Playing to Win David Sirlin,2006-04-01 Winning at competitive games requires a results-oriented mindset that many players are simply not willing to adopt. This book walks players through the entire process: how to choose a game and learn basic proficiency, how to break through the mental barriers that hold most players back, and how to handle the issues that top players face. It also includes a complete analysis of Sun Tzu's book The Art of War and its applications to games of today. These foundational concepts apply to virtually all competitive games, and even have some application to real life. Trade paperback. 142 pages.

When Nothing Else Matters Michael Leahy,2012-12-11 As one of the greatest, most celebrated athletes in history, Michael Jordan conquered professional basketball as no one before. Powered by a potent mix of charisma, near superhuman abilities and a ferocious drive to dominate the game, he achieved every award and accolade conceivable before retiring from the Chicago Bulls and taking an executive post with the Washington Wizards. But retirement didn't suit the man who was once king, and at the advanced age of thirty-eight Michael Jordan decided it was time to reclaim the court that was once his. WHEN NOTHING ELSE MATTERS is the definitive account of Jordan's equally spectacular and disastrous return to basketball. Having closely followed Jordan's final two seasons, Michael Leahy draws a fascinating portrait of an intensely complex man hampered by injuries and assaulted by younger players eager to usurp his throne. In this enthralling book Jordan emerges as an ambitious, at times deeply unattractive character with, unsurprisingly, a monstrous ego. WHEN NOTHING ELSE MATTERS is an absorbing portrait not only of one athlete's overriding ambition, but also of a society so in thrall to its sports stars that it is blind to all their faults.

The Elder Sister-Like One, Vol. 1 Pochi Iida,2018-04-10 Yuu has had a rough life. After losing his parents in a car accident when he was five, he found himself bounced back and forth among relatives, with no place to truly call home. Plagued by a constant feeling of loneliness, all he wants is a little companionship, and he's about to get way more than he bargained for! Her name is Chiyo, and she'll grant Yuu one wish. The only problem: She's a demon of unimaginable power!

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**A Newborn Business** Zoltan Andrejkovics,2018-10-05 Games covered Fortnite, League of Legends, Dota 2, FIFA, Overwatch, CS:GO, Clash Royale, Hearthstone and F1 series How can I become a professional esports player? How can I make a living playing esports? What is the lifespan of an esports game? What are the most popular esports? These are just some of the questions I have been asked over the last five years. With the boom of the esports industry, everyone wants to know how they can be part of it. In this book, I have answered those questions, and dozens more, based on my years of experience working in the professional esports scene as a team manager. In this book, you will find no topic was off limits. I talk about the past, present, and future of esports and different aspects of the professional gaming industry at large.

*Round Up the Usual Subjects* Robert Brault,Joan Brault,2014-06-05 Every seven minutes, every day, someone in the Twitter world tweets a Robert Brault quote. The author, a contributor to magazines and newspapers in the USA for over forty years, has appeared in publications and venues ranging from Reader's Digest to the CBS TV series Criminal Minds to the Ivory soap wrapper. In this, the first published collection of his writings, he draws from the archives of his popular internet blog A

Robert Brault Reader to offer original thoughts on a basketful of familiar subjects. So kick up your feet, pour yourself a cup, and discover the author who says of himself, I make no claim to fame, since I figure it would end up in small claims court, anyway.

**Lovely** Kyockcho,2019-07-25 Being apart of student government can be pretty draining, but when you have a pair of sweet and sour sisters on your back, it can be hard to get work done. Hayato is in a rush to school followed by twin sisters, the older tsundere Kaede and the quiet airhead Suzu. While they all get along, Kaede, while very cute, can be pretty rough around the edges and Suzu has a plan to soften those edges. After a bit of trickery, Hayato and Suzu wrapped up and decided to have a little fun with her. As they work away her hardened exterior, she softens up and they all let their true feelings known.

*Characteristics of Games* George Skaff Elias,Richard Garfield,K. Robert Gutschera,2020-12-08 Understanding games--whether computer games, card games, board games, or sports--by analyzing certain common traits. Characteristics of Games offers a new way to understand games: by focusing on certain traits--including number of players, rules, degrees of luck and skill needed, and reward/effort ratio--and using these characteristics as basic points of comparison and analysis. These issues are often discussed by game players and designers but seldom written about in any formal way. This book fills that gap. By emphasizing these player-centric basic concepts, the book provides a framework for game analysis from the viewpoint of a game designer. The book shows what all genres of games--board games, card games, computer games, and sports--have to teach each other. Today's game designers may find solutions to design problems when they look at classic games that have evolved over years of playing.

**Takegurui - Compulsive Gambler -, Vol. 2** Homura Kawamoto,2015-08-25 Losing big to a member of the student council, Yumeko finds herself deeply in debt and cast down to the rank of house pet in the Hyakkaou Academy hierarchy. With her future hanging in the balance, the student council tournament may be Yumeko's only shot at redemption. Teaming up with former rival Mary, currently suffering the same sub-human indignity, Yumeko and her new partner are prepared to go all in for another shot at the high life. But will luck favor these ladies...?

