**21 Doodle Days** Diane Bleck,2017-12-24 21 Doodle Days A Visual Learning Workbook for Teachers, Parents & Kids Diane Bleck is on a mission to unlock creativity at home, school and work. For the past 20 years she has been teaching people how to doodle to create learning solutions for companies large and small. Recently she was invited to teach a doodle course in her daughter's 7th Grade classroom. This has become a yearly tradition for her family. At the end of the class, a student raised their hand and said, I wish you come into our classroom every day to teach us. And so Diane got an idea to build a course that was designed for just that. A series of lessons where she could teach doodling in schools and homes around the world. After decades of hearing, I don't know what to draw or I wish I had a tool to get me started. Now you do! She had so much fun creating Doodling is Thinking: 21 Doodle Days . This workbook has been designed so that as many people as possible could join in and get started on their own, with their children and even their students.
