**Done Deal** M. Beth Page,2005 When is the Deal Done? The greatest barrier to successful integration is cultural incompatibility. Undervaluing or ignoring the human dynamics related to an M&A transaction can prompt the departure of key talent that were among the assets that made the acquisition attractive to the buyer in the first place. The importance of an organization's culture, particularly as a risk factor in M&A integration, cannot be underestimated. Harvard researchers report that firms that managed their culture realized a nearly seven-fold increase in revenue, compared with only 166% for firms that did not manage culture. You will discover how using transition teams, an integration manager, and a comprehensive employee communications strategy rank among the best practices the 5C Integration Model for strengthening your M&A Integration the 5C Self Assessment workbook for your M&A planning the importance of the human dimension to overall M&A success.

**A Done Deal** Jenna Bennett,2011-12-01 "If you enjoy your cozy mysteries with a good shot of romance, and a love triangle with a sexy bad boy and a Southern gentleman in the mix, then you will love this. Very reminiscent of the Stephanie Plum books, but the laughs are louder, the romance is sexier and there is a great murder mystery to top it off." Bella McGuire, Cozy Mystery Book Reviews Savannah Martin has always been a good girl, doing what was expected and fully expecting life to fall into place in its turn. But when her perfect husband turns out to be a lying, cheating slimeball - and bad in bed to boot - Savannah kicks the jerk to the curb and embarks on life on her own terms. With a new apartment, a new career, and a brand new outlook on life, she's all set to take the world by storm. If only the world would stop throwing her curveballs... Silver bells, silver bells... It's Christmas time in Nashville, and all Savannah wants to unwrap on Christmas morning is Rafe Collier. Unfortunately, things don't look so good. He's back in town, but not alone: on his arm is a stunning brunette, just the kind of woman Savannah always suspected was his type. When sixteen-year-old Alexandra Puckett—the daughter of Savannah's late colleague Brenda Puckett—asks her help in figuring out a way to stop Maybelle Driscoll from marrying Alex's father Steven, Savannah jumps on the chance. It'll give her something to think about other than Rafe and the mysterious Carmen, and anyway, she doesn't like Maybelle much herself. Between investigating Maybelle's past, helping her clients Aislynn and Kylie buy a house, and stalking Carmen and Rafe, she soon has her hands full. And that's before someone starts gunning for her. Suddenly it's not a question of unwrapping anything on Christmas morning anymore; it's a question of whether she'll even survive to see another Christmas. "VERDICT: The hilarious dialog and the tension between Savannah and Rafe will delight fans of chick-lit mysteries and romantic suspense." —Jo Ann Vicarel, Library Journal TOPICS: romantic mystery, romantic suspense, interracial romance, multicultural romance, female protagonist, woman sleuth, amateur sleuth, cozy mystery, Southern humor, mystery series, romance series, bestseller,

The Done Deal Susan James,2013-12-01 The Done Deal (by Susan James) Affecting The Probability of Possibilities (Closing The Gap Between Desire and Fulfillment) Those desires that we have, some that seem elusive, but still calling us, will only be accomplished through higher study and personal development. The Done Deal provides energetic shortcuts for those who feel led to them. Maybe you are one? Susan James (From the 'Two Sides of Wanting'..chapter) Having All That We Desire Fulfilled, is much easier than all that we currently understand, and which is written about ad nauseum, in many books. Meaning it has nothing to do with performing actions/activity so that this and that happens. Meaning, performing some activity, even focused thought energy or at least as we currently understand how to focus thought energy has little or nothing to do in relation to manifesting what we want as it would relate the next level of discovery. 'We can't feel the essence of what we truly want, if we aren't making the effort to expand from the lower density that hides it from us.(sj)' Susan James Books, a Division of Vast Five features books for personal development, stirred but not shaken, using James' User Friendly Physics and Susan James Methods of Manifestation. Author of 8 plus books, including The Barkle Series and winner of an Editor's Choice Award . Susan writes and consults on personal development themes, 'stirred but not shaken'. **Done Deal** Ty Hutchinson,2022-09-20 To rid herself of a \$50 million problem, Sei recruited her daughter. Ethan Carmotte, Sei’s ex, put a bounty on her head, making her the target of assassins worldwide. The only sure way to end this spiteful nonsense is to kill him. Sei believes Carmotte is somewhere in the UAE, but planning a final assault requires weapons. Sei travels to dangerous South Sudan to resupply but finds it challenging to locate a weapons trafficker with the right equipment who isn’t interested in double-crossing her. Mui and the rest of Sei’s team are waiting in Zanzibar. Their orders are to zero in on Carmotte’s exact location. While the tropical location is idyllic, peaceful, and relaxing, someone lurks in the shadows and watches their every move. Will Sei be forced to bring a knife to a gunfight? Will Mui’s lowered guard jeopardize the mission ahead? Find out in Done Deal, the final book in a heart-pounding series.

*Strategy and Soul* Daniel Hunter,2013-01-07 When Daniel Hunter and Jethro Heiko began planning at a kitchen table, they knew that their movement would be outspent by hundreds of millions of dollars. They were up against powerful elected officials, private investigators, hired thugs, and the state supreme court. Even before they started, newspapers concluded the movement had no chance. This riveting David versus Goliath story is a rare first-person narrative, giving unparalleled access to the behind-the-scenes of campaigns: the fervent worrying in late-night meetings, yelling matches behind church benches, and last-minute action planning outside judges' chambers. It's in the heat of these moments that the nuances of strategy come to life, showing what it takes to overpower billionaires for a cause you believe in. Written by an experienced and unusually self-reflective direct action organizer, this book might be the most enjoyable way you've ever empowered yourself to change the world.
