How to Build a Dog House Alan Rushing,2014-08-04 INTRODUCTION There's no question that everybody needs a place of his/her own, and canines are not any exception. The value of your dog having a comfy quality dog house can't be overestimated. Defense against weather and elements assist to prolong and boost the quality of life for outdoor dogs. Thus, if you wish to provide your dog with the care he deserves, a superb dog house is the proper way to make your dog comfortable in any weather conditions. A number of dog owners are handy with a hammer and saw and they can construct a pet shelter for their dogs based on dog house plans or specs. Other people can buy ready-made dog houses or order to build one to their pet's needs and their own inclinations. The style of the dog house should feature comfort and ease for your dog in both the extreme cold, and hot weather. A dog house must be strong, long lasting, well-built and structurally sound to give your canine friend the most security in any conditions and to provide the best outdoor protection available. Insulated dog houses keep your dogs warm in the winter and cool in the summer. And it's very important to pick the right size of house for your dog. Building a Doghouse Mary Twitchell,2001-01-01 Build a Doghouse That's Just Right for Your Dog! While your dog may be a full-fledged member of the family, there are times when you must put him or her outdoors. Some dogs, for example, become over enthusiastically friendly when visitors appear, even to the point of knocking down your unsuspecting guests. Other dogs enjoy having some time to themselves in the backyard. Whatever the reason that shepherds the dog out the door, a nearby doghouse within a fenced-in area provides a protected, private space for your dog and peace of mind for you. A proper doghouse is a canine retreat, a place where your dog can hide from the hot sun, the cold rain, the harsh wind, and the worries of the world. Mary Twitchell takes you through all the options for building or buying a comfortable and cozy shelter for your canine companion. Whether you want to modify a barrel, buy a molded plastic shelter, or build a wooden doghouse, you'll find all the information you need right here, from choosing the right site to proper building techniques to encouraging your dog to use the new doghouse.

In the Doghouse? Becky Van Burkleo,2007-09 People who love dogs will find adventure, humor, and pathos in this family story. If every man needs one good woman and one good dog in his lifetime, Dad found both. Although the woman and their children appear throughout this book, the story focuses on the dog and her man. Julie was an undersized Llewellyn English setter, amiable of disposition, and freckled of face. Dad, an avid outdoorsman, doted on her shamelessly for seventeen years. They roamed the great outdoors, sharing adventures with game birds, varmints, white-water rivers, and hang-gliders. So inseparable were they, Mama once remarked, If that dog could cook and make love, I'd be out of a job! Julie would never have won a field trial, but she became a serious bird dog, hunting bobwhites and ruffed grouse in the Appalachians. Later, the game was valley and mountain quail in California. She learned not to chase rabbits and deer, but Dad was powerless over her ground-hog addiction. Upon encountering a woodchuck, her eyes would glow with the joy of combat, and she would attack with colors flying. In the field, it was all business, but the professional training fraternity

would curl its collective lip to see Dad coddle his dogs around the house. With her second litter, Julie produced a handsome co-character, Pretty Boy. Julie perfected a guilt-inducing stare that paid off in shares of whatever snack was being consumed. She endeared herself to all with her dance of joy when an outing appeared imminent. Disapproval was expressed by a disdainful sneer. In her old age, arthritis overwhelmed her. Dad tirelessly medicated and massaged her, but finally had to accept t

Finding a Forever Home Heather Bishop,2022-02-17 'The TV series of the decade stars a bunch of rescue dogs' Caitlin Moran 'Channel 4 series The Dog House has captured hearts across the nation. Now, a touching book Finding a Forever Home goes behind the scenes to meet incredible rescuers and their equally incredible four-legged friends' Daily Express 'It mutt be love! Adopting a rescue pup is life-changing, as a book about hit show The Dog House proves' The People Sometimes it's love at first sight. Sometimes it takes a while. But the staff at Woodgreen are always there to look after their canine guests until they find the right permanent home. From big to small and pedigree to the scruffiest pooch, no effort is spared to find each and every one a new family who will give them the love they deserve. Rehoming a dog is a big commitment, but also a privilege and a huge joy when the right match is made. Finding a Forever Home introduces Rocky, a gentle giant of a Newfoundland who helped a young boy recover his appetite for food and for life; feisty wee Westie Norman who made a bereaved mother and her autistic son a complete family again, and Pebbles who helped former Paralympian David - on a downward spiral after appendicitis forced him to pull out of the 2012 London Games - and enabled him to calm down, lighten up and to finally find joy in life with his new canine friend. These are just some of the heart-warming and inspiring stories of once-lost dogs, their new families and their journeys beyond The Dog House. Praise for The Dog House series 2: 'This was a charming series when it first appeared a couple of years ago, and it has only grown more lovely' Guardian 'An hour spent watching families meet their new pets cannot fail to lift the mood.' Daily Mail 'The most heartwarming show on TV' Daily Telegraph

Dog House Carol Prisant,2010-05-06 Dog House wasn't supposed to be a book about love. It was supposed to be a hugely funny account of the dogs in Carol Prisant's life. And not just the dogs, but that first bird she found at Woolworth's, the monkey that fell in love with her husband's leg, the thankless tiny turtle, and the goldfish her pet- challenged mother flushed down the toilet. Somehow though, this straightforward telling got a little blindsided by things like making marriage work and home- owning and children and a profession and her dear, supportive husband, Millard. Which is why the goldfish will just have to wait for the sequel. This book is still about cold noses, warm bellies, four on the floor, and a snuggler or two. Your basic fur family. It's also about the love of a mother for her son, a wife for her husband, a husband for some dogs, and the love it takes to make a haunted house a home. Your basic family furnisgings. Throw in a lot of antiques, a couple triumphs over adversity, and a more-than-seems-fair share of heartbreaking loss and you have Dog House- the warm, absorbing, and humorous tale of dogs and marriage, love and marriage and life.
