The Nicholas Effect Reg Green, 2012-01-05 The Nicholas Effect is the story of the shooting of seven-year-old Nicholas Green. It tells how the Greens' decision to donate their son's organs saved the lives of five Italians and restored the sight of two others. It covers the murder trial, the making of Nicholas' Gift, the Jamie Lee Curtis made-for-tv movie, the bell sent by Pope John Paul II to the Greens for their memorial tower and their unceasing campaign to bring attention to the tens of thousands of deaths caused every year by the worldwide shortage of donated organs. Running through it, like a thread, is the heartbreaking journey of Nicholas' parents and little sister to make something good come out of a senseless act of violence.

The Ashgate Research Companion to Popular Musicology Derek B.

Scott,2016-03-23 The research presented in this volume is very recent, and the general approach is that of rethinking popular musicology: its purpose, its aims, and its methods. Contributors to the volume were asked to write something original and, at the same time, to provide an instructive example of a particular way of working and thinking. The essays have been written with a view to helping graduate students with research methodology and the application of relevant theoretical models. The team of contributors is an exceptionally strong one: it contains many of the pre-eminent academic figures involved in popular musicological research, and there is a spread of European, American, Asian, and Australasian scholars. The volume covers seven main themes: Film, Video and Multimedia; Technology and Studio Production; Gender and Sexuality; Identity and Ethnicity; Performance and Gesture; Reception and Scenes and The Music Industry and Globalization. The Ashgate

Research Companion is designed to offer scholars and graduate students a comprehensive and authoritative state-of-the-art review of current research in a particular area. The companion's editor brings together a team of respected and experienced experts to write chapters on the key issues in their speciality, providing a comprehensive reference to the field.

Delusion Joanna Elm,1999-01-15 When Emma Kane turns up dead in her Main Line mansion, no one is free from suspicion, least of all her husband of twenty-five years, New York media mogul Jack Kane. Too many people would love to see Jack Kane out of business permanently, including a nemesis whose dealings with Kane rival the Murdoch-Turner conflict. Bestselling true-crime writer Kate McCusker arrives on the scene to help uncover Emma's murderer. As Kate finds herself the center of opposing attention between suspect Kane and Philadelphia cop Mike Travis, she is caught up in an all-consuming web of intrigue even she couldn't have imagined--and only a high-tech Peeping Tom is tapped into the truth. Callings William C. Placher,2005-07-26 What am I going to do with my life? is a question that young people commonly face, while many not-so-young people continue to wonder about finding direction and purpose in their lives. Whether such purpose has to do with what job to take, whether to get married,

or how to incorporate religious faith into the texture of their lives, Christians down the centuries have believed that God has plans for them. This unprecedented anthology gathers select passages on work and vocation from the greatest writers in Christian history. William Placher has written insightful introductions to accompany the selections – an introduction to each of the four main historical sections and a brief introduction to each reading. While the vocational questions faced by Christians have changed through the centuries, this book demonstrates how the distilled wisdom of these saints, preachers, theologians, and teachers remains relevant to Christians today. This rich resource is to be followed by a companion volume, edited by Mark R. Schwehn and Dorothy C. Bass, featuring texts drawn mainly from fiction, memoir, poetry, and other forms of literature. A study guide is available from Programs for the Theological Exploration of Vocation (PTEV) on their website: www.ptev.org

Shakespeare's Insults Nathalie Vienne-Guerrin, 2016-01-28 Why are certain words used as insults in Shakespeare's world and what do these words do and say? Shakespeare's plays abound with insults which are more often merely cited than thoroughly studied, quotation prevailing over exploration. The purpose of this richly detailed dictionary is to go beyond the surface of these words and to analyse why and how words become insults in Shakespeare's world. It's an invaluable resource and reference guide for anyone grappling with the complexities and rewards of Shakespeare's inventive use of language

in the realm of insult and verbal sparring.

The Religious Culture of the Huguenots, 1660-1750 Anne Dunan-

Page,2017-11-28 Recent years have witnessed a revival of interest in the history of the Huguenots, and new research has increased our understanding of their role in shaping the early-modern world. Yet while much has been written about the Huguenots during the sixteenth-century wars of religion, much less is known about their history in the following centuries. The ten essays in this collection provide the first broad overview of Huguenot religious culture from the Restoration of Charles II to the outbreak of the French Revolution. Dealing primarily with the experiences of Huguenots in England and Ireland, the volume explores issues of conformity and nonconformity, the perceptions of 'refuge', and Huguenot attitudes towards education, social reform and religious tolerance. Taken together they offer the most comprehensive and up-to-date survey of Huguenot religious identity in the seventeenth and eighteenth centuries.

The Ramseys at Swan Pond Charles H. Faulkner, 2008 The Ramsey House was built in 1797 for Col. Francis Alexander Ramsey, a prominent early settler of East Tennessee who, along with his two sons J. G. M. Ramsey and William B. A. Ramsey, shaped the physical and cultural landscape of what would become Knox county and Knoxville, Tennessee. The one-hundred-acre homestead, referred to by Colonel Ramsey as Swan Pond, contained the Ramsey home as well as other outbuildings and slave quarters. In 1952, the Association for the Preservation of Tennessee purchased the tract of land, and the Ramsey House is now listed on the National Register of Historic Places. Charles H. Faulkner began archaeological investigations at the Ramsey House in 1985 and concluded his work with his retirement from the University of Tennessee's anthropology department in 2005. During his tenure with the Ramsey House Archaeological Project, Faulkner and his team of scholars and students unearthed the prehistory of Native American occupation at Swan Pond, several outbuilding and early home foundation features yielding evidence of extensive early renovations to the Ramsey House and surrounding Swan Pond, and a multitude of ceramics and other artifacts left behind by the Ramsey family and other tenants ranging in dates from the late 1700s to the 1950s. Faulkner's research presented in The Ramseys at Swan Pond reveals not only the material culture and family lifeways of early wealth in East Tennessee, but chronicles the occupation of a homestead that would become pivotal to the development of early Knoxville and Knox County and offers insights into the

responsibilities Ramsey and his family undertook in order to tame an early American frontier. Faulkner provides the reader a complete overview of the excavations, and emphasizes the importance of historic research within the discipline of archaeology in his introduction. The Ramseys at Swan Pond will be of interest to anyone studying historic archeology, the early American frontier, and Tennessee history. Charles H. Faulkner is Professor Emeritus in the Department of Anthropology and Distinguished Professor of Humanities at the University of Tennessee. He is the author/editor of *The Prehistoric Native American Art of Mud Glyph Cave*, *The Old Stone Fort: Exploring an Archaeological Mystery*, *Rock Art of the Eastern Woodlands*, and numerous other essays.
