On a Donkey's Hurricane Deck R. Pitcher Woodward, 2021-05-18 'On a Donkey's Hurricane Deck' by R. Pitcher Woodward is the author's adventurous and action voyage story. Excerpt: With my two cameras I secured six hundred pictures descriptive of the journey across eleven states, through the four seasons, during that long, long year; only by them and my diary am I brought to realize it is not a wild, weird dream. Now it is over, I sometimes smile over things recalled which, when they

happened, found me as serious as the donk—grave in the superlative degree—and thoughtless people and those who never even crossed the plains by train may style my experience a mere outing or picnic.

Planet Pomegranate: Dispatches from the Garden and Life Laura Christman,2016-02-12 Perhaps you are familiar with the term gardening. It is a tangle of weirdness. Turns out there's more to it than growing a lovely lawn or prolific pepper plant. Planet Pomegranate is a collection of columns written by journalist Laura Christman for the Home & Garden section of the Record Searchlight, the daily newspaper in Redding, Calif. The pieces are a mix of conversations, observation, reflections and frustrations. Some related to the garden; some are not. Revealed are the stories of: -the spindly spring of tenacious Bermuda grass -the petticoat that joined the family -the pumpkin that perplexed a newsroom -the joyful journey of the wandering lemons -the greatest donkey that ever lived Planet Pomegranate explores the wonder of growing - whether it's in the garden or as a person. It is about growing stuff, growing up, staying curious and finding joy in simple things. And appreciating pomegranates - it's about that too.
