Jerolyn Ann Nentl

Drag Racing 101 - From Building Your First Race Car to Securing Sponsors Ike Heckler Jr,2010-01-07 Everything you wanted to know about the exciting world of drag racing !! The NHRA, NMCA, PINKS ALL OUT, building your race car, rule books, race classes, tow vehicles, trailers, components of a run, heads-up racing, index racing, bracket racing. Plus funding your operation, securing sponsorship, and getting magazine and TV coverage !! The author also takes you on a visual journey showing the various builds of his '67 Pontiac LeMans with assembly pictures that show with time slips how the car evolved from 16 secs in 1994 to a 14 sec bracket car in 2005 all the way to a 10 sec all-out race car in 2009 !! This 88 page book has over 85 color assembly pictures of: engines, fuel system, exhaust, rollbar, seats, and suspension, we also include sponsor artwork getting applied and some other fun pictures. If you are building a drag race car, these pictures will save you hours of aggravation and prevent many \$\$\$\$ of re-work or the wrong parts. For those of you interested in reading how Ike put together his race car, made improvements and has maintained his team, this will be a good read.....David Harris - SPEED TV

How to Drag Race Kevin McKenna,2008 Whether you're bracket racing your daily driver, tuning the new suspension setup on your weekend bracket racer, or competing in one of many pro classes, drag racing is the participation motorsport of choice. McKenna uses over 300 color photos to show you what to expect your first time out, how to set your street or racecar up for consistency and speed, and driving technique for enthusiasts at all levels. He talks tires, safety equipment, driving aids like line-locks and delay boxes, choosing a class, and advanced racer math. Special sections detail how to maximize your current setup and strategy bracket racing success.

Drag Racing in the 1960s Doug Boyce,2021-03-15 The 1960s were a fascinating decade on the race scene. Relive the memories today through this wonderful new book. Drag racing has a long and storied history. Many have said that the first drag race happened shortly after the second car was made. While that may or may not be true, racing prior to World War II was mostly centered around dry-lake activities and top-speed runs. After the war, drag racing became organized with the formation of the NHRA, and during the 1950s, many tracks were built across America to accommodate the racers. Technology in the 1950s centered on the manufacturers updating old flathead designs into newer overhead-valve designs, and the horsepower race really started to heat up. In many forms of racing, the 1960s brought technological evolution. The decade began with big engines in even bigger stock chassis and ended with purpose-built race-only chassis, fiberglass bodies, fuel injection, nitro methane, and blowers. Quarter-mile times that were in the 13-second range in the beginning of the decade were in the 7-second range by the end. New classes were formed, dedicated cars were built for them, and many racers themselves became recognized names in the sports landscape. In *Drag Racing in the 60s: The Evolution in Race Car Technology*, veteran author Doug Boyce takes you on a ride through the entire decade from a technological point of view rather than a results-based one. Covered are all the classes, including Super Stocks, Altered Wheelbase cars (which led to Funny Cars), Top Fuelers, Gassers, and more.

High Performance Robert C. Post,2001 Providing a firsthand history of the sport, this book takes a detailed look at all aspects of drag racing: the sport, the business, and tracks the innovations that permitted racers to disprove the laws of physics. 147 halftones.

Match Race Mayhem Doug Boyce,2017-06-15 Drag racing is a very regulated sport. In the history of the NHRA, IHRA, and other sanctioning bodies, many classes existed in an effort to make sure the cars racing against each other are as equal as possible. It is a noble, if not futile, pursuit. You have two cars facing off that have very similar statistics in terms of weight, transmission type, fuel type, estimated horsepower, and all other sorts of measurables. The byproduct is that often the races that were fair were not the races that the fans wanted to see. During the golden age of drag racing, fans didn't care as much about class racing as much as they wanted to see scores settled, rivalries battled, and interesting match-ups. There were the manufacturer rivalries, Ford versus Chevy, Chevy versus Mopar, Mopar versus Ford, as well as numerous driver rivalries. Match races were also a great way to feature wildly popular cars that no longer had a class in which to compete, yet the fans still wanted to see them. So popular and intense were these races that many track promoters didn't bother to promote class racing at all. Instead, they used the match races as headliners, similar to the marquee at your local arena or a billboard in Las Vegas, all resulting in putting more fans in the stands. And the drivers loved it too. Although the prize money for national events was fairly average for the day, the extra appearance fees and prize money to lure the most popular match racers to events increased the driver's take exponentially. Many of the most popular pro drivers quit class racing altogether just to go match racing. Veteran drag race author Doug Boyce tells the tale of the history of match racing through the cars, the drivers, the events, the classes, the rivalries, and everything else that was fun about match racing during the golden era. It's all here, complemented by wonderful vintage photography provided by fans and professionals in attendance. If you are a fan of any class of drag racing, from any era, *Match Race Mayhem* is a fun addition to your racing library. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

