Learning How to Play Dodgeball Tammy Gagne, 2019-09-04 Dodgeball is a fun game that kids often play at summer camp. Some schools and community centers also have dodgeball teams that kids can join. There are several variations of this game. In all of them, the object is to eliminate players from the game one at a time. Players throw large, rubber balls at the other players. Once a player is hit, that person is tagged out of the game. When played safely, dodgeball is a fun and challenging sport.

If You Got the Guts, We Got the Balls: A Book about Dodgeball Chris D'Angelo, 2008-08-01 When I tell someone I play Dodgeball, they normally respond with, I haven't played that since grade school. The sad thing is, our overprotective society has started banning the sport in schools across the country. They feel it's too dangerous, and that it encourages bullies to pick on weaker students. I however, see the game differently. In Dodgeball, anyone can be the hero on any day, in any game. Your position does not dictate your playtime or importance. This book is written for those who love the game or for those who are curious and want to learn more. Whether the game is being banned in schools or kids are too scared to play, the future of the game is in jeopardy. So then those who show up to play now are there because they want to be, and it's their duty to pass on the game to others. So buy this book, and I'll see you on the courts. Chapters include: The Rules / Stretches / Skills / Strategy

*Community Klepto* Kelly I. Hitchcock, 2022-06-21 Ann Josephson is a twenty-five-year-old sociopath whose compulsive kleptomania manifests itself in the most unlikely of places: the community center where she works out every day. The walls of the community center insulate her from the terrors of the outside world, which include her freelance work as a graphic artist; her socialite parents, who pay the better part of her living expenses; her therapist, who devotedly punches the clock; and the dark void of romantic relationships. As Ann battles the inner demons that plague her millennial psyche, she must also battle the fiends that plague her at the gym: the loudly grunting beefcake who can't be bothered to drop his weights at a reasonable volume, the naked old lady in the locker room using a towel as butt floss, the housewife in yoga pants that obviate the need for yoga wheeling her double stroller up and down the indoor track. Set in suburban Kansas City in the early 2010s, *Community Klepto*—a droll combination of Bridget Jones' Diary and Choke—makes incarnate the characters and shenanigans that go on in every gym in the world.

However, the genie had found a way of circumventing the rules that bound him. Now Russo must fight his classmates (and even himself) in a gladiator-style tournament.

**Earth-Sod-Blen** Jeremiah Josen, 2023-07-10 Earth-Sod-Blen There have been three civilizations here on earth. Presently, our society is at the end of the third civilization. What we all now call earth was once Earth-Sod-Blen. The name Earth-Sod-Blen is derived from three aspects of our planet. The first aspect is, of course, the earth, or our planet. The second is Sod, which is the ground that is floating on the water. The third is Blen. Blen is the most important of the three and is the harmonious blending of all the many beings of our planet living together in peace and harmony with all. This tale takes place at the end of the dark ages of the civilization, at a time before the continents separated and when the highest number of different symbiont beings walked the sod of the earth. There were a multitude of different cultures and races: elves, dwarfs, centaurs, hu-man, fairies, Aqua-

Airians, tribal trolls, clan trolls, and the last remaining dragon. The Chronicles foretold of a great hero who would help rebuild the trust between all beings and bring peace to all. Perhaps the telling of this tale will help to bring peace to our world today. Cover illustration by David Short @davidjrshort
