**Dance Through Time** Terry Dance-Bennink,2024-01-18 Born in the UK and raised in the US, Terry Dance-Bennink found her way to Toronto as a university student in 1966. A sixties activist who never stopped, she became a peace advocate, civil rights campaigner, women's rights defender, union organizer, adult educator, environmental activist, and democracy champion. Dance Through Time traces the author's evolution from youthful Marxism to electoral politics to peaceful civil disobedience. As a spiritual seeker, Terry relies on her faith to overcome personal and political obstacles. Born a Catholic, she becomes an atheist during her Marxist years, then returns to progressive Christianity in the nineties, joining the United Church when she moves to Victoria, B.C. She eventually calls herself a Buddhist-Christian with no church address. A heart-breaking divorce, childlessness, breast cancer, and blindness challenge her, along with despair about the fate of the earth. But her belief in a power greater than fallible human beings—the "great mystery"— sustains her as she keeps pushing forward. In mid-life, Terry encounters "the man in her dreams," her second husband, and builds a truly formidable career

in both the non-profit and public sectors as an impassioned, spiritually informed advocate for adult education, proportional representation, Indigenous peoples, old-growth forests, and so much more. Seventy-five years later, Terry is still on the front lines to save B.C.'s ancient forests and combat climate change. *Dance Through Time* revisits the revolutionary potential of the sixties and celebrates the enduring power of political solidarity, forgiveness, and spiritual connection.

You Had Me at Pet-Nat Rachel Signer, 2021-10-19 From the publisher of Pipette Magazine, discover a natural wine-soaked memoir about finding your passion—and falling in love. It was Rachel Signer's dream to be that girl: the one smoking hand-rolled cigarettes out the windows of her 19th-century Parisian studio apartment, wearing second-hand Isabel Marant jeans and sipping a glass of Beaujolais redolent of crushed roses with a touch of horse mane. Instead she was an under-appreciated freelance

journalist and waitress in New York City, frustrated at always being broke and completely miserable in love. When she tastes her first pétillant-naturel (pét-nat for short), a type of natural wine made with no additives or chemicals, it sets her on a journey of self-discovery, both deeply personal and professional, that leads her to Paris, Italy, Spain, Georgia, and finally deep into the wilds of South Australia and which forces her, in the face of her Wildman, to ask herself the hard question: can she really handle the unconventional life she claims she wants? Have you ever been sidetracked by something that turned into a career path? Did you ever think you were looking for a certain kind of romantic partner, but fell in love with someone wild, passionate and with a completely different life? For Signer, the discovery of natural wine became an introduction to a larger ethos and philosophy that she had long craved: one rooted in egalitarianism, diversity, organics, environmental concerns, and ancient traditions. In *You Had Me at Pét-Nat*, as Signer begins to truly understand these revolutionary wine producers upending the industry, their deep commitment to making their wine with integrity and with as little intervention as possible, she is smacked with the realization that unless she faces, head-on, her own issues with commitment, she will not be able to live a life that is as freewheeling, unpredictable, and singular as the wine she loves.

*The Uncommon Heroes Collection: True Devotion / True Valor / True Honor* Dee Henderson, 2016-10-24 This collection bundles all three of popular author Dee Henderson's military romantic suspense series *Uncommon Heroes* into one e-book for a great value! #1 *True Devotion* Kelly Jacobs has already paid the ultimate price of loving a warrior; she has the folded flag and the grateful thanks of a nation to prove it. Kelly is in danger, and Joe may not get there in time. #2 *True Valor* Heroes get a new meaning when you

see inside their lives. Gracie is a Navy Pilot; Bruce works Air Force Pararescue. With dangerous jobs—often away from home—they write love letters. When Gracie is shot down behind enemy lines, Bruce has one mission: get her out alive. #3 True Honor CIA officer Darcy St. James is after a man who knew September 11 would happen—a man who chose to profit from the knowledge. Navy SEAL Sam “Cougar” Houston is busy: The intelligence Darcy is generating has his team deploying around the world. Under the pressure of war, their romance flourishes. But it may be a short relationship: for the terrorists have chosen their next targets, and Darcy’s name is high on the list. *Uncommon Heroes: Welcome to a world where friendships go deep, loyalties stand strong, and uncommon heroes perform the toughest jobs in the world.* Dee Henderson’s military romance series provides a detailed passage into the world of the military and homeland heroes, and those they love.