Drag Racing 201 - Racing in the New Economy Ike Heckler Jr,2011-11-25 Following the success of his first book, *Drag Racing 101*, where IH Racing's Team Owner Ike Heckler Jr. explains how to build your first race car and secure sponsorship, Ike now brings you *Drag Racing 201 - Racing in the New Economy*. After racing at NHRA tracks in the northeast and southeast for the past 10 years in a booming economy where securing sponsorships was relatively easy, Ike takes you on an exciting journey through 2010 and explains what it is like to uproot your personal life in order to pursue the goal of semi-pro drag racing. With over 52 career round wins and national media exposure from SPEED TV's *Pinks All Out*, NHRA's *National Dragster*, and NMCA's *Fastest Street Car* magazine, Ike has secured corporate sponsorships from Lucas Oil, VP Racing Fuels, WIX Filters, O'Reilly Auto Parts, ReMax Realty, Holiday Inn Hotels & Resorts, CARQUEST Auto Parts, and Ken's Speed & Machine. IH Racing's primary sponsor, Premier Properties of the Space Coast, is owned by Mr. Heckler and develops residential and commercial properties in southeast Florida. In *Drag Racing 201* Ike explains how to use your own company together with your other sponsors to be able to fund a full race season and be able to travel the hundreds of miles from racetrack to racetrack economically. From getting into the Final 32 at the *Pinks All Out* event in West Palm, FL to making the WIX All Out 16 at the *Pinks All Out* event at zMax Dragway in Charlotte, Ike brings you along to all the other races and other fun events he was able to attend in 2010 with the help of good friends and sponsors. You will also ride along as he moves from Florida to North Carolina, then back to Florida just so he could honor his commitment to all his sponsors and race the season. He will also show you how the degrading economy affected his racing operation in 2010 and how he had to adjust and sacrifice his personal life to be able to race and survive. *Drag Racing 201* then looks into the future of the sport and projects how it may look a few years from now and gives the reader some valuable tips on how to afford racing a full season and how the racer may have to live differently in order to race and live their dream. Ike also gives the reader some valuable sponsorship tips along the way that will help with sponsor exposure and could make securing sponsorships a little easier. This 80 page full color book has over 75 pictures highlighting the West Palm FL, Charlotte NC, and the Bristol TN *Pinks All Out* events (and getting on SPEED TV), the Atlanta, NHRA Unleashed event, and what it feels like to work for an NHRA national event. If your goal is to drag race in the New Economy, this book is a must read that will save you money and increase your sponsor exposure !!

Drag Racing Alex Monnig,2014-08-01 Though it is a short, straight 1/4 mile race, a drag race still manages to be entertaining! Young readers will love learning about the big motors, fast vehicles, talented drivers, and exciting races. This title takes a close look at the history, the vehicles, the events, and the stars who make drag racing unique. Complete with informative sidebars, a photo diagram, and much more. Aligned to Common Core standards and correlated to state standards. SportsZone is an imprint of Abdo

Publishing, a division of ABDO.

Tales from the Drag Strip Don Garlits,2013-06-01 Since the moment that young men began modifying and personalizing their automobiles back in the 1940s and '50s, "Big Daddy" Don Garlits was squarely in the thick of this intoxicating pursuit. Tales from the Drag Strip with "Big Daddy" Don Garlits is a first-person account of the many memorable experiences this drag racing icon has lived through in his half-century of nitromethane-fueled exploits. The many races, racers, race fans, and race tracks that have touched his colorful career are recounted as only Big Daddy can, painting a vivid picture of his life at speed and the triumphs and tragedies that came along the way. Insightful, ironic, humorous, and touching—but all true—Big Daddy's remembrances are the next best thing to reliving the glory days of America's quickest and fastest motorsports through the eyes of an American institution.

