The Black Frog's Doodles Designstudio Press, Igor-Alban Chevalier, 2006 Igor-Alban Chevalier - a.k.a. The Black Frog - was born in Champagne, France in 1973. The only son of an antique dealer/art teacher, Chevalier grew up discovering the work of glorious comic book artists like Liberatore, Moebius, and Frank Miller. He spent four years as a creature designer at Jim Henson's Creature Shop in London, and has designed for such films as Harry Potter and the Sorcerer's Stone and X-Men 3. The Black Frog's first published sketchbook, *Doodles*, is a compilation of 200 original pencil doodles featuring teapots, monsters, silly robots, and other weird characters and concepts. Each was doodled in five minutes or less.

The Don't-Get-Caught Doodle Notebook, 2005-09 It's a doodle book. It's a notebook. Actually, it's both. Great for ages 10 to 110, this doodle notebook is anything but the usual cute and quaint kind. It's subversive, irreverent, and most of all FUN! That's why every kid (and many adults too!) will want this fool-the-teacher notebook that offers oodles of doodle possibilities when the brain needs a break. On the surface, it looks exactly like one of those innocuous black-and-white marble composition books. But inside it has cartoons to imitate, unfinished doodles to complete, and games to play. Plus, it includes the scoop on what really happens in the teacher's lounge. Spark up a boring moment by competing in a caption contest, designing your own logo, making temporary tattoos, and mastering the art of note-passing and creating secret codes. Of course, since the teacher just might come walking by at any moment, there are even actual class notes to turn to.

Vocabulary Doodle Notebook Learn It Gig,2019-10-06 Did you know that doodling can help you learn new words? Drawing doodles is not a frivolous waste of time. When paired with learning it engages many parts of the mind, not just one or two, and that alone can make it easier to remember

what you're learning. On top of that it makes learning fun--which can help make it easier to stay motivated to keep learning. With this notebook you'll be able to associate new words you're learning with pictures you've drawn, rather than only associating those new words with more words. This is a great tool whether you are learning a foreign language or just seeking to expand your vocabulary of your native language. Most of the pages inside are dedicated to writing and doodling the new words you are learning. Every few pages though are pages just for scribbling and doodling whatever you want, which is great for relaxing, venting frustration, making additional notes and doodles about your learning vocabulary, or whatever you want. • Paperback with matte cover • Compact 9x6 inches • 100 pages Learn and have fun!
