Deconstructed Do-Gooder Britney Winn Lee,2019-05-16 In a Christian culture driven by answer-knowing and movement-making, we have largely become addicted to figuring out the way and ensuring that others are walking it as well in order to be counted faithful. An addict to this end herself, Britney Winn Lee is no stranger to the question posed by the lawmaker in the story of the Good Samaritan: “Teacher, what must I do . . . ?” Here, she takes us through her journey of becoming every character in the parable—from Priest to Innkeeper, from Robber to Wounded. Lee offers us an invitation to find ourselves in the story, be that in conservative evangelicalism, overseas missions, new monastic communities, cynical doubts, or the pain of postpartum depression and ministries ending. Her complicated road of theological deconstructions (expressed through narrative) exposes the harm that can be caused by a deep desire to do good as well as the mercy that can be found when all of one’s religious paths and purposes are lost.

The Ladybird Book of The Do-Gooder Jason Hazeley, Joel Morris, 2017-02-23 THE PERFECT GIFT for the Do-Gooder in your life. (Don't you just hate them?)

_____ The do-gooder does all sorts of crazy things. It can be something as easy as running a marathon, or as difficult as dressing up. To make this eccentric behaviour seem less like a cry for help or the beginnings of a substantial personal crisis, the do-gooder does it for charity. _____

Vernon has a job as a street fundraiser for the R.N.L.I. He wears a high-visibility jacket, a high visibility and high visibility trousers. Everybody on the street still pretends they cannot see him.

_____ This delightful book is the latest in the series of Ladybird books which have been specially planned to help grown-ups with the world about them. The large clear script, the careful choice of words, the frequent repetition and the thoughtful matching of text with pictures all enable grown-ups to think they have taught themselves to cope. Featuring original Ladybird artwork alongside brilliantly funny, brand new text. 'Hilarious' Stylist

Corporate Citizen Oonagh E. Fitzgerald, 2020-10-06 The contributors to *Corporate Citizen* explore the legal frameworks and standards of conduct for multinational corporations. In a globalized world governed by domestic and international law, these corporations can be everywhere and nowhere at once, reaping financial benefits and enjoying the protections of investor-state arbitration but rarely being held accountable for the economic, environmental, and human rights harms they may have caused. Given the far-reaching power and success of the transnational corporation, and the many legal tools allowing these companies to avoid liability, how can governments protect their citizens? Broad-ranging in perspective, colourful and thought-provoking, the chapters in *Corporate Citizen* make the case that because the success of corporate global citizenship risks undermining national and international democratic governance, the multinational corporation must be more closely scrutinized and controlled – in the service of humanity and the protection of the natural environment.

Silent Mercy Linda Fairstein, 2011-03-08 New York Times bestselling author Linda Fairstein is at her explosive best as she plunges into the byzantine world of New York City's most powerful and sacred institutions—and unearths the most sinister of secrets... Prosecutor Alexandra Cooper has been called to a Harlem Baptist Church, where a woman has been decapitated and set on fire on the church steps—with the imprint of a Star of David necklace seared into her flesh. Then a second body is found at a cathedral in Little Italy. Alex is blind to the sick and inconceivable motives feeding a

particularly vicious serial killer—until she mines the depths of the city’s vast and serpentine religious history. What Alex follows is a dangerous path that takes her far beyond the scope of her investigation, and directly into the path of a frightening and inescapable truth.

Darkness Over Me Tracilyn George, 2023-12-14 Moira appeared to the outside world as a strong but compassionate woman who gave freely of herself without thought of her kindness being reciprocated. Those around her believed that nothing fazed her and although she dealt with people in crisis, it never seemed to affect her negatively. But when she lost her best friend and confidante, she thought her world would fall apart - again. It was at that moment when Chance came into her life, taking her on an emotional trip she would not soon forget. Chance was a handsome and charming older man who gave her the much-needed attention that she had craved for so long. But when secrets began to surface about the man she had fallen in love with, Moira found she was wishing he had never come into her life.

The iPINIONS Journal Anthony Livingston Hall, 2014-03-04 ANTHONY L. HALL takes aim at the global events of 2013 with a unique and refreshing perspective. Here are some of the topics he addresses: Public outrage over NSA spying “There’s no rationalizing their outrage over the NSA monitoring their promiscuous and indiscriminate footprints (online and via telephone). For, evidently, these nincompoops think it’s okay for Google, Amazon, Yahoo, Facebook, and others to spy on them to sell them stuff, but not okay for the NSA to do so to keep them safe.” National praise NBA player Jason Collins got for coming out “His courageous stand is somewhat undermined by the fact that he waited to take it on his way out of the league.” Women who’d rather pose nude than be caught without makeup “Who would’ve thought the liberation inherent in the sexual revolution and feminist movement would devolve into a self-abnegating farce where women themselves consider it a ‘brave

decision' to go out in public without makeup?" Mediterranean Sea becoming a graveyard for Africans migrants "I just hope the damning irony is not lost on any proud African that, 50 years after decolonization, hundreds of Africans (men, women, and children) are risking their lives, practically every day, to subjugate themselves to the paternal mercies of their former colonial masters in Europe." Pope rebuking church for neglecting poor "Nothing indicates how far mainstream Christians have backslidden quite like the pope's good old-fashioned religion being hailed as revolutionary." World paying tribute to Nelson Mandela "As you see the most powerful people in the world falling all over themselves to sing Mandela's praises in the coming days, bear in mind that the people Mandela himself loved and admired most (outside of family members) are old comrades—most of whom you will never see on TV or social media."