Lost Drag Strips II Scotty Gosson,2016-04-15 Fresh on the heels of the best-selling book Lost Drag Strips comes a new look at other long-lost and forgotten drag racing facilities from the 1950s, 1960s, and 1970s. In the first volume, the author examined the birth of drag racing and its subsequent popularity that invaded every city and community across America. Unfortunately, after the initial explosion of popularity, it waned, and various drag strips closed for a myriad of reasons. Financial pressure for the real estate they occupied, suburban sprawl, and waning participation were all reasons for the change in fortunes for the small, and even not-so-small, racetracks. The first volume was great, but readers demanded more! Lost Drag Strips II picks up where the first volume left off, covering even more tracks with archival photos of racing in the tracks' heyday, the cars that ran there, and coverage of the tracks as they exist today. This volume also includes some of the tracks that survived, those that fought off the economic demons and the urban sprawl and continue to run today. Tracks in this volume include: Fort Wainwright/Racing Lions Motorsports Park, Avenue G Drag Strip, Fremont/Baylands Drag Strip, San Fernando Drag Strip, Fontana Drag City, Inyokern Drag Strip, Kahuku Air Strip, Las Vegas Speedrome, Continental Divide Raceways, SRCA Drag Strip, Southwest Raceway, Willow Run Raceway, Minnesota Dragways, KCTA Drag Strip, Detroit Dragway, Niagara Airport Dragstrip, New York National Speedway, York US 30 Drag-O-Way, South Mountain Raceway, La Place Dragway, Yellow River Drag Strip, Thunderbolt Dragway, and more.

Drag Racing Edward Radlauer,1966-01-01

We Were The Ramchargers David G. Rockwell,2023-07-24 With over 200 new images, the new edition of We Were the Ramchargers is perfect for drag racing enthusiasts. This book takes readers behind the scenes with the group of Chrysler engineers who, from the 1950s through the 1970s, became one of the most successful and influential drag racing teams of all time. The only team of engineers from an automobile manufacturer to drag race successfully, the Ramchargers broke the most time barriers in drag racing history and earned the most National Hot Rod Association (NHRA) Super Stock titles during the sport's golden era of factory competition. Author Dave Rockwell, a Ramcharger himself, interviewed more than 40 team members, competitors, and track operators for We Were the Ramchargers, making it the first and only book to provide inside details on all elements of the Ramchargers story. In addition to chronicling the races they won and legendary cars they developed (including the High and Mighty, 426 Hemi, and first Funny Car), Rockwell opens corporate and personal files to take readers behind the doors at Chrysler (showing, among other things, how the Ramchargers helped pioneer the platform team concept), while revealing the personalities of the men who made it all happen. (Second Edition, ISBN: 9781468605754, ISBN: 9781468605761, ISBN: 9781468605778, DOI: 10.4271/9781468605761)

Drag Racing Jay H. Smith,1995 Introduces the sport of drag racing and the different types of cars which are raced.

Northern California Drag Racing Steve Reyes,2022-05-02 Organized drag racing began in Northern California in 1949 thanks to World War II veterans with a need for speed. Towns like Redding, Lodi, Fresno, Bakersfield, and Fremont would host their own drag events featuring homebuilt jalopies. Anyone with a driver's license and a paid entry fee could participate, and as the cars got more sophisticated and faster, more and more spectators came to watch the local speed demons. By the 1960s, a metamorphosis began with the introduction of the slingshot-style dragsters. For the next 12 years, the slingshot dragster was the king of the quarter mile, and it made stars of Gary Ormsby, Frank Bradley, Dennis Baca, and James Warren. Meanwhile, in 1965, a funny new race car challenged The King as it gained popularity in Northern California. Leading this funny car charge was a Pennsylvania transplant named Russell James Liberman. However, the golden years of Northern California drag racing came to an end in the mid-1970s. Today, only 5 out of 17 drag strips are still open. Photographer Steve Reyes journeyed into the world of Northern California drag racing in 1963 as a 15-year-old kid. Upon seeing an advertisement from the Oakland Tribune that read, Come see the nitro powered 200mph slingshot dragsters, Reyes and his father made the 23-mile trek to the Fremont drag strip. With the noise of high-powered engines filling the air, Reyes was hooked and made it his duty to capture this one-of-a-kind world on film.

High Performance Robert C. Post,1994 What emerges is a compelling look at the men and women who have devoted their lives to this extraordinary pursuit and a sensitive exploration of their motivations.

Drag Racing's Quarter-Mile Warriors Doug Boyce,2014 Legendary Drag Cars: Then and Now takes a unique look at the most memorable, interesting, and successful cars from this golden age of drag racing.

