks at the ways in which figures such as Hirst, Emin, Wearing and Landy have altered their work in recent years.

Dear Digital, We need to talk Kristy Goodwin,2023-01-24 Suffering with toxic tech-habits? Zoom fatigue? Digital dementia? Burnout? Many of us have adopted unhealthy and unsustainable digital habits that are not only putting a dent in our performance and productivity, they are also seriously impacting both our physical health and mental wellbeing. But it's no longer realistic to simply throw away our laptops or cancel our Netflix subscriptions. Whether we love it or loathe it, technology is here to stay. Dear Digital, We need to talk provides realistic, research-based ways to cultivate healthy and helpful digital habits that work with our brains and bodies, rather than against them. It presents a menu of practical micro-habits designed to bolster your productivity and support your wellbeing in our always-on, digitally distracted world. This book does not advocate for a #digitaldetox (in fact, it explores why detoxes don't work), nor does it propose that you digitally amputate yourself. Instead, Dear Digital, We need to talk will help you take back control of your attention and use technology in ways that will support your performance and wellbeing, rather than stifle it.

The Man with the Baltic Stare James Church,2010-08-17 From James Church, the author of the critically acclaimed Inspector O series, comes The Man with the Baltic Stare--another riveting novel set in the mysterious world of North Korea Autumn brings unwelcome news to Inspector O: he has been wrenched from retirement and ordered back to Pyongyang for a final assignment. The two Koreas, he learns, are now cooperating--very quietly--to maintain stability in the North. Stability requires that Inspector O lead an investigation into a crime of passion committed by the young man who has been selected as the best possible leader of a transition government. O is instructed to make sure that the case goes away. Remnants of the old regime, foreign powers, rival gangs--all want a piece of the action, and all make it clear that if O values his life, he will not get in their way. O isn't sure where his loyalties lie, and he doesn't have much time to figure out whether 'tis better to be noble or be dead.

Dead Birds Don't Sing Niall Illingworth,2020-11-16 Free after serving 41 years in the state penitentiary, Chaska discovers something about his past

that draws him back to Spruce Mountain, the spiritual home of his ancestors. A notorious Indian massacre and a tragic mining accident lead Chaska to the wealthy Lawrence brothers who hide dark secrets. Set against a backdrop of prejudice and racial discrimination, Chaska sets out to find the truth and right the injustices of the past.

Psychology and Work Today Carrie A. Bulger, Duane P. Schultz, Sydney Ellen Schultz, 2020-03-23 *Psychology and Work Today*, 11th Edition is an exciting update of a well-loved textbook that introduces industrial and organizational psychology, explaining how industrial-organizational psychologists make work and working better. This accessible and informative text explains how industrial-organizational psychologists help organizations hire the best people by designing tests and interviews that uncover the skills and abilities of applicants, make work better by removing or reducing safety issues and sources of stress so that personnel are motivated and able to perform to their abilities, and work with managers and leaders to be more effective at leading others. This book also describes how industrial-organizational psychologists work with organizations to embrace diversity in the workforce and celebrate the strengths that employees from many backgrounds bring to organizations. In addition, this text includes how psychologists help organizations to design the physical work environment to best suit employees, while other psychologists help organizations to market their products and services to consumers. This text covers both the essential and traditional industrial-organizational psychology topic areas such as job analysis, employee selection, and work motivation as well as topic areas that are important in workplaces today such as stress and well-being, human factors, and preparing for jobs of the future. The chapter on consumer psychology remains unique to this textbook. This new edition includes coverage of employable skills desired by hiring managers and executives; the ways the highly publicized replicability crisis has affected the science and practice of industrial-organizational psychology; online and mobile employment testing; diversity and inclusion throughout the workplace, including microaggressions; preparing people and organizations for jobs of the future; incivility and harassment at work, including abusive supervision; safety climate and employee health; and advertising on social media and video games. Including many illustrative examples of industrial-organizational psychology in real-world workplaces, the 11th Edition is thoroughly updated to include the latest theory, research, and practice on each key topic. Each chapter features defined key terms, a chapter outline, a chapter summary, review questions, annotated additional reading, and engaging Newsbreak sections. The book will be of interest to undergraduate students in introduction industrial-organizational psychology or psychology of work behaviour courses.
