hence; do not depict an artist's viewpoint as beautifully as doodles do. Doodles are drawn with subconscious mind; they are not filtered according to the suggestions of the world. When you are doodling, you are working to the tunes of your own thoughts. You are completely away from the disturbances of the outside world. A world of doodles is the artist's own world. They do not have to worry about what people will think of their creations. No one is going to judge their doodles. Therefore, the result is much more beautiful than a well thought painting.