San Diego Drag Racing and the Bean Bandits Emmanuel Burgin,Colleen M. O'Connor,Susan Wachowiak,2017-12-11 San Diego enjoys a long and storied race car and drag racing history, and the Bean Bandits are a huge part of that heritage. Yet their story remains buried in plain sight. Told here in photographs garnered from private, personal, and historical collections, the 1950s pioneering exploits of Bean Bandits leader Joaquin Arnett and his contributions to that racing history come to life. The San Diego native led his Bean Bandits to over 300 wins and several land speed records while competing against other local clubs, like the Prowlers, Oilers, Roadsters, and Roadrunners. Eventually, the Bean Bandits' streamliners set records on the Bonneville Salt Flats. Arnett won the first National Hot Rod Association (NHRA) Championship in 1953, was named to the International Car Racing Hall of Fame in 1992, and was awarded an NHRA Lifetime Achievement Award in 1994. Arnett and his Bean Bandits' car also graced the cover of Hot Rod magazine's special drag strip issue in 1953.

Chevy Drag Racing 1955-1980: A Celebration of Bowtie's Success at the Drag Strip Doug Boyce,2020-03-15 Relive the glorious first 25 years of Chevy drag racing in this comprehensive and nostalgic history. With the introduction of Chevy's OHV V-8 in 1955, the brand's domination on the drag strip immediately snowballed. Drag racers loved the compact V-8. It was lightweight, revved high, and responded like no other engine previously produced to modification. Chevy saw a record year in sales in 1955, thanks to a combination of a restyled body and the new mill. It was the age of ingenuity, and those who could get their hands on the new engine were swapping it into engine bays that once housed other weaker mills. Ford's flathead, one that had dominated for so long, was rendered obsolete almost overnight. Chevy had a winner and dominated the sales charts for years to come. Aftermarket manufacturers got on board and offered up all the go-fast goodies needed to make Chevy a winner, no matter what category they ran. From Dragsters to Stock, Chevy's success was immediate. And it was a long-term success, thanks to a combination of years of great styling and a vast array of driveline combinations. Accomplished racing author Doug Boyce takes a celebratory look at those years of success, with a focus on the first 25 years (1955 through 1980). Chevrolets gave rise to such stars as Bill "Grumpy" Jenkins, "Jungle Jim" Liberman, "Sneaky Pete" Robinson, "Dyno" Don Nicholson, Sox & Martin, Dick Harrell, Dave Strickler, and many more. World champs and fan favorites all drove Chevys. The success showed in the record books. No brand has won more races and events or has set more national records than Chevrolet. And unlike the other manufacturers, Ford and Chrysler, it was done with little to no factory support. Whether you are a hardcore Chevy fan or just love catching up on the history of drag racing during the golden age, this

nostalgic look at Chevy racing history is sure to entertain for hours on end.

Bracket Racing Tony Sakkis,1997 A basic guide to drag racing's most popular and fastest growing class. Includes information on: rules and regulations, driving techniques, engine setup, safety, and more.

Drag Racing Nicki Clausen-Grace,2013-03-01 Describes drag racing and why it is only legal in a closed track. Provides information about the history of the sport, characteristics of the vehicles, important events, and famous drivers.

Drag Racing Jerolyn Ann Nentl,1978 Introduces drag racing, a relatively new form of automobile racing in which cars engage in a contest of acceleration.

Yeah, reviewing a book **Drag Racing Timeslips** could ensue your near friends listings. This is just one of the solutions for you to be successful. As understood, exploit does not recommend that you have astounding points.

Drag Racing Timeslips Introduction

Drag Racing Timeslips Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Drag Racing Timeslips Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Drag Racing Timeslips : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Drag Racing Timeslips : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Drag Racing Timeslips Offers a diverse range of free eBooks across various genres. Drag Racing Timeslips Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Drag Racing Timeslips Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Drag Racing Timeslips, especially related to Drag Racing Timeslips, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Drag Racing Timeslips, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Drag Racing Timeslips books or magazines might include. Look for these in online stores or libraries. Remember that while Drag Racing Timeslips, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Drag Racing Timeslips eBooks for free, including popular titles.Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Drag Racing Timeslips full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Drag Racing Timeslips eBooks, including some popular titles.

FAQs About Drag Racing Timeslips Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or

mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Drag Racing Timeslips is one of the best book in our library for free trial. We provide copy of Drag Racing Timeslips in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Drag Racing Timeslips. Where to download Drag Racing Timeslips online for free? Are you looking for Drag Racing Timeslips PDF? This is definitely going to save you time and cash in something you should think about.