**Harem Royale -When the Game Ends- Vol. 1** Ryukishi07,2019-01-07 From the mind of Ryukishi07, creator of classics such as Higurashi and Umineko, comes a heart-pounding, full-throttle Harem Royale! Kohinata Asunaro is your regular everyday high school student. He likes light novels, porn games, and fantasizing about the girls in his class. One day when walking home from school he inexplicably releases a demon from a sealed bottle. Her name is Zepafur, and she won't rest until her debt is repaid! Now begins the Lovey Dovey Harem Royale! cries the demon, weaving a most curious magic. As a result, Asunaro's regular high school life transforms into a love-comedy series of harem shenanigans, with four girls from his school all vying for his affection, wow! But... Unbeknownst to our dopey protagonist, the four girls are in the midst of a horrific survival game under threat of death and eternal torture. She who fails to capture Asunaro's heart will be confined to the depths of Hell and killed ad infinitum! Just who will survive? Who will thrive? And who will meet their demise?

*Harrison's Applied Game Theory* Lewis Harrison,2017-07-09 Life is a Game. If you don't know how to play the game of life, then you are likely to struggle and suffer unnecessarily. Game theory is a concept that has won over twelve Noble Prizes. The life story of one of these Noble laureates - John Nash - was the subject of the Academy Award-winning film, A Beautiful Mind. Now for the first time ever, noted practical philosopher, teacher, and speaker, Lewis Harrison, will show you everything you need to know to apply game theory to your daily life and be more efficient, effective and productive in every way. This book is written in a simple and easy to follow format. Filled with illustrations, it is designed to teach anyone, from nine to ninety, game theory, using methods derived from the same early childhood reading programs that my teachers used when I was in the third and fourth By applying what you learn in this book, you will be able to take all you know and have learned in your life by playing games and achieve great success. Whether you played simple childhood games like Tic-tac-toe and Rock-paper-scissors, or more sophisticated video games like Tetris and Minecraft, this book will teach you how to win the game of life. If you can view life as a game you can create and maintain an abundant lifestyle. For the most part, the purpose of this book is to show you how to play a life-game where the winner achieves success, financial independence, clarity of thought, emotional balance, spiritual fulfillment, personal contentment, and happiness. This is a game that you engage in rather than standing on the sidelines and observing as a spectator. A key element in win/win games is reciprocal altruism. Here a player acts in a manner that temporarily reduces the benefits they receive and their chance of winning the game while increasing another player's benefits and even their chance of winning. The first player does this with the expectation that the other player will act in a similar manner at a later time in the game or possibly in another more important game. Reciprocal altruism is different than any other form of altruism especially the concept of selfless altruism. Generally, when most people think of the word altruism they are thinking of a person who commits an act of kindness without expecting anything in return. In reciprocal altruism, there are some conditions. Let's apply this concept to business. In a traditional business exchange, one good or service of a specific value is transferred to another for some form of specific payment. It is assumed in the concept of reciprocal altruism that an act of altruism will be reciprocated in some way, even if how it will be reciprocated cannot be specifically defined at the present moment. This type of agreement is also different than many business agreements or contracts. In most business agreements the terms are specifically defined by what good or service is to be offered, what is to be paid, and when and how it is to be paid. In reciprocal altruism little or none of this is defined. There is an assumption that some reciprocation is to take place but what is to be paid and how and when, for the most part, remains undefined. In recent years Reciprocal Altruism has become more important in game-based scenarios especially those involving technology and social networking. In social networking and Internet File Sharing communities, for instance, there is an assumption that people who share files or information they may have will somehow benefit from the actions of others who receive these files (are allowed to download them) or receive information. Those cheaters who receive a file or information and later refuse to share it with others are known as leeches in internet-based communities. This is your time! If not now, when? If not you, who? Make the Choice to play the game of life fully.

**Ten Count, Vol. 2 (Yaoi Manga)** Rihito Takarai,2016-11-08 Shirotani begins opening his heart to Kurose, until the counselor suddenly tells him that their sessions are over. Shocked, Shirotani withdraws into his home, refusing to leave. Then, out of the blue, Kurose texts him and asks to see him. What will Shirotani do when he finds out the secret Kurose has been hiding from him this entire time? -- VIZ Media

**When You Only See One Set of Footprints** Darlene Jackson,2012-03-01 As I was called, like Abraham, to leave my father's house and follow Christ, my journey would take me and my children to many places which God has caused us to Triumph in Christ Jesus. I was told to share my story and write the things I've seen and heard and lived through so others can know they too can do the same when they put ALL of their Trust in the Holy God of Israel. When You Only See One Set of Footprints is like an open letter to all Living Epistle, for my life has seen everyday living and living for Christ. To give people hope no matter where you are, He can be there, also to show my children and others what Faith looks like despite what people think it ought to look like, to give people hope and encouragement to follow God to the end. This was also a walk for the destroying of Generational Curse so my children (Donelle, Nathifa, Monae, Dominique, Nakeya, Simone), and now my grandson (Nook, Nook), would not have to encounter because I have gone before them to destroy all curses in their path. To bring about transparency in this walk and to show We can come through all things through Christ who strengthens us, so may all be encouraged as well as inspired to continue in the faith and to fight the good fight of faith and know you fight not alone, for you too can see there were only one set of footprints. God Bless.

*Third World Dogs* Stuart Glogoff,2018-06-05 Max Giraldi is a private investigator living in Las Vegas. His service in the Marines, including two combat tours in Iraq, shaped his post-service life. This is shown in his cases, living with TSD, through his relationship with a former Marine struggling with PTSD, and supporting his wife through a serious illness. Although Max describes himself as a soft-boiled detective, his cases put him in danger at the hands of drug dealers and 21st century mob goons. His most complex case involves parental abduction, ending with a confrontation on a remote ranch in Utah. Other cases involve gathering evidence on philandering husbands, a clergyman who molested teenage girls thirty years ago, finding information on a person who went missing in the 1920s, catching an exotic dancer's stalker, and solving a minister's murder.
